

**GREETINGS FROM
PRESIDENT RUBECK**

Dallas Christian College is a place where students dream and plan for their futures. We also dream. Our dream is for the impact you will have on this world.

“Dallas Christian College educates and mentors students to be people of influence, under God’s influence, for a life of influence.”

That is our mission! To fulfill it, we have created a unique blend of programs to equip you for your chosen field of service. Our academic programs combine excellent professors in their fields, Biblical foundations, and ample opportunities for supervised experience. DCC’s mentoring begins in the classroom and permeates all student activities, from academic tutoring and life coaching to spiritual formation and professional development.

This distinctive combination of Biblical studies, service-learning, and mentoring provides a dynamic environment where students will grow academically and spiritually toward lives of influence.

Within these pages are the answers to many of your questions about the programs of DCC. More importantly, if you are on a quest to live a life of influence, this is the place for you.

May God bless your days in this place.

In His Service,

A handwritten signature in black ink, which appears to read "Dustin D. Rubeck". The signature is stylized and written in a cursive-like font.

*Dustin D. Rubeck
President*
