HISTORY

Near the midpoint of the twentieth century, many Texas Christians recognized the need for leadership in their churches and for starting new churches. On May 10, 1949, former missionary Vernon Newland met with forty concerned Texas church leaders. They discussed establishing a Bible college in Texas to train leaders for Christian ministry in the tradition of the Restoration Movement (Stone-Campbell Movement). Dallas Christian College (DCC) thus opened for classes on September 12, 1950, to educate the evangelistic leadership of Texas and the Southwest.

DCC has flourished over the years. It has grown from two downtown Dallas locations to its third location, on twenty-two acres in the historic northwest Dallas county community of Farmers Branch. With over five thousand students in DCC's history, graduates serve in various ministries throughout the nation and the world.

Many outstanding Christian men and women have served DCC as trustees, faculty, staff, and administration. The College has been blessed by the following men who have served as President: Vernon M. Newland (1950-1952, 1964-1968), J. Thomas Segroves (1952-1960), Harold D. Platt (1963-1964), E. Dean Barr (1968-1973), Melvin M. Newland (1973-1981), Charles A. McNeely (1982-1984), Gene R. Shepherd (1985-1994), Keith H. Ray (1995-1998), John L. Derry (1998-2003), Dustin D. Rubeck (2004-2014), and presently Brian D. Smith (2014-).

Currently, DCC offers associates and bachelors degrees with a variety of majors and minors to choose from. DCC's curriculum combines Bible, professional studies, and general education courses from a Christian worldview. The College provides instruction in varying formats: (1) Traditional day and evening classes; (2) The Quest accelerated format in the evening, which began in 1995; (3) Online; providing distance students the opportunity to earn a degree via the Internet; and (4) FLEXCampus, which in 2013 became the primary format for non-traditional (adult) students, offering the flexibility of participating in the classroom, participating live via web conference, or watching the recorded class session the next day and completing the class online. Since 2013, FLEXCampus has progressively replaced Quest and online.

In 2003, the State of Texas authorized DCC to offer alternative teacher certification. Alternative Certification Curriculum to Ensure Student Success (ACCESS) allowed students with a bachelor degree the opportunity to earn public school teacher certification by attending an eight-week block of instructional courses, followed by supervised teaching in the public school system for a year. The ACCESS program paved the way for DCC's current authorization to offer students the opportunity to earn Texas public school teacher certification while earning the bachelor's degree as of 2015. The Bachelor of Science in Education and Bible was approved by the Texas Education Agency to offer Texas State Teaching Certification to students who pass state requirements. The degree is also designed to uniquely meet the requirements for state certification as well as certification with the Association of Christian Schools International (ACSI).

DCC students participate in an active plan of Christian service and chapel attendance. They serve in volunteer, internship, and full-time capacities at area churches and on ministry teams of praise and proclamation to churches, youth groups, and the inner city. Also, DCC faculty and staff lead in their home congregations, provide counsel to Metroplex churches, and speak throughout Texas and the Southwest. Faculty, staff, students, and alumni also have the opportunity to participate in Kingdom Week serving locally, nationally, or internationally.

Dallas Christian College strives to meet the educational needs of an increasingly diverse student body and to encourage leadership of churches and Christian organizations in Texas, the Southwest, and around the globe. With the Spirit's guidance, DCC serves Christ in the hope of building God's kingdom.

STATEMENT OF FAITH

All trustees, faculty members, and other persons acting as recognized representatives of this institution shall be willing sincerely to affirm and contend for the following statement:

That the Bible or Holy Scriptures alone is the divinely inspired Word of God, and therein is contained the revelation of the deity of Jesus Christ, the plan of salvation for mankind, and the faith and work of the Church; furthermore, that the testimony of such Scriptures testifies to prophecy concerning His advent, virgin birth, miraculous life, blood atonement, bodily resurrection, ascension into heaven, and final return, and is expressly and historically true in the commonly accepted meaning of the terms; in addition, that the Church of the New Testament ought everywhere to be restored with its divine plan of admission: faith, repentance, and baptism, with consequent godly life; and finally, that the Scriptures are wholly sufficient to build the kingdom of God.

The College's biblically-oriented and Christ-centered instruction emphasizes spiritual concerns, loyalty to the historic ideals of the Restoration Movement, and the unity of all Christians.

MISSION STATEMENT

Dallas Christian College educates and mentors students to be people of influence, under God's influence, for a life of influence.

Dallas Christian College—Since its founding in 1950, training for Christian ministry and service to the church have been core to the College mission. This commitment continues through educational and mentoring programs for a broader group of students and an expanded commitment to public service.

Educates· The College offers a course of post-secondary instruction leading to the Baccalaureate degree. The curriculum is built upon a broad foundation of Liberal Arts and biblical studies, culminating in a major field of study. This program is designed to provide an education from a Christian perspective, preparing students for entry into professional fields and graduate studies.

Mentors· The College fosters a culture of mentoring that begins in the classroom and permeates all student activities. This covers a broad spectrum, from academic tutoring and life coaching to spiritual formation and professional development.

Students· The College provides access to educational opportunities and resources that meet the needs of a diverse student population. Programs are offered through multiple delivery platforms to degree- and non-degree-seeking students.

People of influence· People of influence are those whose example and work make a positive impact on the world around them through direct and indirect means.

Under God's influence . This combination of Christian education and mentoring develops students whose lives are guided by the life and teachings of Jesus, the Son of God.

Life of influence· The successful execution of this mission results in alumni who are impacting their spheres of influence through their professions and voluntary

service. While leadership is a prime indicator of influence, these people will be known for service with a unique blend of wisdom, character, talents, and skills.

INSTITUTIONAL GOALS

The following institutional goals were developed for Dallas Christian College flowing out of the Mission Statement and its expansion:

Focusing upon Education

1. Nurture spiritual, intellectual, and professional growth to equip students for lives of personal and professional influence.

OTHER POLICIES

INCORPORATION

The name "Dallas Christian College" is the property of Dallas Christian College, incorporated in the State of Texas on February 16, 1950. The College name and associated seals and logos may not be used or reproduced in media of any form without the approval of the college administration and the express written permission of the president of the College.

GOVERNANCE

Dallas Christian College is supported by independent Christian Churches and Churches of Christ, a non-denominational fellowship with a heritage that began in the early 19th century known as the "Restoration Movement." The plea of this movement is the restoration of New Testament Christianity through a commitment to the authority of the Bible as God's word and to the unity of God's people.

The College is governed by a Board of Trustees (see list in the Personnel Section), charged with the oversight of the College by establishing policies relative to fiscal matters, educational programs, and physical facilities. The Board of Trustees selects the President, who is responsible for the daily operation of the College.

PRINCIPLE OF EQUAL OPPORTUNITY

Dallas Christian College does not discriminate on the basis of race, color, sex, age, national origin, handicap, or veteran status in any aspect of its programs and activities, including admission or access to, or treatment or employment therein.

PRINCIPLE OF EQUAL EDUCATION POLICY

In compliance with Title VI and Title IX, complete equality exists in the offering of all benefits to students without regard to sex, race, color, or national origin.

STUDENT RIGHT-TO-KNOW AND CAMPUS SECURITY ACT

Dallas Christian College is in compliance with the Student Right-To-Know and Campus Security Act, Public Law 101-542. Any individual desiring student right-to-know information should contact the Academic Office or for campus security information contact the Vice President for Community.

PRIVACY OF INFORMATION

Under the Family Educational Rights and Privacy Act of 1974, the following is designated as directory information and may be made public unless the student desires to withhold it:

Students' name, local address, home address, telephone listing, e-mail address, date and place of birth, major field of study, photograph, military service status, religious preference, participation in officially recognized activities and sports, dates of college attendance, degrees and awards received, and all educational agencies or institutions previously attended by the student.

GRADUATION AND PLACEMENT RATES

Dallas Christian College has had 1,437 graduates during its 65-year history. During that time, over 5,300 students have attended DCC for at least one semester.

In the last few years, there has been a major emphasis on student graduation rate. Graduation rate refers to how many freshmen completed the course of study within six years of their entrance date. Using this criterion, the current graduation rate of the freshman class in 2008 at DCC is 43%. The graduation rate of transfer students from the same entering class was 43%.

Another area of examination has been whether the education that a college student receives has prepared him/her to work within the chosen field of employment. DCC has a placement rate of 70% of its most recent graduates. It should be noted that individuals change careers from time to time, causing this number to change on a regular basis. We are pleased to note that 63% of the most recent graduates of DCC are planning to continue their education in various post-baccalaureate and graduate programs.

In addition, the student must have paid a \$2,000 deposit toward his/her balance. Should the prospective student's plans to attend Dallas Christian College change, or if he/she is denied an F-1 Visa, then this deposit will be fully refunded upon the prospective student's written request. All tuition and fees must be paid in full at the beginning of each semester. **All forms and admissions requirements must be completed 60 days prior to the beginning of the semester.** Applicants must abide by the regulations of the

Immigration and Naturalization Service, in every respect, or be subject to dismissal from Dallas Christian College.

FINANCIAL AID

Dallas Christian College recognizes that many who wish to attend college do not have the financial resources available to pay the cost of higher education. DCC operates an Office of Financial Aid to assist students seeking a degree or certificate by making their educational goals possible financially. The primary purpose of financial aid is to assist students who, without such aid, would be unable to attend college. The financial aid office administers various types of financial aid programs including grants, loans, scholarships, and part-time employment.

No person shall be excluded from participation in, denied the benefits of, subject to discrimination under any program administered by DCC on any basis prohibited by applicable law, including but not limited to, race, color age, national origin, religion, sex, disability, or sexual orientation.

Most financial aid is awarded on the basis of need. In addition, most financial aid programs require annual applications. The Office of Financial Aid will make every effort to assist students in meeting his/her need utilizing all available resources. Each student has certain rights and responsibilities in the financial aid application process. Therefore, it is important to read all information carefully to ensure compliance with regulations governing receipt and maintenance of financial aid funds. Failure to comply with the regulations may result in loss of funding and/or eligibility.

The primary use of financial aid is to assist students who, without such aid, would be unable to attend DCC. Financial aid may include scholarships, grants, participation awards, loans, and part-time employment, any of which may be awarded singly or in various combinations but the total of which does not exceed the cost of education.

DCC assumes that the student is the primary and responsible source for meeting educational costs. Students are expected to defray part of their expenses by contributing their savings or summer earnings or both. Parents are expected to contribute toward the cost of education unless the student is determined to be totally independent of family. The actual amount of contribution expected from parents is determined by such circumstances as family income, total assets, and number of dependents.

All new and continuing students must establish financial need annually in order to receive financial aid. Requests for information and awards should be directed as follows:

FEDERAL PROGRAMS

To qualify for any of the federal programs, the student must demonstrate financial need by completing the Free Application for Federal Student Aid (FAFSA). The student must be accepted to DCC and enrolled as a regular student in an eligible degree or diploma program. The student is

also expected to make satisfactory academic progress toward completion of the program of study and to comply with other requirements of the federal program. The amount of aid cannot exceed the cost of education. DCC participates in the following:

Federal Pell Grant. Pell eligibility is determined by the completion of the Free Application for Federal Student Aid (FAFSA). Pell Grants are awarded to undergraduates students who have not earned a bachelor's or professional degree. For many students, Pell Grants provide a foundation of financial aid to which other aid may be added. Eligibility requirements include enrollment for at least one credit hour during an eligible enrollment period. For the 2015-2016 school year, the maximum Pell Grant award is \$5,775. This award is based on full-time enrollment and split between two term (typically the fall and spring term). Pell awards are based on enrollment level as defined by the institution.

Lifetime Pell Eligibility. As part of the Consolidation Appropriations Act of 2012 that was signed by President Obama, the new limits sets the maximum number of semesters a student can receive Pell Grant over their lifetime. Students have a limit of up to 12 semesters or equivalent to 600% of Pell Grant eligibility. Once the maximum has been reached, students can no longer receive a Pell Grant from any institution.

The new provision applies to all students and takes into consideration all the Pell Grant funds previously received. Because of this, some of the students who would have been eligible for Pell Grant funds may no longer qualify for those funds. Some students who are close to their eligibility limit may be eligible for less Pell Grant funding than they would have been previously.

The Pell Grant Lifetime Eligibility Used (LEU) is calculated by adding together each of the annual percentages of a student's scheduled award that was actually disbursed to the student. For example, a student whose 2013-2014 Federal Pell Grant scheduled award was \$5,550, but who received \$2,775 because she/he was only enrolled for one semester, will have used 50% of that award year's scheduled award. If that same student enrolled three-quarter time for the 2013-2014 Award Year and received 75% of his/her scheduled award, her total LEU would be 125% (50% + 75%), provided no other Pell Grant funds were received outside of those two award periods. Visit www.nslsds.ed.gov for more information.

Federal Supplemental Education Opportunity Grant (SEOG). The Federal SEOG program is for undergraduates with exceptional financial need. These are the students with the lowest Expected Family Contributions (EFC). Federal regulations give priority to students who are receiving federal Pell Grant and whose EFC is 0. Maximum awards are \$250 a year for eligible students. Eligibility requirements include enrollment for at least 3 credit hours.

Federal Work-Study (FWS). The FWS Program provides part-time employment to students attending institutions of higher education who need the earnings to help meet the costs of postsecondary education and encourages students receiving FWS assistance to participate in community service activities.

FWS Award Amount. A Federal Work-Study award is determined by a student's financial need (must have a minimum of \$2000 unmet need), based on his or her financial aid budget, and FAFSA information. Financial Need is defined as the difference between the total cost of education and the amount of money the student and family can contribute toward these cost, known as the Expected Family Contribution (EFC) and other current financial aid awards.

FWS Job Placement. Federal Work-study jobs may be on or off campus. Most of Dallas Christian College FWS jobs are on campus. Off campus FWS jobs with federal, state or local public agencies, or non-profit organizations must be in the public interest. Off-campus FWS jobs with private, for-profit organizations must be academically relevant to the maximum extent possible.

FWS Timesheets. Student workers and supervisors must keep track of actual hours worked on a daily basis. This is to ensure that when timesheets are completed it will reflect the true data. Timesheets are completed online and must be filled out completely and approved by the supervisor before they can be processed.

Falsification of timesheets will result in immediate student termination without grounds for appeal.

FWS Pay Rate/Hours. For the 2015-2016 school year, the pay rate is a minimum of \$7.25 per hour up to a maximum of 20 hours per week.

Students may earn up to their awarded amount or up to the departmental allocated amount. Since total earnings are based upon a school-wide Federal allocation, students should be aware the amount they are allowed to earn could be less than the amount awarded to them. They will need to work with their employing department to determine the maximum amount they will be able to earn for the award year.

FWS Termination. Student employees must complete a termination form located in the Financial Aid Office if they voluntarily decide to withdraw from the program. If student employees do not perform their duties satisfactorily and are terminated, supervisors are required to notify the Financial Aid Office in writing. If an employee is terminated from their position, they are responsible for writing an appeal letter to the Financial Aid Office before applying for another position in the same semester. The Director of Financial Aid will evaluate the appeal and contact them in writing regarding probation or suspension of any future Federal Work Study awards. This process must be completed before moving into any new position.

