Be sure to explain any change in income or resources for this current year. You will need to attach documentation concerning your claims, such as check stubs, tax returns, etc. If you are seeking to be declared an independent student, you must provide proof of car and medical insurance, a lease agreement for housing, a copy of parent's tax return, and a letter from your family stating their non-support of your expenses. The Financial Aid Office will send you a separate sheet listing everything needed to be declared independent.