FWS Criminal Background Check. Under the authority of the Texas Education Code and the Fair Credit Reporting Act, DCC shall require a criminal history check on its employees, applicants for employment, authorized volunteers, and employees of independent contractors that do business with DCC if the employment or relationship will require the individual to be classified as having regular contact with minor children, handling currency, access to debit/credit card information, or if the employees position allows access to security sensitive information.

DCC will not employ a person or contact with an independent contractor who has been convicted of any felony or misdemeanor involving any type of sexual offense of a minor, theft, burglary, or robbery as defined in the Texas Penal Code, as amended, unless the misdemeanor is minor in nature and the individual has a background that is otherwise clear of criminal convictions. A conviction includes adjudication.

FWS Eligibility Requirements.

- “ Student must have a completed Financial Aid file.
- “ Student must meet the Satisfactory Academic Progress as set by DCC
- “ Student must be enrolled and certified in at least 6 hours (half time) for fall and spring
- “ Student must be a U.S. citizen or eligible U.S. non-citizen
- “ Student must not have any prior institutional balance or blocks

Federal Direct Loans (subsidized or unsubsidized). Federal Stafford loans to students are either subsidized or unsubsidized. A subsidized loan is awarded on the basis of financial need. The borrower is not charged any interest before beginning repayment or during authorized periods of deferment. The federal government subsidizes the interest during these periods.

An unsubsidized loan is not awarded on the basis of need. The borrower is charged interest from the time the loan is disbursed until it is paid in full. If the borrower allows interest to accumulate, it will be capitalized, that is, the interest will be added to the principal amount of the loan and additional interest will be based upon the higher amount. The borrower can receive a

subsidized loan and an unsubsidized loan for the same enrollment period. A student must be enrolled in at least six credit hours per term to be eligible to borrow from the Stafford Loan Program.

Loan Entrance/Exit Counseling. Federal regulations require that every first-time borrower successfully complete loan entrance counseling before he or she can receive the first loan disbursement of a federal direct loan. As part of an overall plan to help students avoid delinquency and default, DCC requires loan entrance counseling for all federal loan student borrowers each year in which the student applies for a loan.

- **Loan Entrance Counseling Procedures**
 - Students complete entrance counseling each academic year at www.studentloans.gov using the FSA user ID and password.
 - Loans will not be awarded or released to students until after they have completed the interview. This information is verified through the www.studentloans.gov website as well.

- **Exit Counseling Procedures**
 - Borrowers are contacted through email to complete loan exit counseling session during the last semester before transferring or graduating. Students complete the loan exit counseling online at the U.S. Department of Education's National Student Loan Data System (NSLDS) website at www.studentloans.gov.
 - The Registrar submits a list of students that are not returning to DCC or have graduated to the Director of Financial Aid.
 - A copy of the email notification is placed in the student file for documentation that contact has been made alerting student of the required exit counseling.
 - Federal regulations require the college to ensure that each borrower has been provided information about repayment benefits and obligations.

Students planning to become teachers may be interested in the Stafford Loan cancellation benefits for teachers. Borrowers may be able to cancel a portion of their Stafford Loans if they are teaching in a low-income school. To qualify, the borrower must work as a full-time teacher for five consecutive years in an elementary or secondary school that has been designated as a low-income school. The U.S. Department of Education each year designates low income elementary and secondary schools, and a list of these schools, by year, is posted on the department's website. A full list of qualifying conditions and other information concerning repayment of loans may be found at the federal Student Aid website at <http://www.studentaid.ed.gov>.

Loan Interest Rates for Federal Student Loans

The interest rate varies depending on the loan type and (for most types of federal student loans) the first disbursement date of the loan. Follows are interest rates for Direct Loans first disbursed on or after July 1, 2015. Perkins Loans (regardless of the first disbursement date) have a fixed interest rate of 5%.

Loan Type	Borrower Type	Loans first disbursed on or after 7/1/2015 and before 7/1/2016
Direct Subsidized Loans	Undergraduate	4.29%
Direct Unsubsidized Loans	Undergraduate	4.29%
Direct Unsubsidized Loans	Graduate or Professional	5.84%
Direct PLUS Loans	Parents and Graduate or Professional Students	6.84%

Notes:

- All interest rates shown in the chart above are fixed rates for the life of the loan.
- The interest rates for federal student loans are determined by federal law. If there are future changes to federal law that affect federal student loan interest rates, the college will notify students of those changes.
- View the interest rates on federal student loans first disbursed before July 1, 2015 in the previous year's publication of the DCC Catalog.

Annual and Aggregate Limits for Subsidized and Unsubsidized Loans		
Year	Dependent Students (except students whose parents are unable to obtain PLUS Loans)	Independent Students (and dependent undergraduate students whose parents are unable to obtain PLUS Loans)
First-Year Undergraduate Annual Loan Limit	\$5,500· No more than \$3,500 of this amount may be in subsidized loans.	\$9,500· No more than \$3,500 of this amount may be in subsidized loans.
Second-Year Undergraduate Annual Loan Limit	\$6,500· No more than \$4,500 of this amount may be in subsidized loans.	\$10,500· No more than \$4,500 of this amount may be in subsidized loans.
Third-Year and Beyond Undergraduate Annual Loan Limit	\$7,500· No more than \$5,500 of this amount may be in subsidized loans.	\$12,500· No more than \$5,500 of this amount may be in subsidized loans.
Graduate or Professional Students Annual Loan Limit	Not Applicable (all graduate and professional students are considered independent)	\$20,500 (unsubsidized only)
Subsidized and Unsubsidized Aggregate Loan Limit	\$31,000· No more than \$23,000 of this amount may be in subsidized loans.	\$57,500 for undergraduates· No more than \$23,000 of this amount may be in subsidized loans. \$138,500 for graduate or professional students· No more than \$65,500 of this amount may be in subsidized loans. The graduate aggregate limit includes all federal loans received for undergraduate study.

Notes:

- The aggregate loan limits include any Subsidized Federal Stafford Loans or Unsubsidized Federal Stafford Loans you may have previously received under the **Federal Family Education Loan (FFEL) Program**. As a result of legislation that took effect July 1, 2010, no further loans are being made under the **FFEL Program**.
- Effective for periods of enrollment beginning on or after July 1, 2012, graduate and professional students are no longer eligible to receive Direct Subsidized Loans. The \$65,500 subsidized aggregate loan limit for graduate or professional students includes subsidized loans that a graduate or professional student may have received for periods of enrollment that began before July 1, 2012, or for prior undergraduate study.
- If the total loan amount you receive over the course of your education reaches the aggregate loan limit, you are not eligible to receive additional loans. However, if you repay some of your loans to bring your outstanding loan debt below the aggregate loan limit, you could then borrow again, up to the amount of your remaining eligibility under the aggregate loan limit.

SCHOLARSHIPS

FRESHMAN SCHOLARSHIP APPLICATION PROCESS

GENERAL REQUIREMENTS

In order to be considered for a scholarship, candidates must submit a completed scholarship application, along with the Free Application for Federal Student Aid (FAFSA).

Once these items, along with a completed application for admission, have been received by DCC, a scholarship award will be determined.

All Dallas Christian College academic scholarships, grants, and participation awards are for **tuition only**. Excess funding may not be carried over to the next academic year. Grants and participation awards may be added to academic scholarships as long as they do not exceed tuition costs for each semester.

DEVELOPING CHRISTIAN INFLUENCE SCHOLARSHIP

The Developing Christian Influence Scholarship is awarded to students who have demonstrated a commitment to their Christian faith through service in their schools, churches, and communities, and who possess a track record of academic success.

To be considered for DCIS, prospective students must have completed the admissions process. Although the scholarship does not require any additional information, applicants may submit any of the following for evidence of church involvement, community service, and academic ability:

- Completed DCC General Scholarship Application.
- An essay summarizing the applicant's ministry experience, goals, and academic interests. (Try to be as specific as possible, avoiding generalizations).
- A letter of recommendation from a church official (full or part-time persons serving in a ministry capacity who can attest to the applicant's commitment to Christ).
- Video essay (Please no more than 5 minutes)
- Résumé or CV
- Copy of sermon or speech
- Contact an admission counselor to request other options

Applicants who choose to reside on campus will receive priority. Recipients must maintain a 2.5 GPA. Please see [Requirements to Maintain Scholarships](#) below for more information.

President's Scholarship. The President's Scholarship is a \$12,000 to \$16,000 scholarship awarded over eight consecutive semesters. Awards range from \$3,000 to \$4,000 per year for up to four years and are based on the following:

- Grade-point average (minimum of 3.5 on a 4.0 scale)
- College entrance scores (minimum ACT 28 or SAT 1240 combined math and reading only)
- Personal references from the admissions application
- Essay from Dallas Christian College Financial Aid/Scholarship Application

Recipients must maintain a 3.5 cumulative GPA and remain in good social standing with the College. A limited number of President's Scholarships are available each year. Please see [Requirements to Maintain Scholarships](#) below for more information.

TRANSFER SCHOLARSHIP APPLICATION PROCESS

GENERAL REQUIREMENTS

To be eligible for the Transfer Scholarship, applicants must have a minimum of 24 transferable college credits and have been out of High School for a minimum period of two semesters (one academic year). Transfer students with less than 24 transferable college

credits may apply for Freshman Scholarships. A completed scholarship application consists of the DCC Scholarship Application along with the Free Application for Federal Student Aid (FAFSA). To receive priority status, the applicant must be accepted for admission to Dallas Christian College and have all necessary materials to the Financial Aid Office by **April 1**.

All Dallas Christian College academic scholarships, grants, and participation awards are for **tuition only**. Excess funding may not be carried over to the next academic year. Grants, additional scholarships, and participation awards may not exceed tuition costs for each semester.

Any student not enrolled in consecutive semesters must submit a new scholarship application. Students with scholarships and enrolled in consecutive semesters must reapply yearly using a returning student scholarship application.

All scholarship recipients will:

- Maintain full-time status (12 hours or more per semester)
- Maintain the minimum required GPA as specified by the scholarship awarded
- Fulfill all Christian Service participation requirements
- Receive only one academic scholarship

Priority is given to applicants who will be living on campus. Students who move off campus will lose their current scholarship and will have to submit a new scholarship application. Institutional scholarships cannot be applied toward any repeat courses regardless of course grade or status.

TRANSFER ACADEMIC SCHOLARSHIPS

Transfer Scholarship applicants must have a minimum of 24 transferable college credits and have been out of High School for a minimum period of two semesters (one academic year). Transfer students are eligible for Transfer Academic Scholarships only. Students who transfer to Dallas Christian College may be eligible for one of the following four scholarships awarded over two consecutive semesters (GPA based on 4.0 scale):

- **Transfer Honors Scholarship**
3.8 – 4.0 GPA On campus: \$5,500 Off campus: \$3,500
- **Transfer Scholarship**
3.5 – 3.79 GPA On campus: \$4,500 Off campus: \$2,500
- **Transfer Scholarship**
3.0 – 3.49 GPA On campus: \$3,500 Off campus: \$2,000
- **Transfer Scholarship**
2.5 – 2.99 GPA On campus: \$2,500 Off Campus: \$1,000

A limited number of Transfer Honors Scholarships are available each year. Recipients must maintain a 2.5 cumulative GPA and remain in good social standing with the College. Please see [Requirements to Maintain Scholarships](#) below for more information.

REQUIREMENTS TO MAINTAIN SCHOLARSHIPS

Each scholarship recipient will be evaluated following the spring semester of each academic year for renewal for the next academic year. All DCC scholarship recipients must

observe the following requirements:

- Enroll in a minimum of 12 hours each semester
- Must be enrolled consecutive semesters, making normal progress towards degree certification.
- Maintain the grade point average as specified by the scholarship
- Receive a passing grade in Developing Christian Influence each semester
- Complete the DCC 101 course with a passing grade
- Maintain Christian lifestyle, complying with the DCC Student Handbook
- Complete the FAFSA before May 1st of each year if on payment plan
- Student should continue to reside in the College's residence halls. Priority is given to applicants who will be living on campus.

Students who change in residence status (student moves off or on campus after first semester is complete) will lose their current scholarship and must submit a new scholarship application. Institutional scholarships cannot be applied toward any repeat courses regardless of course grade or status.

ADDITIONAL SCHOLARSHIPS

Bible Bowl Scholarship. Students who qualify for any of the following Bible Bowl categories will be eligible for scholarships. Copies of Bible Bowl certificates must be presented to the Financial Aid Office to receive this award. Students who receive multiple Bible Bowl awards may only apply for one scholarship per year.

National Level: For students on any of the top five teams nationally or scoring among the top ten on the national Individual Achievement Test, awards range from \$8,000 to \$16,000 over four years, \$2,000 to \$4,000 per year for four years. This award is also based on high-school GPA and the general scholarship requirements of Dallas Christian College. A minimum of \$8,000 over four years is awarded, based on all of the criteria.

Regional Level: For students who are All-Stars or who take first place on a regional Individual Achievement Test, this is an award of \$6,000 over four years, \$1,500 per year for four years.

Local Level: For students who have the highest cumulative score for the year on their local Individual Achievement Tests, this is an award of \$4,000 over four years, \$1,000 per year for four years.

Bible Bowl Participation. Students who have participated in at least three years of Bible Bowl will receive \$1,000 a year for four years. Certificates must be presented to the Financial Aid Office for verification. Maximum award is \$1,000 per academic year per award.

Minister/Missionary Dependent. Students who are dependent children of a vocational minister or missionary will receive \$1,000 a year for four years. Applicants are required to provide proof of minister or missionary employment on church or agency stationery signed by an elder or administrator of the church or agency to the Financial Aid Office for verification each year.

SALTeens. Students will receive \$1,000 a year for each year they have attended SALTeens. Certificates must be presented to the Financial Aid Office for verification. Maximum award is \$1,000 per academic year per award.

HONOR SCHOLARSHIPS*

Area Women's Retreat Scholarship. For female students who have attended Dallas Christian College at least one semester, this is awarded by the Area Women's Retreat. Applications and awards are made in the spring. Applicants are required to attend the spring Area Women's Retreat. Contact the Financial Aid Office for separate application.

Bob and Carol Smith Memorial Scholarship. For a male or female sophomore planning to enter the Christian ministry. Recipients must maintain a 2.5 GPA. Awarded each spring semester to qualified students, this scholarship is in memory of Bob and Carol Smith.

Roy Wheeler Scholarship. For a student who is majoring in pastoral ministry. Must have Christian character consistent with the Dallas Christian College education purpose. Student must have a cumulative GPA of 3.0 or higher and be in good social standing. Priority is given to Texas residents.

Wallace and Marjory Worley Scholarship. This scholarship is awarded to students who demonstrate strong potential in the field of education. The award is for one year, with one half received each semester.

* Honor scholarships are awarded each spring for the following academic year.

FINANCIAL INFORMATION

VETERANS ASSISTANCE

Veterans and veteran dependents may be eligible for educational benefits through the Veterans Administration. Veterans should contact DCC's Veteran Certifying Officer at (972) 241-3371, Ext. 101, for more information or visit the Department of Veteran Affairs website at <http://www.va.gov/>. Students who qualify for VA benefits will be certified based on eligibility determined by VA and enrollment level. Funds will then be disbursed to DCC to be processed and posted to their account ledger for payment of classes. Any overage of VA funds will be credited to the student in the form of a check, within 14 days of posting. Please contact the business office for more information.

ON-CAMPUS EMPLOYMENT

DCC offers on-campus employment. However, the number of jobs is limited. In order to be considered for these positions, the student must complete the Free Application for Federal Student Aid (FAFSA), along with a DCC job application. These forms are available through the Financial Aid Office. This application will also accompany the student's Financial Aid Award Notification Letter.

OFF-CAMPUS EMPLOYMENT

Job opportunities in the area are plentiful for students who desire to work. Assistance in job availability is obtained through the Office of Community at DCC. A student must be careful to arrange the job to fit with the college schedule; i.e., academic preparation has priority over work.

FINANCIAL AID POLICIES AND REGULATIONS

The student's family is expected to make a reasonable effort to assist the student with college expenses. Aid should be considered only as a supplement to the family contribution.

Granted financial aid is to be used only for legitimate educational purposes.

Applicants for financial aid must be accepted for admission, be enrolled in an eligible degree program, and be making academic progress in that program. All financial aid applications for institutional assistance and for federal grants, loans, or work study must be completed in a timely manner.

STUDENT CREDIT BALANCES (STIPEND) RELEASE PROCEDURE

- Any aid remaining that produces a credit balance due to the student is processed for release within 14 calendar days by the institution business office.
- Student is contacted via email by the business office, of the option to pick up the check from the campus or request it to be mailed to their address on file with the Academic Office.
- Student may elect to have the credit balance held on their student account until the end of the financial aid award year, only if DCC obtains authorization to hold or apply to other charges outside of the normal cost of tuition and fees, room and board, and/or other authorized charges for a program with the school. Student can obtain this authorization form via email, in the business office, or on the institution website.
- In the event the credit balance is due from the awarding of a Parent Plus Loan (PLUS), DCC will review the PLUS loan application to determine the origin to whom the credit balance can be released. If the application designates the release of excess funds to the student, the student will be issued the check within the 14 calendar day limitation or complete the authorization to hold request. If the application designates the parent, the parent will be issued the check within the 14 calendar day limitation or complete the authorization to hold request.
- Checks that are returned as undelivered will be credited back to the student's account by the business office. (Assuming the institution is unable to locate the student for a valid address.) Failure to obtain a valid address will result in the funds being returned to the Title IV program in which the aid was funded by the Business Office.

STUDENT RIGHT TO CANCEL FINANCIAL AID

The student has the right to cancel any Title IV aid awarded within 14 days of receipt. Once this time has elapsed, in the event that a credit disbursement is due to the student, the institution will not hold on their account unless a request to hold excess credit has been submitted.

REFUND POLICIES

A student who withdraws during a semester must notify the Financial Aid Office and the Business Office.

Student eligibility for refund depends on the student recipient's enrollment status, cost of attendance, dates of attendance, and the type of aid received.

Changes in any of these factors, such as dropping courses or withdrawing from the college, could result in the reduction of the student's financial aid package, thereby removing a potential credit balance. A student who withdraws from the College will receive only the remaining credit balance, if any, after costs are calculated and financial aid is restored to the financial aid accounts, including the possible return of Title IV funds.

All scholarships are awarded for direct costs only (unless otherwise specified by the donor). If scholarship money exceeds direct costs (tuition, fees, books, room and board), the excess funds will be refunded to the scholarship funds as follows:

1. Dallas Christian College institutional scholarships
2. Private institutional scholarships
3. Church scholarships
4. Private scholarships

Below is the institutional tuition refund policy (fees are not refundable):

Traditional 16-Week Courses

Before the end of the FIRST week of school	90%
Before the end of the FOURTH week of school	60%
Before the end of the EIGHTH week of school	30%
After EIGHTH week of the semester	NONE

An exception to the above policy would be an approved leave of absence. (Please see Student Leave of Absence Policy in the Academic Regulations section.) No adjustments to tuition charges are granted to those who are involved in disciplinary dismissal.

Seven-Week Courses

Before beginning of the SECOND week	60%
Before beginning of the FOURTH week	30%
After FOURTH week	NONE

Six-Week Courses

Before SECOND class meeting	60%
Before THIRD class meeting	30%
After THIRD class meeting	NONE

A \$100 drop fee will be assessed for classes not dropped two weeks prior to the class start date for DCC FLEXCampus, online, and Quest classes.

For evening classes that do not meet during the week of registration, the official first week is the week in which the class meets for the first time.

NO REFUNDS will be given after the first class day for special terms such as Maymester, Summer I, and Summer II.

At the discretion of the College, students who leave the residence halls before the end of any semester may receive a reduction on room and board charges. There is NO REFUND on fees.

For veterans under subsidy, the College conforms to the Veterans Administration regulations regarding refunds.

Any military personnel called to active duty during a college semester will have his/her tuition reimbursed for that semester, if they have not completed enough work for their professors to administer a grade for work completed. In addition, lenders will automatically postpone student loan payments, upon notification in writing, during the period of the borrower's active duty service.

Letters of active duty status must be provided to the College Administration Offices (Registrar, Business Office, and the Financial Aid Office).

The college reserves the right to prorate charges incurred for room and board usage before active duty activation. Contact the Business Office for further information, if needed.

Students who simultaneously add and drop classes within the first week of a semester without resulting in a change in the total credit hours enrolled are not subject to the above refund policies.

One is not officially withdrawn from the college until withdrawal procedures have been completed through the Academic Office, the Business Office, and the Financial Aid Office, if applicable. All refunds are based on this date. The student is solely responsible for initiating and completing the withdrawal process. Students who do not initiate or complete the withdrawal process and never attend the course will be administratively withdrawn and will be charged a \$250 Administrative Withdrawal fee.

RETURN OF TITLE IV FUNDS

DCC returns unearned funds received from Federal student assistance program accounts or lenders in accordance with the Federal Title IV student assistance regulations, as amended, under 34 CFR, section 688.22(d) of the Reauthorization of the Higher Education Act of 1965, with rules of the Texas Higher Education Coordinating Board (THECB), and with DCC policies.

The student receiving assistance from Federal Title IV programs is required to complete a minimum number of hours for which assistance was received. If the student completely withdraws from school during semester, or quits attending, but fails to officially withdraw, the student may be required to return the unearned part of the funds which were received to help pay educational expenses for the semester. Liability for return of Federal Title IV funds will be determined according to the following guidelines:

1. If the student remains enrolled and attends class beyond the 60% mark of the semester in which aid is received, all federal aid is considered earned and not subject to this policy.
2. If the student completely withdraws from all classes before completing 60% of the semester, a pro-rated portion of the federal aid received must be returned to the federal aid programs equal to the percentage of the semester remaining.
3. If all eligible aid was not already disbursed to the student before the student withdrew, the earned portion of aid will be paid to the student as a post-withdrawal disbursement.
4. If the student does not officially withdraw from classes, and stops attending all classes, a pro-rated portion of the federal aid received, based on the documented last date of attendance, must be returned to the federal aid programs. If the college is unable to document the last date of attendance, one-half of all federal aid received during the semester must be returned to the federal aid programs.

Funds are returned in the following order:

1. Direct Unsubsidized Loan
2. Direct Subsidized Loan
3. Direct Plus Loan
4. Federal Pell Grant
5. FSEOG

Financial aid recipients who enroll and receive aid for a particular semester, then fail to complete more than 60% of that semester will have to repay part or all of the aid received for that semester. Additionally, any tuition, fees and room and/or board payments refunded by DCC as a

result of a student's withdrawal must be returned to the financial aid programs in accordance with Federal law. Students who fail to complete the official withdrawal process but stop attending classes prior to the end of the semester and receive grades of "F" in all classes for that semester will also have to repay part or all of the aid received for that semester. Up through the 60% point in each semester, a *pro-rata* schedule is used to determine the amount of aid to be repaid by a student who withdraws. No adjustments in financial aid are required for students who withdraw after the 60% point in a semester.

STANDARDS OF ACADEMIC PROGRESS FOR FINANCIAL AID

The Higher Education Act of 1965, as amended by Congress, mandates that institutions of higher education monitor the academic progress of students who receive Federal Financial Aid. Dallas Christian College has established the following minimum standards and practices for Federal Financial Aid Satisfactory Academic Progress (SAP) for students to be eligible for and continue to receive federal financial aid. Please note that some state and institutional aid programs may have higher academic requirements, and eligibility for those financial aid programs is subject to the requirements of each program.

To be in compliance with federal, state, or institutional student aid programs, we must apply qualitative and quantitative measurements to academic work.

The qualitative and quantitative standards for SAP are defined as:

1. **Qualitative Standard . Cumulative Grade Point Average (Cum GPA)**
Undergraduate students must maintain a minimum Cumulative Grade Point Average (Cum GPA) of 2.0 for all course work completed.
2. **Quantitative Standard . Pace of Progression**
Pace of progression is determined by dividing the cumulative number of credit hours successfully completed by the cumulative number of credit hours attempted, including transfer hours that have been accepted. Undergraduate students must maintain a pace of progression of 66.67% for all course work attempted, including transfer credits.
3. **Program Completion Time Frame:**
Students may receive financial aid, if they otherwise qualify, if they have not yet attempted 150% of the hours required for their degree program. Attempted hours include all transferred credits and all DCC courses passed, failed, repeated, or withdrawn.

If a student meets ALL of the above standards, the student will receive a SAP status of SATISFACTORY and will be able to continue receiving federal and institutional aid at DCC.

If a student fails to meet one or more of the above standards, the student will be placed on one of two Financial Aid SAP statuses, as described below:

- **Warning Status:** If the student was previously under a Satisfactory SAP status, the student's status will be moved to a Warning Status for one semester, meaning that the student is being warned that he/she is not meeting SAP eligibility and has one semester to correct his/her eligibility before being placed on financial aid suspension. During this semester, the student will continue to be able to receive financial aid. A Warning Status cannot be appealed since students are still eligible to receive financial assistance.
- **Probation Status:** If a student is placed on financial aid suspension, he/she has the option of appealing this suspension through the SAP appeal process. If the appeal is granted, the student will be placed on financial aid probation for the next semester, and he/she must bring his/her SAP eligibility to Satisfactory during that semester or be placed on financial

aid suspension. While on Probation Status, the student may continue to receive federal, state, and institutional aid if he/she is otherwise eligible.

- **Suspension Status:** If the student was previously under a Warning Status or Probation Status and fails to meet SAP eligibility requirements during the next semester, the student's status will be moved to a Suspension Status and he/she will not be able to receive federal, state, or institutional financial aid during the next semester he/she attends. Students who are placed on financial aid suspension may appeal this decision by completing the Satisfactory Academic Progress Appeal Process (see below).

Please note: Financial Aid Satisfactory Academic Progress eligibility is different from Academic Probation or Academic Suspension. Students who are on financial aid suspension may be allowed to register for and attend classes in future semesters at their own expense if they are not also on Academic Suspension.

REGAINING FINANCIAL AID SAP ELIGIBILITY

- Students who are placed on financial aid suspension for not maintaining the required SAP eligibility standards for cumulative GPA must complete courses at DCC at their own expense to regain their eligibility for financial aid. Students who are placed on financial aid suspension for not maintaining the required SAP eligibility standards for pace of progression must complete, at their own expense, courses at DCC, or courses that transfer from an accredited institution.
- Students who are placed on financial aid suspension because they have not met the program completion time frame requirements and have reached the maximum number of hours or time frame allowed to complete their degree program may not regain eligibility to receive financial aid. In order to complete a degree program and graduate from DCC, the student will have to complete those courses without receiving federal financial assistance. If the student feels that these calculations are incorrect, they may contact the Financial Aid Office and ask for a formal review of eligibility.
- After the student has completed sufficient coursework to remove the Suspension Status, his/her SAP status will be reevaluated at the end of the following semester, and his/her status will be updated based on current SAP standards. If a student wants an evaluation before that time, he/she must submit the Suspension Evaluation or Appeal Request Form to the Office of Financial Aid to formally request a review of his/her status. Forms are available in the Financial Aid Office.

SAP ELIGIBILITY APPEAL PROCESS

A student who has been placed on financial aid suspension for not meeting the required SAP guidelines may appeal his/her suspension if there were unusual or extenuating circumstances that contributed to the student's failure to meet these guidelines. If the appeal is granted, the student will be placed on a SAP Probation Status and will be allowed to receive financial aid for the next semester only (see Probation Status+above). All individuals granted an appeal are normally placed on a one-semester Probation Status or placed on a financial aid academic plan (see below). All appeal decisions are final. Students will be notified in writing as to the decision regarding their financial aid appeal. The appeal request must include a statement from the student regarding what has changed or what they will do differently that will allow them to meet SAP guidelines in the future. If a student makes more than one appeal request, each appeal must be for a different reason.

FINANCIAL AID ACADEMIC PLAN

If a student is placed on suspension, and successfully appeals the decision, but the student's academic situation is such that it would be mathematically impossible for him/her to regain SAP eligibility during the next semester as required by federal SAP guidelines, DCC may, at its sole discretion, place the student on a financial aid academic plan. This plan will be designed to outline steps of progress that, if followed by the student each semester, will lead to SAP eligibility being regained at a specific time in the future. If a student does not meet these progressive steps each semester, he/she will immediately be placed on financial aid suspension.

OTHER FINANCIAL AID SAP GUIDELINES

- **Dual Enrollment:** A student may not receive federal aid from more than one institution at the same time. A student transferring to DCC from another institution must have their aid canceled at the former institution.
- **Repeat Courses:** Students may receive federal financial aid for repeat courses in which a course was complete but previous grade of **F** was received. For courses in which a grade of **D+** or higher is received, federal financial aid will pay for these courses once only.

If a student registers for a course in which he/she has previously received a grade of **D+** or higher, an evaluation of the student's history taking that course will be made and aid will be paid accordingly. Institutional scholarships cannot be applied toward any repeat courses regardless of course grade or status.

- **Incomplete grades:** Courses in which a grade of "I" is received will affect a student's pace of progression and may lead to the student being placed on financial aid warning or suspension. Once the student has completed the course(s), he/she may request an evaluation to re-assess his/her SAP status using the Suspension Evaluation or Appeal Request Form.

Second Bachelor's Degree: Not all financial aid programs are available to students seeking a second bachelor's degree, including accredited and non-accredited degrees. Students should see their financial aid counselor for more information.

PAYMENT OF SCHOOL COSTS

All tuition, fees, room and board charges are due and payable in full at the time of registration. Payment is to be made in the Business Office by cash, check, or credit card (VISA, MasterCard, Discover, and American Express are accepted). Online credit card payments are also accepted via the student portal on the DCC website.

Student account statements showing all charges and payments to date, including payments from all financial aid sources, are available on the student portal on the DCC web site. Paper copies will be provided to all students with an outstanding balance at the beginning of each semester, and payment reminders will be sent to the DCC Crusader Mail (email) each month. For those students who have a documented commitment of funds through the Financial Aid Office, any school costs not covered by said financial aid are due and payable on the first of the month for the current semester.

If students have not paid their charges in full or made satisfactory arrangements with the Business Office one week prior to the first day of classes, the students will be administratively withdrawn from their class schedules and they will be charged the Administrative Withdrawal Fee.

PAYMENT DEFERMENT PLAN

Students whose financial aid, if any, is not sufficient to cover a given semester's school costs and who do not have sufficient private sources must sign up for a payment deferment through the Business Office. Payment deferment plans are required of all students who have not paid in full or have sufficient financial aid to cover their institutional costs. Payment deferments are not available for Wintermester, Maymester or Summer terms.

Dallas Christian College is pleased to offer a payment deferment option to help alleviate the financial burden of financing a college education. The Interest-Free Monthly Payment Option allows for spreading educational expenses over smaller monthly installments for a small enrollment fee. This is a popular option with many families because it reduces the need to borrow and it gives families more control over their savings. Payment deferment plans are offered on a semester basis.

The payment deferment plan is low cost and no approval is required. The cost for the plan is a \$55 per semester enrollment fee. Students can check their account charges and balance by logging into the DCC Student Portal. Payments towards the deferment plans can be made online through the DCC Student Portal, in office, or over the phone using a debit or credit card.

Automatic monthly payments may be made directly from a checking or statement savings account. Late payments may result in additional fees.

Five monthly payments are due on the 1st of each month. All accounts must be paid in full by the end of the semester. For example, if a student enrolls on August 1st, the first payment (including the \$55 enrollment fee) will be due immediately. If a student enrolls on September 1st, the student will only have four monthly payments, the first payment will be due immediately and all subsequent payments must still be made by the end of the semester.

For more information on specific payment options or to enroll in the Interest-Free Monthly Payment Deferment Plan, contact the DCC Business Office at 972-241-3371 ext. 135 or toll free at 1-800-688-1029 for assistance. Students with past due accounts desiring to set up a monthly payment plan must contact the DCC Business Office.

STUDENTS RECEIVING TUITION REIMBURSEMENT BENEFITS

Students who are eligible for educational reimbursement from their employer must pay in full at the beginning of the term or apply for a payment plan and provide appropriate documentation to the Business Office from the employer, including a copy of the employer policy. If employer educational assistance payments are made to DCC directly, any credit balance that results will be refunded to the student.

PAST DUE AND DELINQUENT ACCOUNTS

Students will not be permitted to register for the current or future semesters until all past due balances are paid in full. Transcripts and diplomas are not issued until the financial obligation is met. In addition, graduating students who do not have their student accounts paid in full will not be permitted to participate in the graduation ceremony. Payment plans are available to students with past due and delinquent accounts. Please contact the Business Office for more information.

Student Account Classifications:

CURRENT: All payments made according to the payment schedule.
ON-HOLD: Financial Aid or methods of payment in process.
PAST DUE: Payment not made within the specified payment dates.
DELINQUENT: Account is past due with no satisfactory arrangements made with the Business Office.

Dallas Christian College reserves the right to deny enrollment, class attendance, grades, or extension of credit to any student who does not meet past-due obligations or fulfill financial obligations to the College.

On occasion, legitimate financial circumstances may warrant special consideration. Should this occur, the student is encouraged to contact the Business Office immediately to make appropriate arrangements.

If satisfactory arrangements are not made with the Business Office concerning the account, the student may also face action from a third-party collection agency. If this occurs, the student will be subject to additional interest and collection charges.

RETURNED CHECKS

Checks returned for Non-Sufficient Funds or credit card transactions that are denied will result in a NSF Fee assessed to the student's account.

REGISTRATION AND ADVISING

The degree programs are listed in the catalog and can serve as worksheets to follow a student's progress through a given degree plan. Each student should study carefully the programs and the graduation requirements for each. While there are certain core courses common to all the degrees, there are also some vital differences. Faculty advisors are available to assist the student to understand program requirements.

Registration packets and a faculty advisor are provided for the student at the time of registration. Degree plans are arranged so that the student may progress from one year to the next in an orderly sequence. Not all courses are offered annually. Non-sequential scheduling of courses can cause schedule conflicts, which may make additional semesters necessary in order to meet graduation requirements. Students should check regularly with their advisors on these matters. All students of Dallas Christian College are required to take GENS 1111- DCC 101 (for freshman) or GENS 2111- DCC 201 (for transfer students) the first semester of enrollment with DCC.

Students taking FLEXCampus[®] and Online classes must meet the published computing hardware, software, and internet access requirements published for FLEXCampus[®] and online students. These requirements are published in the Moodle site and in the student resources area at www.dallas.edu.

Although provisional enrollment may be granted for a limited period, no student is officially enrolled in classes until the student's admission is completed, all enrollment forms are approved, and all fees and charges are paid.

SEMESTERS AND CREDIT HOURS

The college academic calendar is based on a traditional two semester system of 16 weeks of classes, including one week of finals. Courses are offered on a credit-hour basis. One credit hour signifies that a course meets for one 50-minute period per week for 15 weeks, along with outside assignments and a final examination. Three credit-hour courses offered as FLEXCampus[®], online, or Quest classes are scheduled in an accelerated six-week format. The reduced face-to-face contact time in the FLEXCampus[®], online, and Quest and other non-traditional format courses is compensated for by increased non-classroom writing and other requirements.

COURSE LOAD

The average course load for a DCC student is 14 hours per semester. A course load of 12 hours or more constitutes a full-time load; fewer than 12 hours constitutes a part-time load. (Nine to 11 hours is considered a 3/4-time load for financial-aid purposes. Six to eight hours is considered a half-time load for financial-aid purposes.) The maximum course load is nineteen credit hours or five classes plus PHED-1112 CPR/First Aid/PE, PHED-1111/1121 Varsity Team Sports, or MUSC-115/_131 Choir. Special approval to enroll in additional courses beyond the maximum must be secured through the student's academic advisor and the Vice President for Academic Affairs. To be considered for special approval, the student must not work more than 12 hours per week and must have at least a 3.3 cumulative grade point average or higher.

Other considerations for planning the course load include the amount of additional time needed for lab-type courses or the student's goal for completing the degree. Certain courses such as choir and physical education require additional class time, labs, or practice time for the credit hours awarded. To complete a bachelor's degree (129 hours) in four years, the student will need to take 16 or 17 hours each semester.

Students enrolled in a Traditional degree program are limited to one FLEXCampusⁱ, online, or Quest class in addition to the traditional course schedule at any given time in a semester. At no point can the student exceed the maximum course load limit per semester without written permission from the Vice President for Academic Affairs.

FLEXCampusⁱ, online, and Quest students may not take more than two courses at any given time. At no point can the student exceed the maximum course load limit per semester.

Those who must work to help meet college expenses should plan to reduce their credit-hour load. The following chart shows a recommended maximum credit-hour limitation for working students:

Weekly Work Hours	Recommended Maximum Course Hours
0-12	18-19
13-21	15-17
22-30	12-14
31-40	9-11
40+	8 or less

ACADEMIC DEPARTMENT POLICIES

CLASS ATTENDANCE

Dallas Christian College expects its students to attend class. Students who attend are much more likely to succeed than those who do not. Therefore, to pass a class, students must attend at least 75% of the sessions for that class, and should not miss more than 25% of the class sessions for any reason.

Format	Frequency of meeting	Total number of sessions	Maximum allowed absences
Traditional (semester-long)	3 times per week	43	11
Traditional (semester-long)	2 times per week	29	8
Traditional (semester-long)	1 time per week	15	4
FLEXCampus ⁱ (intensive, normally six weeks)		6	1

Once a student exceeds the maximum number of allowed absences, the student fails the class for absences.

Excused and unexcused absences both count against this total. There is no difference between absences due to personal reasons or absences due to school activities (e.g., field trips, athletics or advancement events). Class sessions missed during the late-registration period count as absences.

The student is responsible for reporting the reasons for absences, preferably in advance, to the professor to see if make-up work can be arranged. This is especially important for students who have absences due to school activities, athletic events, etc. Students in Traditional classes are also responsible for acquiring course information missed during the absences.

With prior approval of the professor, students may arrange for video or audio recording/capture of the lectures. If this is done, the viewing or listening of the recorded class

session must be completed in the tutorial service area. At this point, the professor may choose to dismiss the absence or not. Students may replace up to four absences per semester by completing alternate assignments. NOTE: this provision does not apply to intensive classes (FLEXCampusⁱ, online, or Quest).

FLEXCampusⁱ attendance is determined by a) physically attending the class on campus, b) attending class live via web conference with a live webcam stream, or c) watching the class recording and posting the associated participation activity by 6 p.m. the evening prior to the next class session. Students missing this deadline will be counted absent and receive a %D+ for participation credit. Students in a FLEXCampusⁱ or online course cannot miss more than one class session without failure due to nonattendance.

If a student wishes to appeal a grade received due to absences (or any other reason), he/she should see section 16.7 of the DCC Student Handbook.

If personal circumstances (deaths, illnesses, etc.) force a student to miss more than 25% of the sessions for a given class, the student is encouraged to review the section below entitled, %Failing for an Incomplete.+

A student who never attends will be subject to an Administrative Withdrawal (AW) with applicable fees after the second week. At the beginning of the course, the professor may outline in the course syllabus additional attendance and participation requirements that may affect the grade, including point penalties for missing class, etc. It is the student's responsibility to review the syllabus and note those additional requirements.

RETAKE

A student may repeat enrollment in a course because of a low (C, D) or failing (F) grade. The College places no limit on the number of times a student may retake a course. When a course is repeated, the lower grade is recorded on the transcript along with the new grade, but the lower grade points and credits do not count toward the student's cumulative grade-point average. A course taken at another institution may not serve as a retake for the purposes of computing cumulative GPA. A course cannot be retaken for credit if the grade is %B+ or better.

TRANSFER OF CREDITS

Transferable credit must meet the following criteria to be accepted:

- college-level credit earned at an approved accredited institution (see below)
- the grade earned must be a C- or above
- relevant credit must apply toward the DCC degree program sought

Approved accredited institutions are college and universities accredited by institutional and professional agencies recognized by the Council on Higher Education (CHEA).

No student may transfer in more than 75 percent of the requirements for any degree program.

Accepted transfer credit is placed in the accepted student's electronic file for advising purposes and will appear on the student transcript. The transfer credit is included in the cumulative GPA calculations and is used to determine:

- classification
- financial aid eligibility
- academic status (after the student's first semester)
- graduation eligibility

- graduation honors eligibility (70 hours of credit must be earned at DCC toward a bachelor's degree to be considered for graduation honors)

Credit from unaccredited institutions may be considered if the student provides the following documentation:

- official transcripts (signed, sealed, and sent directly from the institution to DCC)
- college catalogs
- course syllabus for each course

In some instances, samples of the student's work and verification of the academic qualifications of the teaching faculty may also be requested. Furthermore, the student must validate the transfer of unaccredited courses by earning at least a 2.0 (C) GPA during the first two semesters of study at Dallas Christian College.

TRANSFER OF DCC CREDITS TO OTHER INSTITUTIONS

Dallas Christian College is nationally accredited by the Association for Biblical Higher Education, an accrediting agency authorized by the United States Department of Education and recognized by the Council for Higher Education Accreditation.

Due to this accreditation, students who earn credits from Dallas Christian College can expect that their credits will transfer to other colleges and universities (two-year and four-year), whether those schools are nationally or regionally accredited. Credits generally transfer, assuming a.) that the courses apply to the student's program at the accepting institution, and b.) that the student earned a transferrable grade (usually a C or higher) in the course at Dallas Christian College.

Dallas Christian College cannot guarantee the transfer of credit, as each institution sets its own acceptance of transfer credit policy. Students from Dallas Christian College who wish to transfer to other colleges are urged to contact DCC's Academic Office when initiating that process. Students have occasionally experienced initial resistance to accepting credits from DCC; the Academic Office is equipped to deal with these issues and negotiate for the transfer of credits.

EARNING ALTERNATIVE CREDIT

A student can earn additional semester hours through the Credit for Demonstrated Competency (CDC) process or credit by examination. A maximum of 30 hours may be earned through these alternative methods. All alternative credit must be completed prior to registration of the final semester. (See below.)

CREDIT FOR DEMONSTRATED COMPETENCY (CDC)

In the Credit for Demonstrated Competency process, the student prepares a portfolio documenting work experiences and the learning that has resulted from these experiences. These credits can be earned from many different sources, including workshops, seminars, independent study, non-credit classes, training programs, and work experiences. It is the learning, and not merely experience from these sources, that is evaluated and warrants the awarding of credit. In the admission process, a CDC advisor will provide the student with an estimate of the number of CDC credits he or she might receive through this process. A non-refundable fee is required at the time of application for Credit for Demonstrated Competency.

CREDIT BY EXAMINATION

DCC accepts five examinations by which a student may earn credit in addition to the courses and the CDC process. These are:

- College Level Examination Program (CLEP)- a national set of exams on selected topics offered on a regular schedule (testing available off campus only)
- Defense Activity for Traditional Educational Support (DANTES) - a national set of exams developed by the military and covering college introductory courses in 50 different subject areas (DCC is a DANTES test site.)
- Advanced Placement (AP) Examinations - a national set of exams on selected college-level topics studied at the high school (testing available off campus only)
- International Baccalaureate (IB) Higher-Level Examinations . An international set of exams on selected topics studied through the International Baccalaureate Diploma Programme (testing available off campus only)
- DCC institutional challenge exam (see below).

CREDIT-BY-EXAMINATION TRANSFERS

Assuming that an acceptable grade is attained on an examination, DCC grants full degree credit. Assuming an acceptable score, all CLEP, DANTES, AP, and IB credits will be accepted for transfer students. Students may not receive credit for CLEP, DANTES, AP, IB, and a college course covering the same subject matter, i.e. the course equivalency will only be awarded once. All credit-by-examinations must be completed prior to pre-registration for the final semester. In certain cases, departmental examinations may be required as a part of the evaluation process.

The following examinations are accepted (%E+ means Elective hours):

CHALLENGE EXAMINATIONS

A challenge exam can be requested by any DCC student who wishes to meet a requirement of any general-studies or elective course through special examination. A challenge exam may not be requested for a course required in the major. The procedure is as follows:

- The student submits a written request to the Academic Office,
- if approved, an instructor will be contacted, and
- an exam will be constructed and administered by the Academic Office.

A non-refundable fee is required at the time of application for the challenge exam. All approved challenge examinations must be completed prior to pre-registration for the final semester.

GRADING

Grades symbolize the student's work accomplished, personal achievement, competencies, and knowledge gained and retained in a usable form. Grades are not the only measure of a student's success, but they are one statement concerning student progress and achievement.

Students caught cheating on a test, plagiarizing, or violating the academic-integrity standards in any fashion may be given a grade of F+. An F+ will be recorded on the student's permanent record and reflected on the transcript as F. Failure due to Academic Dishonesty.

The F+ grade can be removed from the student's academic record when the student submits a formal written request to the Academic Office. This request must be submitted after the student has completed an additional semester of study at DCC, but before the end of one year after the F+ grade was earned. A committee appointed by the Vice-President of Academic Affairs will review the request and meet with the student. This committee will make the final decision regarding the changing of the grade from F+ to F.

DCC uses the following grading system to indicate the grade points per credit hour, which are used to compute the grade-point average described below:

Letter	Description	Grade Points
A	Excellent	4.00
A-		3.67
B+		3.33
B		3.00
B-	Good	2.67
C+		2.33
C		2.00
C-		1.67
D+	Average	1.33
D		1.00
D-		0.67
F		0.00
F	Failing	0.00
P	Pass in a Pass/Fail Option	
I	Incomplete	
W	Approved Withdrawal	
W/P	Approved Withdrawal Passing	
W/F	Withdrawal Failing	
AW	Administrative Withdrawal	
NC	No Credit	
XF	Failure due to Academic Dishonesty	

Grades of I, F, W/F, and XF are computed as 0.00 grade points for grade-point average.

GRADE-POINT AVERAGE

The grade points earned in each course are computed by multiplying the number of credit hours for the course by the grade-point value of the letter grade received. The student's grade-point average (GPA) each semester is determined by dividing the total number of grade points earned in all courses by the total number of credit hours taken. For example, if 45 grade points are earned in taking 15 credit hours, the GPA is 3.00. The cumulative GPA, which establishes academic progress, is determined by dividing the total number of grade points in all semesters by the total number of credit hours taken in all semesters. Transferred work is counted in computing the cumulative grade-point average.

DCC rounds GPAs to two decimal places, e.g., 3.33. This guideline establishes fairness and equality in areas such as academic honors and requirements set for athletic participation.

STUDENT CLASSIFICATIONS

The student's classification is based upon the number of hours successfully completed at the end of each semester. These classifications are as follows:

Freshman:	Fewer than 30 semester hours of credit
Sophomore:	30-59.5 semester hours of credit
Junior:	60-89.5 semester hours of credit
Senior:	90 semester hours of credit or more

COURSE CHANGES AND WITHDRAWALS

Schedule changes must be made through the Academic Office. A class-change form must be filled out for any class dropped or added. Courses may be added until the end of the second week of the course. Students may withdraw during the drop/add period without the course appearing on their transcript until the end of the second week of Traditional courses. After the second week, a withdrawal is recorded on the transcript with a W/P (Withdraw/Passing) or a W/F (Withdraw/Failing).

From the third through the twelfth week of classes, all withdrawals must be made with the permission of the professor and the Academic Office.

Students withdrawing from FLEXCampus[®], Quest, and online courses must do so with the approval of their academic advisor. A withdrawal form must be filled out. Withdrawals made prior to the beginning of the term may withdraw without the course appearing on their transcript. Once the term begins, withdrawals up to the second class meeting are recorded on transcripts with a W and do not affect the grade-point average. Once the second class meeting begins, all withdrawals must be made with the permission of the professor and academic advisor. After the second class meeting, a withdrawal is recorded on the transcript with a W/P or a W/F.

A student who withdraws while passing will receive a W/P, which is not calculated in the grade-point average. A W/F will be given if a student withdraws from a class with an F, and the grade will be calculated in the GPA as an F. The student is solely responsible for initiating and completing the withdrawal process. The date of withdrawal is determined by the date the completed form is submitted. Students who do not initiate and complete the withdrawal process and who never attend class will be administratively withdrawn and charged an Administrative Withdrawal Fee per class.

ADMINISTRATIVE COURSE CHANGES

A minimum of five enrollees must be registered for a class in order for the class to be offered. (This does not apply to private music classes or approved independent studies.) If a class does not have the required minimum of five enrollees, the academic office administration will review the nature of the course to determine if there are compelling reasons to allow the course to still be offered as a regular course offering (i.e., a senior-level course required for pending graduation). If there are no compelling reasons to offer the class as a regular course offering for the current term, the course will be cancelled.

If a course is cancelled, the enrollees will be unregistered from the course and will be notified by the Registrar's Office of the schedule change. Should this occur, students will not be charged tuition, any associated course fees, or withdrawal fees. In some cases, students unregistered from a course due to lack of enrollment may need to add another course in order to meet financial aid and/or other scholarship or grant requirements.

FILING FOR AN INCOMPLETE

Incompletes must be filed by petition. Forms for incompletes may be requested from or picked up in the Academic Office. A \$55 incomplete fee will be charged for each course in which a student requests an incomplete. Upon approval by the professor and Vice President of Academic Affairs (or academic advisor for FLEXCampus, Quest, and online students), an incomplete may be granted in circumstances of death in the immediate family, sickness, or extenuating circumstances. If the incomplete is not removed within six weeks of the end of the grading period, there will be no extension on the original incomplete, and the student's grade will automatically be recorded as the grade which the student would have received if an incomplete had not been granted. Granting an incomplete is predicated upon prior completion of at least 50% of the course assignments.

LATE WORK

Students are expected to submit all assignments when due. Regular written work (essays, projects, reflections, research papers, etc.) will be marked down 2% for every day the assignment is late, beginning immediately after the deadline. Without previous arrangements, written work submitted more than two weeks late will not be accepted.

FLEXCampus students choosing to watch the recorded class session must watch the recording and post the participation activity by 6 p.m. the evening before the following class session. Late postings will not be accepted. Students should refer to the Attendance section in the DCC Catalog for more information.

Discussion forums cannot be late under any circumstances. Once the posting period is over, other students will no longer visit the forum, so it is no longer a discussion.

All course assignments for Traditional classes must be submitted by 5 p.m. on the last class day before Final Exam Week unless the professor sets an earlier date. All course assignments for FLEXCampus classes must be submitted by Day 4 after the final live class session. Regardless of course format, no additional work can be submitted after the deadline unless the student and the professor agree on an alternative completion plan prior to the deadline. Even then, severe penalties may apply.

The professor may make modifications to this standard by documenting the modification in the syllabus or opening welcome e-mail to the class.

Final grades for traditional classes will be reported to the Registrar's office 48 hours after the final test or final project is due. Final grades for all other classes will be reported to the Registrar's office one week after the final test or final project is due. Students should be aware that instructors will report student grades as they stand at the deadline.

Students should refer to the Filing for an Incomplete section in the DCC Catalog for more information when issues arise that make it difficult to complete a course.

EXAMINATIONS

Students are expected to take all examinations, including quizzes, mid-term examinations, and final examinations, on their assigned dates. Regular tests, quizzes, and mid-term examinations (not final examinations) can only be made up after the test date in one of the two following circumstances:

- 1) The student notifies the professor in advance of the absence, and together the professor and student agree on a time for the student to make up the test.

- 2) The student presents a worthy case as to a) why he/she was unable to notify the professor of his/her absence in advance, and b) why the test or quiz could not be taken on time (e.g., was ready to take the test, but was in an accident and was in the hospital).

Requests to move a final exam will be considered only if a student has three exams scheduled for one day. Requests must be submitted to the professor in writing prior to Final Exam week.

Students on college-approved travel on a scheduled Final Exam day may arrange with the professor to have the examination given by a pre-approved proctor, usually the DCC personnel sponsoring the event. Such requests must be submitted by the sponsoring personnel on behalf of the student. Requests to move any exam to accommodate personal travel will not be granted.

Final Examinations in traditional, semester-long classes (including concluding projects or presentations in lieu of final examinations) must be given during Final Exam Week. Classes must meet during Final Exam Week.

GRADE REPORTS

Semester grades for traditional courses are issued to students after the close of each semester, and grades are recorded on student transcripts. No grades or transcripts are issued to students who owe money to the college, library, or any other department of the college. FLEXCampus, Quest, and Online grades are mailed monthly and recorded on student transcripts. After a semester has ended, students may also view grades on the DCC Student Portal at <https://portal.dallas.edu>.

CHANGE-OF-GRADES

A student may petition to challenge a final grade through the Academic Office. A petition must be submitted within one calendar year from the end of the semester in which a grade is originally received. (The entire process is detailed in the DCC Student Handbook.)

AUDIT REQUIREMENTS

Most courses may be audited (taken without credit), provided the student has the permission of the instructor of the course, pays the audit fee for the course, and purchases the required textbooks. In some instances, auditing a course may not be approved due to class capacity. For-credit students receive priority admission to classes. Auditing students have the option to fully participate in classes, writing papers and participating in projects, etc. Participation in group projects may be determined by the professor. Submission of any work will not be graded, but may receive feedback at faculty discretion.

TRANSCRIPT OF CREDITS

The Registrar's Office will furnish transcripts of credits upon written request from the student. Forms for requesting transcripts are available at www.dallas.edu. Transcripts are available without charge. No transcripts are furnished until all financial obligations to the college, including the library or any other department of the college, have been fulfilled. Any student who has defaulted on student loans will not be furnished a transcript.

ACADEMIC PROBATION

Students who do not attain a cumulative GPA of 2.0 by the end of a semester are placed on academic probation for the next semester of enrollment. First semester transfer students who do not attain a semester GPA of 2.0 by the end of the semester are placed on academic probation

for the next semester of enrollment. (FLEXCampus, Quest, and Online students are assessed once 12 hours have been attempted.)

Any full-time student whose semester GPA falls below 1.0 will be automatically placed on academic probation for the following semester regardless of the cumulative GPA.

Students on academic probation will be required to participate in academic mentoring. Traditional students on academic probation will be limited to 13 credit hours per semester. FLEXCampus, Quest, and Online students on academic probation are limited to taking one class at a time. Students on academic probation must receive permission from the Academic Office to participate in extra-curricular activities such as intercollegiate sports, leadership roles with ministry teams, and other travel representing the College.

ACADEMIC SUSPENSION

Students on academic probation who do not improve their cumulative GPA to the minimum required during the probationary semester will be suspended from the College. Academic Mentoring Program (AMP) students who do not attain a 0.80 GPA or higher at the end of the first semester will automatically be placed on Academic Suspension.

Students on academic suspension are not allowed to attend the College for one academic semester, but they may return to the College following the semester of suspension. If students do not return for the semester immediately following the semester of suspension, they must reapply to the College following the full admissions process.

Students on academic suspension may appeal to the Academic Office to attend one more semester to retake only those courses they failed in order to remove themselves successfully from probationary status. If an appeal is granted, students will be limited to six hours, may not be qualified for any financial aid, and may not participate in extra-curricular activities such as intercollegiate sports, leadership roles with ministry teams, and other travel representing the College.

Students who do not improve their cumulative GPA at the end of the semester following the Academic Suspension period will be Academically Dismissed.

DEVELOPMENTAL STUDIES

DCC's Developmental Studies program uses entrance test scores (ACT or SAT), high school and college transcripts, and proficiency tests to place a student in Developmental Studies courses. The student may challenge this placement with a challenge exam. A student may not withdraw from these courses and must pass the course with a minimum grade of C-. Failure to pass the course with at least a C- will lead to mandatory repeating the course at the next available opportunity. The credit hours do not apply to graduation and are non-transferable, but are included in the student's GPA. The Developmental Studies courses are all one credit-hour and meet up to three hours per week.

DISCIPLINARY PROBATION

A student who violates the college rules can be placed on disciplinary probation by action of the Ethical Conduct Committee. Students placed on disciplinary probation are not permitted to participate in varsity team sports, leadership roles, ministry teams, or to travel for the College. Continual violations while on probation will make the student subject to disciplinary dismissal.

DISCIPLINARY DISMISSAL

A student who is in serious violation of College rules will be dismissed from the College under the conditions set forth in the DCC Student Handbook.

STUDENT LEAVE OF ABSENCE

In accordance with the guidelines set forth by the U.S. Department of Education relative to Title IV funds, a student attending Dallas Christian College may request a ~~leave of absence~~ leave of absence from classes should an appropriate situation arise.

The request for a leave of absence must be submitted to the Vice President for Community prior to the leave of absence, unless unforeseen circumstances prevent the student from doing so, in which case the request must be submitted as soon as circumstances permit.

Any request must be written, signed and dated by the student. Upon receipt of the request, the Vice President for Community will submit the request, along with his/her recommendation, to the President's Cabinet for final approval.

INCOMPLETE MATRICULATION

Under unusual circumstances a student may be enrolled with an incomplete admissions file. This student will be on conditional enrollment and limited to 12 hours, until the essential items are received. If exceptions are allowed, high-school and college transcripts necessary for the file must be received within two weeks of registration. All other materials must be received by the end of the sixth week. If essential items are not received by this time, the student may be required to withdraw and may not register for additional courses.

READMISSION

For readmission to DCC after an absence of one year for any reason, a student must apply for readmission. Students who are readmitted will come in under the current catalog at the time of readmission. If dismissed for academic reasons, the student may apply for reinstatement after an absence of two semesters. The student must have a personal interview satisfactory to the Academic Office to be readmitted conditionally and must repeat all courses in which grades of D or F were earned. Should satisfactory progress not be evident, final readmission will not be granted. If dismissed for disciplinary reasons, the student may apply for reinstatement after an absence of two semesters. The student must have a personal interview satisfactory to the Academic Office and Ethical Conduct Committee. If readmitted, the student must maintain an academic standard and a standard of conduct as outlined in the DCC Student Handbook.

INTERNSHIP

All programs of study at Dallas Christian College include a practical experience in the curriculum. INTR-4300 Internship or EDUC-49__ Student Teaching is required depending upon the major and track. The practical experience provides the student the opportunity to apply what has been learned in the classroom. Placement of the intern or student teacher will be arranged with the Chair of the Department in conjunction with the professor overseeing the experience. INTR-4300 Internship requires an Orientation, a minimum of 300 clock hours on the field, academic assignments (including a Field Education Manual), and a final Internship Interview.

An intern student who does not complete the internship requirements (including all of the internship written materials, completed Field Education Manual, and the concluding Internship Interview) on schedule as arranged at the beginning of the course, will be assigned an Incomplete and be required to register for INTR-4010 Internship Continuation for the semester after the Internship was scheduled to be completed, paying the associated fee. The intern will then be required to complete all of the requirements for the internship by mid-term of that semester or receive a failing grade requiring the student to retake INTR-4300 Internship and begin a new internship. If the student completes the internship requirements within the eight weeks of the semester, the student will receive a one-letter grade reduction, e.g. a grade of A will be reduced to an A-, etc., for INTR-4300 Internship. A grade of P (pass) or F (fail) will also be

assigned to INTR-4010 Internship Continuation. Exceptions to enrollment in INTR-4010 Internship Continuation and the associated fee may be made at the discretion of the professor and the Department Chair.

GRADUATION REQUIREMENTS

In addition to completion of the necessary hours of classroom work, candidates for graduation must complete the following conditions before graduation:

- The candidate must complete a Graduation Application two semesters prior to his/her planned graduation date and pay the graduation fee (non-refundable) the semester he or she plans to graduate.
- The candidate for the bachelor's degree must have taken 30 of the last 42 hours of course work at Dallas Christian College. The Chair of the Department of the student's major and the Vice President of Academic Affairs must approve in advance any course work not completed at DCC. The Academic Council may approve other special arrangements. Active duty service members and their spouses, including Reservists and National Guardsmen on active duty, will be exempted from the requirement of 30 of the last 42 hours.
- The candidate for the associate's degree must have taken 15 of the last 26 hours of course work at Dallas Christian College. The Chair of the Department of the student's major and the Vice President of Academic Affairs must approve in advance any course work not completed at DCC. The Academic Council may approve other special arrangements. Active duty service members and their spouses, including Reservists and National Guardsmen on active duty, will be exempted from the requirement of 15 of the last 26 hours.
- The candidate must have attained a cumulative GPA of 2.00 or above in work at Dallas Christian College.
- The candidate must have attained a cumulative GPA of 2.50 or above in the primary major.
- The candidate must have the approval of the faculty and the DCC Board of Trustees.
- The candidate must have fulfilled all obligations to the College, including Christian Service, student account, financial aid including exit counseling, library, and any other department of the College, including the academic department. All financial obligations and academic issues from previous terms must be resolved by April 1 before Commencement.
- The candidate must have completed all class work and assignments by the week before commencement.
- The candidate must have received one semester's credit for Christian service (CHRS-1000 Developing Christian Influence) for each semester of six or more hours of enrollment at Dallas Christian College.
- The candidate must complete all departmental assessment exams selected by the Director of Institutional Effectiveness. Currently the departmental exams include the ETS Proficiency Profile, the ABHE Bible Exam, and the DCC Bible and Theology Exam. (Under special circumstances, students may apply for a waiver to the Vice President for Academic Affairs.)

AWARDS AND HONORS

ACADEMIC

Delta Epsilon Chi. A national academic and leadership honor society sponsored by the Association for Biblical Higher Education. Membership can be awarded by vote of the faculty to no more than 7% of the graduating class in any one year.

Who's Who Among Students in American Colleges and Universities. Students demonstrating scholastic achievement; participation and leadership in extracurricular activities; service to school, church, and community; and potential for future leadership are elected to Who's Who each year by the faculty.

Highest GPA. The student with the highest cumulative GPA for the class will be honored with an academic award presented in the spring. The freshman award is based on one semester (traditional fall semester) of work, 12 hours or more; the sophomore award, on three semesters (two traditional fall and one traditional spring semesters) of work, 31 hours or more; the junior award, on five semesters (three traditional fall and two traditional spring semesters) of work, 61 hours or more.

President's List. At the end of each semester, the President will announce those students taking twelve hours or more who achieved a 3.8-4.0 GPA for that grading period.

Dean's List. At the end of each semester, the Vice President for Academic Affairs will announce those students taking twelve hours or more who have achieved a 3.5-3.79 GPA for that grading period.

GRADUATION HONORS

Summa cum laude	3.8-4.00 cumulative GPA
Magna cum laude	3.6-3.79 cumulative GPA
Cum laude	3.4-3.59 cumulative GPA

Biblical Studies Honor Graduate. Graduating students who have a 3.33-4.00 GPA in all of their Bible and theology courses (including transfer coursework). A minimum of 21 hours of biblical studies and theology courses must have been completed at DCC to be eligible.

Valedictorian and Salutatorian. The two graduating seniors with the highest cumulative GPA (3.4 or above) will be honored. These honors are based on no more than ten semesters of work toward the first bachelor's degree, with at least 70 hours of coursework completed at DCC. (All transferable hours are included in the cumulative GPA.)

Dr. C.C. Crawford Merit Award. May be conferred upon a graduating senior who has achieved a 3.7 or better cumulative GPA, with at least 70 hours of coursework completed at DCC, who has contributed positively to campus life, who has demonstrated a willingness to serve and a cooperative attitude, and who demonstrates a strong inclination and aptitude toward ministry, whether vocational ministry or ministering through vocation. Recipients of this award are chosen by unanimous approval of the faculty. It is considered the highest student award given at Dallas Christian College.

OTHER AWARDS AND HONORS

Athletic Awards. Presented to the most valuable players in each sport and to players demonstrating outstanding Christian sportsmanship; selected by the physical-education faculty and coaches.

Biblical Studies Award. Presented to a graduating senior who has demonstrated superior exegetical skills and who has developed an outstanding portfolio in Bible and theology classes; selected by the Bible faculty.

Church Musician Award. Presented to the most outstanding student in music classes, one demonstrating not only musical talent and ability but also Christian character and goals; selected by the music faculty.

Homiletics Award. Presented to a graduating senior who has demonstrated outstanding preaching ability and shows promise for preaching ministry; selected by the homiletics faculty.

Humanities Award. Presented to the most outstanding student in the Arts and Sciences Department; selected by the Arts and Sciences faculty.

Leadership and Service in Education Award. Presented to a graduating senior from the Education program who has a cumulative GPA of 3.0 or higher; who promotes leadership and service to individuals, the college, and community; and who fosters personal and professional development of peers through example. Candidates for the award must submit a portfolio for consideration; selected by the Vice President for Academic Affairs and the Education Department Chair.

Outstanding Psychology Student Award. Presented to a graduating senior from the Psychology Department who has a cumulative GPA of 3.5 or higher and a GPA in the Psychology major of 3.75 or higher and who plans to pursue graduate school in the field of psychology. Selected by the Psychology faculty.

Lucille L. Perkins Award. Presented to the Business Administration Department graduating student who demonstrates outstanding Christian character, academic ability, and commitment to Christian service within an administrative context. Recipients of this award are chosen by the Business faculty.

Residence Awards. Presented to one male and one female student who live in the residence halls and who make the greatest positive contribution through the year to campus living; selected by residents of the respective residence halls.

Roaring Lambs Award. Presented to the most outstanding student in the Business Department student who demonstrates outstanding Christian character, an exceptional understanding of major business principles from a Christian perspective, and promotes the mission of Dallas Christian College; selected by the Business faculty.

Servant Award. Presented to the student demonstrating exemplary Christian service, one demonstrating a servant's heart and attitude, expressing a willingness and desire to serve, and showing growth in ministry skills on a consistent basis; selected by peers of the program.

Dr. Cara Snyder Christian Humanitarian Award. Presented to the student who has mentored and/or assisted other students in their academic and/or spiritual development while at Dallas Christian College. Recipients of this award are selected by the Arts and Science faculty from nominations submitted by the general DCC campus community.

Teaching Testament Award. Presented to a graduating senior from the Education program who has a cumulative GPA of 2.75 or higher and who promotes the concept of being a person of influence through teaching in the private or public school setting. Candidates for the award must submit a portfolio to the Education department for consideration; selected by the Vice President for Academic Affairs and the Education Department Chair.

Dr. Leroy C. Wineinger Award. Presented to the Bible Department graduating student who demonstrates outstanding Christian character, academic ability, and commitment to Christian ministry. Recipients of this award are chosen by the Bible faculty.

Zondervan Greek Award. Presented to the student who has completed four semesters of Greek at DCC and demonstrates a superior application of exegetical skills; sponsored by the Zondervan Publishing House and selected by the Bible faculty.

LIBRARY

THE CRAWFORD MEMORIAL LIBRARY

The Crawford Memorial Library honors the memory of Dr. Cecil Clement Crawford, who with his wife Helen joined the DCC faculty in 1967. Dr. Crawford was a scholar, educator, preacher, writer, and popular professor during his years at DCC. Mrs. Crawford worked in the Library. Before his death in January 1976, Dr. Crawford donated his personal library to the College.

Located on the first floor of the Administration Building, the Library contains a collection of 35,000 print volumes, 26,000 electronic books, 100 current print periodicals, and 3,000 full-text electronic journals. In addition, the faculty and students have access to over 60 online databases. Computers are available for student use as well as wireless access for students' laptops. There is also access to a free printer/photocopier in the Library.

Membership in WorldCat allows DCC students to borrow books and journal articles from libraries throughout the world.

Current students may also access the electronic and physical resources of the Manske Public Library in the city of Farmers Branch. Students who wish to access these resources should take a valid driver's license and a current DCC student ID to Manske Library; they will then be issued a library card.

A copy of the Library's mission, goals, and objectives is available from the Director of Library Services.

INTRODUCTION

Dallas Christian College seeks to educate and mentor students to be people of influence, under God's influence, for a life of influence. The educational programs seek to produce graduates who are able to influence others in various ministry settings as well as in education, business, and psychology.

Since God is the source of all wisdom, knowledge, and understanding, and since all of creation is His, education logically begins from Him. In light of this, all courses of the College begin from the assumption that all true knowledge, biblical and otherwise, comes from God and should be judged in light of His word.

Moreover, all the degree programs of DCC meet Association for Biblical Higher Education (ABHE) requirements of a balanced curriculum in Bible, general studies, and specialized or professional studies. This reflects the college's conviction that knowledge of scripture is basic to education.

The General Education curriculum emerges from the College's conviction that all students need an understanding of themselves, their world, and their community, combined with the ability to think and communicate effectively. This curriculum is required in all degree plans; this foundation prepares students to apply this knowledge in their major and to become people of godly influence who appreciate God's entire domain.

The College offers a Bachelor of Arts (B.A.) degree, a Bachelor of Science (B.S.) degree, an Associate of Arts (A.A.) degree, and an Associate of Applied Science (A.A.S.) degree. The Bachelor of Arts degree is the same as the Bachelor of Science degree with the exception of the 12-hour Greek language requirement. All students desiring to study in a ministry major are encouraged to seek the B. A. degree, especially those who intend to preach or teach or go on to seminary.

DCC offers the B.A. or B.S. degrees through the Bible Department with a double major in Practical Ministries and Bible. Within the Practical Ministries major are three tracks from which to choose: Intercultural Studies, Ministry Leadership, and the Youth and Family Ministry tracks. The Department offers the B.S. degree with two dual-majors, Practical Ministries and Bible or Worship Arts and Bible. Within the Worship Arts major are two track options: Worship Ministry Leadership or Music Ministry Leadership. The Bible Department also offers minors in Biblical Languages, Church Education Ministry, Intercultural Studies, Ministry Studies, Preaching Ministry, Urban Studies, Worship Arts, and Youth and Family Ministry.

DCC offers the B.S. or A.A. degrees through the Arts and Sciences Department. It offers the B.S. degree with a double major in Interdisciplinary Studies and Bible. This major serves as a foundational undergraduate degree preparing students for church and para-church ministries and for seminary or graduate professional studies. It offers the A.A. degree in Humanities. In addition, it offers minors in English or History.

DCC offers the B.S. degree through the Business Department with either a double major in Business and Bible. Within the Business major are two track options: Business Administration and Ethics and Sports Management. It also offers a degree completion plan the B.S. in Business, an A.A.S. degree in Business, as well as a Business Minor.

DCC offers the B.S. degree through the Psychology Department with a double major in Psychology and Bible. Within the Psychology major students have the option of take the Christian Life Coaching track. The degree serves as a foundational undergraduate degree preparing students for church and para-church ministries and for seminary or graduate professional studies. In addition, it offers a degree completion plan, the B.S. in Psychology, and a minor in Psychology.

The College also offers the B.S. degree through the Teacher Education Department with a double major in Education and Bible. There are four different plans to choose from: the B.S. Education and Bible (Early Childhood-6th Grade), the B.S. Education and Bible (Grades 7-12) English Language Arts, the B.S. Education and Bible (Grades 7-12) Social Studies, or the B.S. Education and Bible (Early Childhood-12th Grade) Music. The B.S. degree in Education and Bible prepares students to attain Texas state certification for teaching in public schools. The degree is approved by the Texas Education Agency to offer Texas State Certification to students who pass state requirements. Additionally, the degree meets the requirements for Association of Christian Schools International (ACSI) certification for teaching in private Christian schools.

The College offers some degrees through DCC FLEXCampus[®], Online, or Quest. Quest courses normally meet one night per week for four hours for six weeks. DCC FLEXCampus[®] offers the flexibility of participating in the classroom, participating via web conference with a live webcam stream, or watching the recorded class session the next day and completing the class online. Most courses are six weeks in length requiring 15-19 hours of outside preparation each week for the average student.

Through the FLEXCampus[®], Dallas Christian College offers a B.S. in Interdisciplinary Studies and Bible, a B.S. in Practical Ministries (Ministry Leadership Track) and Bible, a B.S. in Business (Business Administration and Ethics Track) and Bible, the B.S. in Psychology and Bible, the B.S. in Business (degree completion), and the B.S. in Psychology (degree completion). Quest offers a B.S. in Interdisciplinary Studies and Bible, an A.A. in Humanities, a B.S. in Practical Ministries (Ministry Leadership Track) and Bible, a B.S. in Business (Business Administration and Ethics Track) and Bible, the A.A.S. Business, the B.S. in Psychology and Bible, the B.S. in Business (degree completion), and the B.S. in Psychology (degree completion).

REQUIRED STUDIES

Every degree plan at Dallas Christian College requires the General Education core. This curriculum includes courses from the Arts and Sciences and Bible.

All full-time students at DCC are required to take a minimum of one Bible or theology course each semester they are enrolled unless all Bible and Theology course requirements have been fulfilled.

Degree Completion Students must take a minimum of 12 hours in Bible or Theology while enrolled in the program (the Degree Completion Bible Core.) This is in addition to any Bible credits the student may have earned at DCC or any other institution prior to entering the program. Of the 120 hours needed to complete the degree, 39 must be at the upper-level (3000-4000).

Each major may have specific requirements within the General Education Core or Bible Core.

All students enrolled for six or more hours during the fall or spring semester are required to enroll in CHRS-1000 Developing Christian Influence.

GENERAL EDUCATION

The General Education curriculum emerges from the College's conviction that all students need an understanding of themselves, their world, and their community, combined with the ability to think and communicate effectively. This curriculum is required in all degree plans; this foundation prepares students to apply this knowledge in their major and to become people of godly influence who appreciate God's entire domain. The General Education curriculum, overseen by the Arts and Sciences Department, is built with reference to the Texas Core Curriculum.

General Education Learning Objectives

Students will:

1. Communicate effectively in writing, using coherent content and appropriate organization, style, and grammar for the subject and audience

ARTS AND SCIENCES DEPARTMENT

The Arts and Sciences Department brings together the breadth and depth of human learning in the arts and sciences at Dallas Christian College. This department includes the humanities, social sciences, mathematics, and the sciences at Dallas Christian College. Building upon the General Education curriculum, the Arts and Sciences Department oversees a major in Humanities (A.A.) and Interdisciplinary Studies (B.S.) and minors in English and history.

The Arts and Sciences Department contains two majors: the Humanities and Interdisciplinary Studies majors. Upon completion of the curriculum, the student will have mastered the following learning outcomes:

Humanities Learning Objectives (Associate of Arts)

Students will:

1. Articulate a biblically-informed Christian worldview drawing from their course work
2. Apply oral and written communications skills to effective presentation of broad-based general study courses
3. Identify problems, analyze, and develop solutions from a broad-based perspective

Interdisciplinary Studies Learning Objectives (Bachelor of Science)

Students will:

1. Integrate the advanced academic knowledge gained in their upper-level courses from their required biblical, theological, and elected coursework in the humanities and social sciences into their Christian worldview
2. Apply oral and written communications skills to effective presentation of advanced materials related to the chosen focus of study
3. Demonstrate critical thinking especially in the ability to integrate and critique knowledge across disciplinary boundaries

The Arts and Sciences Department offers a B.S. in Interdisciplinary Studies and Bible. This degree program requires 33 credit hours with 24 (12 upper-level) hours and a three-hour internship that applies classroom content to practical experience specific to the major. The area of the internship must have prerequisite study. The Interdisciplinary Studies major allows a student to pursue courses or an emphasis within the Arts and Sciences Department in either a programmed or individualized degree plan. These courses must fall in the business, humanities, or social science areas.

The Department also offers an A.A. in Humanities. This degree program requires 12 credit hours specific to the major.

The Arts and Sciences Department also offers minors in English and history. These minors require 18 credit hours with at least nine upper-level hours.

BIBLE DEPARTMENT

The Bible Department of Dallas Christian College prepares students for leadership ministry in a church or ministry setting. The department offers two degrees, the Bachelor of Arts and the Bachelor of Science. Students may choose from the following majors: Bible, Practical Ministries, and Worship Arts. Within the Practical Ministries degree are three tracks from which to choose: Intercultural Studies, Ministry Leadership, and the Youth and Family Ministry tracks. Within the Worship Arts degree are two track options: Worship Ministry Leadership or Music Ministry Leadership. The B.A. degree includes 18 credit hours (or more) of the Bible Core, 51 credit hours of the General Education which includes 12 hours of Bible/Theology, a minimum of 30 credit hours of the major, 12 credit hours of biblical language, and 15 credit hours (or more) of open electives. The B.S. degree includes 18 credit hours (or more) of the Bible Core, 51 credit hours of the General Education which includes 12 hours of Bible/Theology, a minimum of 30 credit hours of the major, and 21 credit hours (or more) of open electives. The Bible major is a second major for every bachelor's degree offered. If desired, the student may choose to pursue a third major or a minor in lieu of open electives. Minors available through the department include Biblical Languages, Church Education Ministry, Intercultural Studies, Ministry Studies, Preaching Ministry, Urban Studies, Worship Arts, Worship Arts (Music Track), or Youth and Family Ministry. The department in addition to the Bible major also offers the Bachelor of Science in Practical Ministry (Ministry Leadership Track) through the DCC FLEXCampus program.

The Practical Ministries major prepares students to minister in a local church, church-related context, urban or cross-cultural mission, or other ministry-related field. The Worship Arts major prepares a student for a worship or music ministry. Each degree provides the necessary foundation for continued studies in graduate school or seminary. The Bible Department encourages the Bachelor of Arts degree.

A three-hour field mentoring experience (Internship) is designed to provide application of classroom content and practical experience specific to the major is required for each of the degrees. Internship includes an intensive one-week on campus or three-week online orientation before entering the actual internship.

Upon completion of the major curriculum in Bible, Practical Ministries, or Worship Arts, the student will have achieved the following learning outcomes:

Bible Core Learning Objectives

Students will:

1. Demonstrate knowledge of the general content of the Bible.
2. Demonstrate understanding of core theological concepts
3. Competently exegete selected biblical passages.
4. Succeed in Bible Core classes.

Practical Ministries Learning Objectives (Bachelor of Arts and Bachelor of Science)

Students will:

1. Demonstrate understanding of ministries methodologies
2. Communicate effectively in various ministry contexts
3. Apply theology through varied practicums
4. Demonstrate the ability to exegete New Testament Greek, using appropriate scholarly aids. (Bachelor of Arts only)

Worship Arts Learning Objectives (Bachelor of Science)

Students will:

1. Demonstrate proficiency in their areas of concentration
2. Evaluate artistic expressions and performances using theological and aesthetic principles
3. Apply artistic, musical, and organizational skills in a comprehensive worship arts program for the church

Worship Arts-Music Ministry Leadership Track students have specific academic requirements, including passing proficiency exams in piano, voice, and a second applied instrument. Music Ministry students are required to enroll and receive a passing grade in choir for each semester in which they are classified as a full-time student, regardless of previous choir credit. Students in the Worship Arts degree plan are required to take choir in the consecutive order as outlined in the degree plan.

BUSINESS DEPARTMENT

The Business Department offers the Bachelor of Science degree in Business and Bible, the Bachelor of Science in Business (degree completion), and the Associate of Applied Science in Business. The curriculum equips the student with business and administration skills, while also providing a solid biblical foundation for Christian influence in the workplace.

The B.S. in Business and Bible offers two tracks from which to choose, Business Administration and Ethics or Sports Management. The major includes 18 credit hours from the Bible Core, 51 credit hours of General Education, 30 credit hours in the major, and 30 credit hours of open electives. If desired, the student may choose to pursue a third major or a minor in lieu of open electives. Included in the Business major is a three-hour internship designed to apply the classroom content to practical experience specific to the major. The internship includes an intensive one-week on-campus or three-week online orientation before entering the actual internship. The internship is arranged through the Office of Community in cooperation with the Business Department.

The B.S. in Business degree completion program offers students who are 21 or older and who have 45 hours or more of transfer credit the opportunity to concentrate on the Business major while still gaining a broad-based general education. The degree includes 30 hours including an internship in the major, 12 hours in the Bible Core, 38 hours of General Education, and 40 hours of open electives.

The Associate of Applied Science in Business prepares students to be people of influence in the workplace. It includes 15 credit hours in the Bible Core, 22 credit hours of General Education, 15 credit hours in the major, and 9 credit hours of open electives.

The A.A.S. and B.S. degrees are available through the Traditional and FLEXCampus[®] programs. In addition to the Business majors, the Business Department also offers a minor in Business.

Upon completion of the curriculum, students will have met the following learning outcomes:

Business Learning Objectives (Associates of Applied Science)

Students will:

1. Know the core content of Management
2. Demonstrate the ability to communicate effectively in a business context, using business technology
3. Be able to write a report that indicates a complete understanding of the special topic, reflects the impact on the responsibilities of the Human Resources department, and indicating the importance of Christian ethics with its impact of the topic

Business Learning Objectives (Bachelor of Science)

Students will:

1. Know the core content in each of the following functional areas of Accounting, Marketing, and Management
2. Demonstrate the ability to communicate effectively in a business context, using business technology
3. Be able to analyze organizational viability and potential actions, while expressing an understanding of the importance Christian principles play in the environment of the organization

PSYCHOLOGY DEPARTMENT

The Psychology Department at Dallas Christian College offers instruction in the social science field of psychology. The department offers the Bachelor of Science degree in Psychology and Bible, the Bachelor of Science in Psychology and Bible (Christian Life Coaching Track), and the Bachelor of Science in Psychology (degree completion). Upon completion of the curriculum, the student will have mastered the following learning outcomes:

Psychology Learning Objectives

Students will:

1. Know the history and fundamental concepts and theories of psychology
2. Demonstrate interpersonal and helping skills grounded in a Christian perspective
3. Be able to evaluate psychology theories and methodology critically from a Christian worldview
4. Be adequately prepared for graduate and professional training

The B.S. in Psychology and Bible requires 18 hours of Bible and theology courses, 51 hours of General Education (including 12 hours of Bible and theology), 31 credit hours in the major, and 29 hours of open electives. The Psychology major includes a three-hour field mentored experience (Internship) designed to apply classroom content to practical experience specific to the major. The area of the internship must have prerequisite study. The psychology major equips a student with the foundational tools in psychology and counseling from a biblical perspective. The degree prepares students to continue studies in graduate school. Students should note that any undergraduate degree in psychology is preparatory for graduate studies. NOTE: All licensing for psychology and counseling requires the minimum of a master's degree.

The B.S. in Psychology and Bible (Christian Life Coaching Track) requires 18 hours of Bible and theology courses, 51 hours of General Education (including 12 hours of Bible and theology), 37 credit hours in the major (including 12 hours in the track), and 23 hours of open electives. The Psychology major includes a three-hour field mentored experience (Internship) designed to apply classroom content to practical experience specific to the major. In addition to the Internship is a Practicum that is required in the track. The areas of the internship and the practicum must have prerequisite studies. The psychology major equips a student with the foundational tools in psychology and counseling from a biblical perspective. The degree prepares students to continue studies in graduate school. Students should note that any undergraduate degree in psychology is preparatory for graduate studies. NOTE: All licensing for psychology and counseling requires the minimum of a master's degree. Upon completion of the Christian Life Coaching Track, students are eligible to receive certification in Christian Life Coaching from His-Story Coaching Academy.

The B.S. in Psychology degree completion program offers students who are 21 or older and who have 45 hours or more of transfer credit the opportunity to concentrate on the Psychology major while still gaining a broad-based general education. The degree includes 31 hours including an internship in the major, 12 hours in the Bible Core, 38 hours of General Education, and 39 hours of open electives. NOTE: All licensing for psychology and counseling requires the minimum of a master's degree.

The Psychology Department also offers a minor in Psychology. This minor requires 18 credit hours with at least nine upper-level hours. Additionally, the 12-hour Christian Life Coaching Track is available as a post-baccalaureate program.

For more information, please contact the Psychology Department.

TEACHER EDUCATION DEPARTMENT

Dallas Christian College's Teacher Education program helps future teachers model Christian ethics through positive relationships and effective pedagogy in today's classrooms. The program prepares students for teaching in elementary, middle, or high schools, public or parochial. DCC offers a Bachelor of Science in Education and Bible with four tracks from which to choose: Elementary (Early Childhood-6 Grade), English Language Arts (7-12 Grades), Social Studies (7-12 Grades) or Music Education (Early Childhood-12 Grades).

Students must apply to be admitted into the Teacher Education program, typically the second semester of the applicant's sophomore year. Applications are to be completed and submitted by October 1 to begin the admission process. All students, once accepted into the program, must make an appointment with the Teacher Education Department Chair for coursework advising.

Admission criteria into the Teacher Education program is:

- 2.75 cumulative GPA
- 3.00 content GPA
- Minimum of 12 credit hours in the content area (English Language Arts, Music, or Social Studies)
- A grade of B+ or better in ENGL-1310, ENGL-1320, and SPCH-2310
- Completed Teacher Education Program Application
- Submitted teaching philosophy (must be typed, 12-point font, double-spaced)
- Three completed candidate evaluations
- Completed program sheet for advisement
- Complete the Texas Higher Education Assessment® (THEA) with a minimum score of 230 in reading, 230 in mathematics, and 220 in writing
- Scheduled admissions interview

Upon completion of the Teacher Education program, graduates will have met the following learning outcomes.

Teacher Education Learning Outcomes

Students will:

1. Demonstrate their understanding of instructional planning and delivery by providing standards-based, data-driven, differentiated instruction that engages students, makes appropriate use of technology, and makes learning relevant for today's learners
2. Work to ensure high levels of learning, social-emotional development, and achievement outcomes for all students, taking into consideration each student's educational and developmental backgrounds and focusing on each student's needs
3. Exhibit a comprehensive understanding of their content, discipline, and related pedagogy as demonstrated through the quality of the design and execution of lesson plans and their ability to match objectives and activities to relevant state standards
4. Interact with students in respectful ways at all times, maintaining a physically and emotionally safe, supportive learning environment that is characterized by efficient and effective routines, clear expectations for student behavior, and organization that maximizes student learning
5. Use formal and informal methods to assess student growth aligned to instructional goals and course objectives and regularly review and analyze multiple sources of data to measure student progress and adjust instructional strategies and content delivery as needed
6. Consistently hold themselves to a high standard for individual development, pursue leadership opportunities, collaborate with other educational professionals, communicate

regularly with stakeholders, maintain professional relationships, comply with all campus and school district policies, and conduct themselves ethically and with integrity

7. Evidence knowledge of both public and private educational philosophy and systems

The course of study includes a specifically developed teacher preparation curriculum for each program track, Association of Christian School International (ACSI) and state-approved field observations in accredited schools (total of 60 hours), pre-student teaching and student teaching experiences (total 760 classroom hours), and participation in professional development opportunities. As a part of the program, candidates have specific academic requirements in order to complete the program and to be issued a Texas Teacher Certificate and/or ACSI certification. In order to complete the program, the candidate must:

- Earn a B+ or better in all EDUC courses
- Complete a 30-hour field observation component as a part of EDUC-3310
- Complete a 30-hour field observation component as a part of EDUC 4309
- Complete a minimum of 160 field hours in pre-student teaching
- Complete a portfolio at the conclusion of pre-student teaching semester
- Pass the respective TExES content test before continuing into student teaching semester
- Complete a minimum of 12 weeks in a student teaching placement
- Complete a student teaching portfolio at the conclusion of the student teaching semester
- Pass the Pedagogy and Professional Responsibilities (PPR) exam

NOTE: Candidates may not work as a substitute teacher while completing the student teaching requirement. Upon successful completion of the program, the teacher candidate will be recommended for certification to the Texas Education Agency (TEA) and the State Board of Educator Certification (SBEC).

Music Education students have additional academic requirements, including passing proficiency exams in piano, voice, and a second applied instrument. They are also required to enroll and receive a passing grade in choir for each semester in which they are classified as a full-time student, regardless of previous choir credit.

LIFESTYLE

Dallas Christian College by its very nature provides a two-fold environment. First, it is a Christian college where men and women prepare themselves to serve God as ambassadors. Second, it is a family composed of students, staff, faculty, and administration. Since Christianity demands development of the whole person, DCC provides opportunities in both academic and social development.

The central building on campus is the three-story administration building, which houses the chapel, classrooms, library, computer labs, student lounge, and administration and faculty offices. These academic facilities provide outstanding opportunities in study and research vital for developing people of influence.

The remaining four buildings on DCC's 22-acre campus provide a nucleus for social development. Single men and women have separate residence halls: Newland Hall and Winslow Hall, respectively. The Redman Gymnasium includes a basketball court, volleyball courts, and dressing rooms. There are also a baseball field, soccer fields, and other open fields for general athletic activities. The cafeteria provides meals to meet a variety of tastes; both food and atmosphere promote fellowship among students and faculty. Wallace's, a student lounge and coffee bar located on the third floor of the administration building is a center for students and faculty to relax, fellowship, and experience opportunities for mentoring.

All the facilities, activities, and educational opportunities at DCC focus on the assumption that people preparing for service should grow in wisdom and in stature and in favor with God and men (Luke 2:52). Therefore, in training the whole person, DCC emphasizes social, spiritual, and academic development.

A basic goal of education at DCC is the development and growth of the higher qualities of life in every student. As a foundation of this goal, DCC encourages students to exemplify Christ in all aspects of life in attitudes, principles, and behavior.

The College aims to keep DCC as free as possible from any destructive elements that might hinder the best possible growth in Christian maturity and service. Students assume responsibility for abiding by the regulations of the College and for using discretion in relation to any activities which may be spiritually or morally destructive. Use of illicit drugs, alcohol, tobacco, electric cigarettes, or any smoking device is not permitted.

HOUSING

All single students under the age of 21 not staying with parents or guardian must live in one of the residence halls, sharing together in this phase of the DCC community. Students desiring to live off campus must apply to the Dean of Students. Each air-conditioned room is designed for two students, with two-room suites sharing private bath and toilet facilities. The student furnishes linens, is responsible for the appearance and care of the room, and shares in the general housekeeping of the residence hall. Televisions, microwaves, and refrigerators are allowed. If available, private rooms require permission of the Resident Director and are provided at added expense.

A residence hall reservation and damage fee is required to reserve a room. This fee is used to defray the cost of extraordinary damage caused by improper care of the residence hall. Room reservations should be submitted by July 1. Should students leave the College or move out of the residence hall prior to the end of the semester, it is considered a breach of the lease and there will be no refund.

The residence halls at DCC foster a culture unique to young men and women. Accordingly, DCC does not permit students over 26 years of age to live in the residence halls. The Dean of

Students and the Residence Director may make exceptions under certain circumstances. Generally, however, students older than 26 years of age should make alternative housing arrangements.

FOOD SERVICE

The College cafeteria serves three meals per day Monday through Friday and two meals on Saturday for residents, off-campus students, faculty, and guests. A continental breakfast is served during the breakfast hour. Lunch is served Monday through Friday, with continuous service throughout the day. Dinner is served Monday through Saturday. Brunch is served on Saturdays. In addition, a late night breakfast is served Thursday nights. No meals are scheduled when classes have been dismissed for announced holidays. The last meal served before a holiday will be lunch. A student living in the residence hall is required to be on the meal plan.

DEVELOPING CHRISTIAN INFLUENCE

DCC is a place for growing in relationship with God. Believing that campus life outside the classroom plays just as important a role in the spiritual growth of the students as what happens in the classroom, DCC strives to provide an environment to enhance such growth. Weekly devotions are provided for campus residents. Chapel services are conducted weekly for daytime students, and the message of each chapel service is recorded and is available online at www.dallas.edu. In addition, traditional daytime students attend spiritual formation, mentoring, and life-skills sessions called *Illuminate!*

Christian service is central to a person living a life of influence, under God's influence. Dallas Christian College thus requires enrollment in CHRS-1000 Developing Christian Influence for all students as required by the Association for Biblical Higher Education and as described in the DCC Student Handbook, which is available online at www.dallas.edu. A record of each student's Christian service is kept. Such Christian service involvement is required for graduation as stated in the requirements for graduation. Students are required to receive a passing grade in CHRS-1000 Developing Christian Influence for every semester in which they take six or more hours of classes.

CHRS-1000 Developing Christian Influence consists of three parts for non-traditional students and four parts for traditional (daytime) students. Requirements of each part vary depending on the student's program and the way they take the majority of their classes: e.g. traditional or non-traditional.

First, students are required to participate actively in their face-to-face community of faith. Traditional students are required to attend DCC chapel services held on campus twice each week. Non-traditional students are required to attend church services and reflect on how they are applying what they are learning at DCC to their faith community.

Second, students are required to complete and report on Christian service hours throughout their tenure at DCC. Opportunities abound for involvement in community service (e.g., hospital visitation, working with underprivileged youth, rest homes, and special programs) or church service (e.g., Bible study classes, surveys, visitations, youth groups, and student preaching).

Third, in accordance with DCC's mission to educate and mentor, students are required to participate in DCC's mentoring program designed for traditional or non-traditional students. Traditional students have a day each week dedicated to mentoring, life skills, and spiritual formation (*Illuminate!*). Although non-traditional students take part in the mentoring program, the activities are

not scheduled on a specific day of the week. Rather, the mentoring plan for these students is organized to allow them to fulfill the requirements on a more flexible schedule.

Fourth, traditional students are required to participate in Service Days each semester organized by the Student Development Office. FLEXCampus, Quest, and online students are welcome to participate in these activities but should notify the Student Development Office prior to the event.

CHRS-1000 Developing Christian Influence is described more fully in the DCC Student Handbook. While these requirements appear at first to be above and beyond the necessary academic work, they are at the heart of preparing for a life of service and influence. There is no better way to apply material learned in the classroom than to serve regularly while at DCC.

ACTIVITIES AND ORGANIZATIONS

STUDENT GOVERNMENT

Students sponsor many activities and projects during the school year. Socials, intramural competitions, assemblies, and other events are planned and carried out by the student body under the student government. The student government provides valuable assistance in the operation of campus-hosted social and ministry events. The student government also serves as a sounding board and advisory panel for the College. Officers and representatives elected by the students help make DCC a community of involved, committed, and joyful Christians.

MUSIC AND WORSHIP

Worship at Dallas Christian College is centered around a corporate experience that forms and shapes the individual worshiper into the likeness of Christ. It is assumed that worship moves from the classroom to the Chapel, and then into the local community and the world.

Music is an important element in life, worship, evangelism and personal growth. To that end DCC encourages the development of musical ability and worship leading skills. The Worship Arts program is designed to equip students to lead others in worship and to communicate God's story effectively while growing personally in one's relationship to God.

The Concert Choir, open to all students, presents a message in a variety of song genres while increasing musical skills. The Concert Choir presents an annual Christmas Dinner Theater each December and takes a Kingdom Week Tour every other school year (during Spring Break). Various Chapel programs and weekend performances are also scheduled throughout each semester.

ATHLETICS

Development of the whole person involves the body as well as the mind. Therefore, DCC offers both indoor and outdoor physical activities. Athletic facilities on campus include athletic fields and a gymnasium. Through intramurals, campus tournaments, and social activities, DCC students have many opportunities to stay physically active.

Dallas Christian College is a member of the National Christian College Athletic Association (NCCAA). DCC competes in intercollegiate men's basketball, women's basketball, men's soccer, women's soccer, men's baseball, and women's volleyball. Through such avenues, students have the opportunity to use their athletic skills to minister to each other and to their opponents.

Students participating in varsity sports must enroll for PHED-1111 or PHED-1121 for credit.

OUTREACH

Dallas Christian College is committed to serving the church. Many opportunities for practical experience are available to give the student the opportunity to preach, teach, lead in worship, and gain valuable leadership experience. Summer outreach teams travel throughout the summer. Many students also participate in summer, semester-long, year-long, or extended field experiences (for-credit internships and non-credit ministry experiences). The College experiences a campus-wide day of service each semester, which gives students, faculty, staff, and administration the opportunity to serve the community together.

HEALTH INFORMATION

In Dallas Christian College's effort to encourage students to maintain a healthy lifestyle, it has certain requirements and recommendations. Below are detailed those health requirements and recommendations.

BACTERIAL MENINGITIS VACCINATION REQUIREMENT

Per State legislation effective January 1, 2012, all entering Texas college students must receive a vaccination or booster (if the vaccination is five years old) against bacterial meningitis before enrollment in accordance with *Texas Education Code*, Section 51.9192.

The vaccine or booster is required for entering students at Texas public and private colleges, living both on- and off-campus.

- An entering student is a new student or a student who has had a break of enrollment for one or more fall or spring semesters. Summer semester is not included as a break in enrollment.
- Transfer students are considered entering students. Transfer students may request an official memo stating proof of vaccination (within the last five years) from their previous institution and submit with the vaccination requirement form.
- Students who are enrolled only in online courses are exempt.
- Entering students 22 years of age or older are exempt (SB 62, effective October 1, 2013).

The student, or parent or guardian of the student, must provide an official immunization record or other required documentation listed on the form, showing the student has received the bacterial meningitis vaccination or booster during the five-year period prior to enrollment, and **not less than 10 days before the first day of classes**.

Entering students will be unable to complete registration until the paperwork is received and reviewed.

Questions concerning the bacterial meningitis requirement and forms should be directed to the Office of the Registrar.

HEPATITIS B VACCINATION REQUIREMENT

A Hepatitis B vaccination is required for students enrolled in a course of study that involves potential exposure to human or animal blood or bodily fluids in accordance with *Texas Education Code*, Section 51.933.

RECOMMENDED TUBERCULOSIS (TB) SKIN TEST

DCC recommends all students have a PPD **Mantoux** TB skin test or a chest X-ray to rule out TB, prior to registration for the first semester at DCC. The student is responsible for having the required testing and it is at his/her expense.

RECOMMENDED IMMUNIZATIONS

The following vaccines are recommended but not required:

- Hepatitis A and B
- Influenza (flu)
- Measles, mumps, rubella (MMR) - 2 doses (required for international students)
- Tetanus, diphtheria, pertussis (Tdap)
- Varicella (chicken pox)

For more information, please contact the Student Development Office.

STUDENT HEALTH INSURANCE

DCC recommends all students carry personal health insurance. DCC will not assume financial liability for medical treatment and hospital services. Most students are protected for medical and hospital claims through family insurance programs. For students not covered under such a plan, information regarding health insurance options is available in the Student Development Office. Premium payments are the responsibility of the individual student.

All students participating in intercollegiate athletics are required to show health insurance coverage in an accident and hospitalization program before being allowed to engage in athletic competition.

WALLACE'S STUDENT LOUNGE

Wallace's Student Lounge offers a coffee bar and campus store on the third floor of the administration building. It also provides a center for students and faculty to fellowship and enhances mentoring opportunities. The student lounge includes a home theatre system, a computer center, games and entertainment, and an area to relax from the rigors of study.

VIRTUAL BOOKSTORE

The Dallas Christian College Virtual Bookstore is available to meet students' textbook needs. Visit the DCC website at www.dallas.edu/bookstore. For most textbooks, options offered are new, used, e-book, and rental. Full instructions are listed on the Virtual Bookstore home page.

Students should plan to spend between \$450-550 per semester for books and supplies. Students receiving financial aid and choosing to use financial aid funds for bookstore purchases must request a book allowance in the Financial Aid Office or by e-mail at fa@dallas.edu. Book allowances can only be used to purchase books on the Virtual Bookstore site. Students who do not receive financial aid or who choose not to use financial aid funds can make their purchases using a credit card or check.

Students may also sell books back to Virtual Bookstore, either through the Virtual Bookstore website or at an on-campus buyback at the end of each semester.

While at DCC, students are encouraged to take every opportunity to develop a personal library for use in future Christian service. Therefore, in addition to course-related books and supplies, the DCC Virtual Bookstore sells books recommended by professors for additional study.

COURSE DESCRIPTIONS

**COURSE NUMBERING
COURSE CATEGORIES**

COURSE NUMBERING

Numbering code: Letters preceding the number indicate curricular area. The first digit of the four numbers indicates class level. The second digit indicates number of credit hours. The third and fourth digits differentiate courses. Courses with a Texas Common Course Number (TCCN) listed indicate courses transferable to Dallas Christian College for that particular course assuming the course is applicable to the degree plan and meets all other transfer requirements.

DEGREE COMPLETION PROGRAM***

**DEGREE COMPLETION INTRODUCTION
ADMISSIONS INFORMATION
DEGREE COMPLETION DEGREE PLANS**

DEGREE COMPLETION INTRODUCTION

Dallas Christian College seeks to educate and mentor students to be people of influence, under God's influence, for a life of influence. DCC recognizes that many adult students who have completed multiple semesters of college work often need to finish a bachelor's degree in an accelerated manner that better suits their life circumstances and learning style. In order to meet the needs of this special student demographic, DCC offers a Degree Completion Program with a Bachelor of Science degree in Biblical Ministry, Business, Interdisciplinary Studies, or Psychology.

As with all other degree programs offered at DCC, the Degree Completion Program meets Association for Biblical Higher Education (ABHE) requirements of a balanced curriculum in Bible, general studies, and specialized or professional studies.

The program begins with a foundation of 18 hours of Bible and Theology courses. Since God is the source of all wisdom, knowledge, and understanding, and since all of creation is His, education logically begins from Him. In light of this, all courses of the College begin from the assumption that all true knowledge, biblical and otherwise, comes from God and should be judged in light of His word.

The General Education curriculum emerges from the College's conviction that all students need an understanding of themselves, their world, and their community, combined with the ability to think and communicate effectively. This core curriculum is required in all degree plans. It prepares students to apply this knowledge in their major and to become people of godly influence who appreciate God's entire domain.

The B.S. in Biblical Ministry is offered by the Bible Department. It offers a balanced curriculum of an additional 12 hours of Bible and Theology courses along with practical ministry coursework that prepares the student for various ministry fields. Students may also pursue graduate or seminary work upon completion of the program.

The B.S. in Business is offered by the Business Department. It offers a broad-based curriculum that prepares the student for general business endeavors. The department also offers a B.S. in Business with a track emphasizing Sports Management. Students may also pursue graduate work upon completion of either program.

The B.S. in Interdisciplinary Studies is offered by the Arts and Sciences Department. It offers the flexibility of two areas of concentration within the major. This allows the student with varied interests to blend those interests into one major. The degree prepares students with a broad-based knowledge of various disciplines for a career or for graduate studies.

The B.S. in Psychology is offered by the Psychology Department. The degree serves as a foundational undergraduate degree preparing students for church and para-church ministries and for graduate professional studies. Additionally, the department offers the degree with a Life Coaching track. The distinct program prepares students for church and para-church ministries, specifically in the area of Christian Life Coaching, and for graduate studies.

This program is available through Traditional daytime classes, or through FLEXCampus[®], with classes available Online or face-to-face (Quest.) DCC FLEXCampus[®] offers the flexibility of participating in the classroom, participating live via web conference, or watching the recorded class session the next day and completing the class online. Most FLEXCampus[®] courses are six weeks in length, requiring 15-19 hours of outside preparation in addition to the 3.5 hours of class time each week for the average student. Quest courses normally meet one night per week for four hours over the six weeks.

REQUIRED STUDIES

Every degree plan at Dallas Christian College requires the General Education core. This curriculum includes courses from the Arts and Sciences and Bible.

All full-time students at DCC are required to take a minimum of one Bible or theology course each semester they are enrolled unless all Bible and Theology course requirements have been fulfilled.

Degree Completion Students must take a minimum of 12 hours in Bible or Theology while enrolled in the program (the Degree Completion Bible Core.) This is in addition to any Bible credits the student may have earned at DCC or any other institution prior to entering the program.

Each major may have specific requirements within the General Education Core or Bible Core.

Of the 120 hours needed to complete the degree, 39 must be at the upper-level (3000-4000).

All students enrolled for six or more hours during the fall or spring semester are required to enroll in CHRS-1000 Developing Christian Influence.

DEGREE COMPLETION ADMISSIONS INFORMATION

Dallas Christian College (DCC) seeks students who are committed to academic excellence and to serving God and advancing his Kingdom. The mission of the College is to educate and mentor students to be people of influence, under God's influence, for a life of influence. Whether in or out of the classroom, faculty and staff mentor and disciple each student to be an influence both locally and around the globe, regardless of the vocational path.

All prospective students including degree completion program students who wish to apply are encouraged to do so online at www.dallas.edu/admissions.

DEGREE COMPLETION (TRADITIONAL AND FLEXCampus™) ADMISSIONS

The Office of Adult Admissions holistically evaluates each application for admission. Applicants who do not meet some of the admissions criteria are encouraged to continue with the admissions process. Please contact an admissions representative if there are any questions about the admissions process or eligibility for admissions.

Admissions Criteria

Adult students who meet the following criteria are encouraged to apply for the Degree Completion Program:
