## GREETINGS FROM PRESIDENT RUBECK

For more than half a century, Dallas Christian College has been a place where men and women have come to dream about their places in the kingdom. More than that, it has been the place where they were actually equipped to fulfill those dreams.

Within these pages are the answers to many of your questions about the offerings and services of DCC. But if you are on a dream quest, this catalog holds much more than information it holds the beginnings of a roadmap to fulfill God's dream in your life. Our faculty and staff are uniquely equipped and fully committed to guiding you on this quest.

We hope your time here will be filled with learning and the creation of lifelong friendships. Greater still, we pray you will encounter true Wisdom - the ability to see through the eyes of God. Once you have found this gift, God will open your eyes to a life you cannot even imagine!

Welcome to the journey. May God bless your days in this place. . .and may you find Wisdom here.

In His Service,

Dustin D. Rubeck
President

## HISTORY

Near the midpoint of the twentieth century, many Texas Christians recognized the need for leadership in their churches and for starting new churches. On May 10, 1949, former missionary Vernon Newland met with forty concerned Texas church leaders. They discussed establishing a Bible college in Texas to train leaders for Christian ministry in the tradition of the Restoration Movement (Stone-Campbell Movement). Dallas Christian College (DCC) thus opened for classes on September 12, 1950, to educate the evangelistic leadership of Texas and the Southwest.

DCC has flourished over the years. It has grown from two downtown Dallas locations to its third location, on twenty-two acres in the historic northwest Dallas county community of Farmers Branch. With over three thousand students in DCC's history, many graduates serve in various ministries throughout the nation and the world.

Many outstanding Christian men and women have served DCC as trustees, faculty, staff, and administration. The College has been blessed by the following men who have served as President: Vernon M. Newland (1950-1952, 1964-1968), J. Thomas Segroves (19521960), Harold D. Platt (1963-1964), E. Dean Barr (1968-1973), Melvin M. Newland (1973-1981), Charles A. McNeely (1982-1984), Gene R. Shepherd (1985-1994), Keith H. Ray (1995-1998), John L. Derry (1998-2003), and presently Dustin D. Rubeck (2004- ).

Currently, DCC offers bachelors degrees with a double major in Bible and in a professional field of study. Students combine the double major with general studies courses from a Christian world view and core courses in ministry. The College provides instruction in three different formats: (1) Traditional day and evening classes requiring the double major; (2) The Quest adult degree-completion program, which began in 1995 and presently offers three degrees: Ministry and Leadership, Management and Ethics, and Education and Ethics; and (3) DCC On-Line which provides distance students the opportunity to earn a degree in Ministry and Leadership via the Internet.

In 2003, the State of Texas authorized DCC to offer an alternative teacher certification program. This ACCESS program permits students with a bachelor degree the opportunity to earn public school teacher certification by attending an eight-week block of instructional courses, followed by supervised teaching in the public school system for a year.

DCC students participate in an active program of Christian service and chapel attendance. They serve in volunteer, internship, and full-time capacities at area churches and on ministry teams of praise and proclamation to churches, youth groups, and the inner city. Also, DCC faculty and staff lead in their home congregations, provide counsel to Metroplex churches, and speak throughout Texas and the Southwest.

Dallas Christian College strives to meet the educational needs of an increasingly diverse student body and to encourage leadership of churches and Christian organizations in Texas, the Southwest, and around the globe. With the Spirit's guidance, DCC serves Christ in the hope of building God's kingdom.

## STATEMENT OF FAITH

All regents, faculty members, and other persons acting as recognized representatives of this institution shall be willing sincerely to affirm and contend for the following statement:

> That the Bible or Holy Scriptures alone is the divinely inspired Word of God, and therein is contained the revelation of the deity of Jesus Christ, the plan of salvation for mankind, and the faith and work of the Church; furthermore, that the testimony of such Scriptures testifies to prophecy concerning His advent, virgin birth, miraculous life, blood atonement, bodily resurrection, ascension into heaven, and final return, and is expressly and historically true in the commonly accepted meaning of the terms; in addition, that the Church of the New Testament ought everywhere to be restored with its divine plan of admission: faith, repentance, and baptism, with consequent godly life; and finally, that the Scriptures are wholly sufficient to build the kingdom of God.

The college's Biblically oriented and Christ-centered instruction emphasizes spiritual concerns, loyalty to the historic ideals of the Restoration Movement, and the unity of all Christians.

## MISSION STATEMENT

Dallas Christian College educates students for Christian leadership in the church, community, and world.

## INSTITUTIONAL GOALS

The following institutional goals support the mission of DCC and reflect the specific objectives generated by the trustees, administration, faculty, and staff:

1. Foster spiritual, intellectual, and professional excellence
2. Provide students with ministry and leadership experiences
3. Participate with the church and community to promote the mission of the church
4. Develop and manage fiscal and physical resources responsibly

Dallas Christian College is committed to preparing these examples of leadership:

- Ministers for local churches
- Missionaries for cross-cultural ministries
- Workers for para-church ministries
- Teachers for public and private schools
- Employees with a Christian world view for the business environment

## PROGRAM OBJECTIVES

After completing a program of Biblical, professional, and general courses, graduates of Dallas Christian College should achieve the following:

1. Know the general content of the Bible
2. Understand basic theological and ethical concepts
3. Apply exegesis to selected Biblical passages
4. Understand basic concepts and methods in one's professional context
5. Apply leadership skills in one's professional context
6. Know the core content of various general-studies disciplines
7. Integrate understanding from various disciplines
8. Apply knowledge and understanding creatively, constructively, and compassionately
9. Communicate effectively in speaking and writing
10. Develop moral appreciation of self, others, cultures, and nature

## ACADEMIC RECOGNITION

## OTHER POLICIES

## INCORPORATION

The name "Dallas Christian College" is the property of Dallas Christian College, incorporated in the State of Texas on February 16, 1950. The College name and associated seals and logos may not be used or reproduced in media of any form without the approval of the college administration and the express written permission of the president of the College.

## GOVERNANCE

Dallas Christian College is supported by independent Christian Churches and Churches of Christ, a non-denominational fellowship with a heritage that began in the early 19th century known as the "Restoration Movement." The plea of this movement is the restoration of New Testament Christianity through a commitment to the authority of the Bible as God's word and to the unity of God's people.

The College is governed by a Board of Trustees (see list in the Administration Section), charged with the oversight of the College by establishing policies relative to fiscal matters, educational programs, and physical facilities. A Board of Regents, composed of representatives from supporting churches and other interested persons, serves as an advisory body to the Board of Trustees. The Board of Trustees select the President who is responsible for the daily operation of the College.

## PRINCIPLE OF EQUAL OPPORTUNITY

Dallas Christian College does not discriminate on the basis of race, color, sex, age, national origin, handicap, or veteran status in any aspect of its programs and activities, including admission or access to, or treatment or employment therein.

## PRINCIPLE OF EQUAL EDUCATION POLICY

In compliance with Title VI and Title IX, complete equality exists in the offering of all benefits to students without regard to sex, race, color, or national origin.

## STUDENT RIGHT-TO-KNOW AND CAMPUS SECURITY ACT

Dallas Christian College is in compliance with the Student Right-To-Know and Campus Security Act, Public Law 101-542. Any individual desiring student right-to-know information should contact the Academic Office or for campus security information contact the Vice President for Student Development.

## PRIVACY OF INFORMATION

Under the Family Educational Rights and Privacy Act of 1974, the following is designated as directory information and may be made public unless the student desires to withhold it:

Student's name, local address, home address, telephone listing, date and place of birth, major field of study, military service status, religious preference, participation in officially recognized activities and sports, dates of college attendance, degrees and awards received, and all educational agencies or institutions previously attended by the student.

## GRADUATION AND PLACEMENT RATES

Dallas Christian College has had over 850 graduates during its 54 -year history. During that time, over 3,700 students have attended DCC for at least one semester.

In the last few years, there has been a major emphasis on the graduation rate of the student. This means the incoming freshman completed his/her course of study within six years of their entrance date. Using this criterion, the current graduation rate of the freshman class in 1999 at DCC is $30 \%$. The graduation rate of transfer students is $47 \%$.

Another area of major concern during the 1990's has been whether the education that a college student receives has prepared him/her to work within their chosen field of employment. DCC has a placement rate of $77 \%$ of its most recent graduates. It should be noted that individuals change careers from time to time, causing this number to change on a regular basis. We are pleased to note that an additional $30 \%$ of the graduates of DCC are enrolled in various graduate schools.

ADMISSIONS \& FINANCIAL INFORMATION

ADMISSION REQUIREMENTS FINANCIALAID FEDERAL PROGRAMS SCHOLARSHIPS
FINANCIAL INFORMATION

## ADMISSION REQUIREMENTS

Dallas Christian College offers a distinctly Christian curriculum and environment. All interested in attending Dallas Christian College are encouraged to visit the campus and explore the many opportunities. Appointments should be made through the Office of Admissions. Dallas Christian College does not discriminate on the basis of age, sex, race, color, or national and ethnic origin in educational policies, admission policies, scholarship and loan programs, or in other school-administered programs.

New students should complete and return the application materials found within the application packet. Application packets are available on request by contacting the Office of Admissions. Electronic filing is also available through the web page at www.dallas.edu. Early application is strongly recommended. Students should contact the Office of Admissions with any questions concerning the application process.

## HIGH-SCHOOL GRADUATES

High-school (or home-school) graduates are encouraged to apply by following these steps in the admissions procedure:

1. The student should request from the Office of Admissions an application packet containing application, reference forms, and transcript-request forms.
2. The student should then return the completed application along with an application fee of $\$ 40.00$ to the Office of Admissions.
3. The application will go before the Admissions Committee for review when the following materials have been received and are on file: academic transcript from high school or home-school agency, ACT or SAT scores*, and two personal references. If one has graduated from a home-school program, a GED score may be required if standardized scores are not consistent with one's published high-school grade-point average. The Admissions Committee may request a personal interview under certain circumstances.
*If a student is 25 or older and has not taken the ACT or SAT test, the student may petition the Admissions Committee to waive the ACT or SAT score requirement.
4. The Office of Admissions will notify the applicant of his or her application status once a review is complete. The final acceptance of a student is subject to the successful completion of high school. Conditional acceptance is granted until that time.
5. All students accepted to Dallas Christian College must pay a $\$ 200$ enrollment deposit. If the student attends Dallas Christian College, the funds will be applied to the student's account. However, if the student does not attend Dallas Christian College, the student must inform the Office of Admissions by June 1 (for fall enrollment) and November 1 (for spring enrollment) in order to
receive a refund. No refunds will be made after that time.

## NON-HIGH-SCHOOL GRADUATES

Non-high-school graduates, nineteen or older, will be permitted to enroll if the student has followed the previously mentioned steps of admission and has obtained a GED and completed the ACT or SAT. The student may qualify to be a degree-seeking student if the minimum freshman grade-point average is achieved at the end of the first semester enrolled. The GED and ACT or SAT test must be completed before full admission to the college is granted. Please note: To qualify for financial aid, a student must have graduated from high school or have passed the GED.

## TRANSFER STUDENTS

A student wishing to transfer from another college may apply for admission to Dallas Christian College, following the previously listed steps of admission, the student is in good social standing with the college or university previously attended, is eligible for readmission, and has paid in full all financial obligations. The student must have maintained a minimum 2.0 on a 4.0 scale in order to be eligible for degree-seeking status. Transcripts of grades and credits from all previous colleges and universities should be in the Office of Admissions at least three weeks before the semester attending.

## NON-DEGREE-SEEKING STUDENT

Non-degree-seeking students are those who are not seeking a degree at Dallas Christian College or who are not eligible for degree-seeking status. These students may be in one of the following categories:

Transient Students. These are students who are not seeking a degree at Dallas Christian College, but wish to take courses for personal enrichment and growth, or who are seeking certification or a degree at another institution. After 24 hours, they must file a degree plan with the Academic Office. In some instances, a student may be required to show academic verification or capability in order for certain courses to be taken.

Audit Students. These are students who wish to take a college class for no credit. Tuition cost will be one half of the normal tuition.

## INTERNATIONAL STUDENTS

International students must meet regular admissions requirements and submit the following information to the Office of Admissions before being accepted to the college:

- Test of English as a Foreign Language (TOEFL) score of 550 or above (paper-based test) or score of 213 (computer-based test). Scores more than two years old will not be accepted.
- Test of Written English (TWE) score of 4.5 or above. Scores more than two years old will not be accepted.
- Financial Arrangement Agreement form.
- A letter of commitment from those financially responsible while the applicant is a student at Dallas Christian College. This commitment must also guarantee a payment for a return-trip ticket.
- A written statement in English explaining the reasons the applicant is seeking admission to Dallas Christian College and stating plans after degree completion.
- A recommendation from a church or Christian agency (in addition to the two references required for regular admittance).
- A picture must be submitted with the admissions application.
- A Transfer of Eligibility form from the U.S. instution which you are transferring (if applicable).
An I-20 form will be filled out and issued to the student for their admission into the U.S. only after all admissions materials have been submitted and the student has been full accepted to the institution. All forms and admission steps must be completed 60 days before the beginning of the semester. All tuition and fees must be paid at the beginning of each semester. Applicants must abide by the regulations of the Immigration and Naturalization Service, in every respect, or be subject to dismissal from Dallas Christian College.

## FINANCIAL AID

The primary use of financial aid is to assist students who, without such aid, would be unable to attend DCC. Financial aid may include scholarships, grants, participation awards, loans, and part-time employment, any of which may be awarded singly or in various combinations but the total of which does not exceed the cost of education.

DCC assumes that the student is the primary and responsible source for meeting educational costs. Students are expected to defray part of their expenses by contributing their savings or summer earnings or both. Parents are expected to contribute toward the cost of education, unless the student is determined to be totally independent of family. The actual amount of contribution expected from parents is determined by such circumstances as family income, total assets, and number of dependents.

All new and continuing students must establish financial need annually in order to receive financial aid. Requests for information and awards should be directed as follows:

Financial Aid Office<br>Dallas Christian College<br>2700 Christian Parkway<br>Dallas, TX 75234-7299

(972) 241-3371, Ext. 105 or 142
(800) 688-1029, Ext. 105 or 142
finaid@dallas.edu

## FEDERAL PROGRAMS

To qualify for any of the federal programs, the student must demonstrate financial need by submitting the Free Application for Federal Student Aid (FAFSA) to the Financial Aid Office. The student must be accepted to DCC and enrolled as a regular student in an eligible degree or diploma program. The student is also expected to make satisfactory academic progress toward completion of the program of study and to comply with other requirements of the federal program. The amount of aid cannot exceed the cost of education. DCC participates in the following:

Federal Pell Grant. Pell eligibility is determined by the completion of the Free Application for Federal Student Aid (FAFSA).

Federal Supplemental Education Opportunity Grant (SEOG). SEOG is a grant for students demonstrating exceptional need. Funds are limited, with high Pell Grant recipients given first consideration on a priority-date basis.

Federal Work-Study (FWS). FWS is a federally-funded program which enables students to work part time. Eligibility is determined by the Free Application for Federal Student Aid (FAFSA). Pay is minimum wage. The deadline for application for federal workstudy is on a priority-date basis. Jobs are limited and are not guaranteed.

Federal Stafford Loans (subsidized or unsubsidized). This program enables students to secure loans from participating lenders such as banks, credit unions, or savings and loan associations. Stafford Loans have a variable interest rate with a cap of $8.25 \%$. A student may borrow $\$ 2,625$ as a freshman, $\$ 3,500$ as a sophomore, and $\$ 5,500$ as a junior and/or senior. Loan repayment begins six months after the student graduates, leaves school, or drops below half-time status. Students may qualify for a "subsidized" loan (interest paid while in school) based on financial need, or an "unsubsidized" loan (student responsible for interest while in school) not based on need, or a combination.

Parent Loans (PLUS). The PLUS loan is available to parents to finance their dependent's educational costs; repayment of interest begins 60 days after the last loan disbursement.

## SCHOLARSHIPS

## GENERAL REQUIREMENTS

- To apply for any financial assistance, the student must first complete the Dallas Christian College Financial Aid/Scholarship Application and the FAFSA form.
- All Dallas Christian College academic scholarships, grants, and participation awards are for tuition only. Excess funding may not be carried over to the next academic year.
- All scholarships, grants, and participation awards require a minimum GPA of 2.0 to be received or renewed unless stated otherwise.
- One must be a full-time student to receive full amount of scholarship. If less than full-time, one receives a percentage of the scholarship, depending upon how many hours are taken. Full-time is considered 12 hours a semester. If one drops below full-time status prior to $60 \%$ of a completed semester, the scholarship is reduced accordingly.
- To receive a Dallas Christian College grant the student must fill out a FAFSA. The stated guidelines in the federal form will help determine a student's financial need.
- A student may receive only one academic scholarship.
- Grants and participation awards may be added to academic scholarships as long as they do not exceed tuition costs for each semester.
- Mary E. Bivins Scholarship recipients who also receive Dallas Christian College scholarships, grants, or participation awards may not receive a combined total of these awards above the cost of tuition and books.
- To receive priority status on awarding of scholarship and federal aid, the student must be accepted for admission to Dallas Christian College and have all necessary materials to the Financial Aid Office by APRIL 15. Awards will begin to be made as early as February 15 for students with completed files. Awards will be made after April 15 as long as funds are available. Applicants that apply after April 15 must still complete all necessary financial materials.
- Transfer or current students with less than 30 hours of college credit will be assessed for academic scholarships by their ACT/SAT score and college GPA. In some instances a high-school transcript may be required. If a transfer or current student has accumulated at least 30 hours of college credit, the college GPA will be the basis for the academic scholarship.

## ACADEMIC HONORS SCHOLARSHIPS

President's Scholarship. The President's Scholarship is a $\$ 12,000$ to $\$ 16,000$ scholarship awarded over eight semesters. Awards range from $\$ 3000$ to $\$ 4000$ per year for up to 4 years and are based on the following:

show Christian leadership. Not based on financial need, this scholarship is in memory of Marilyn Foggin.

Minister/Missionary Dependent. Students who are dependent children of a vocational minister or missionary will receive $\$ 1000$ a year for four years. The Financial Aid Office will verify the church or organization stated.

SALTeens. Students will receive $\$ 400$ a year for each year they have attended SALTeens. Certificates must be presented to the Financial Aid Office for verification. Maximum award is $\$ 400$ per academic year per award.

## FINANCIAL INFORMATION

## VETERANS ASSISTANCE

Veterans and veteran dependents may be eligible for educational benefits through the Veterans Administration. Veterans should contact their area Veterans Administration Office for eligibility requirements. Veterans are certified for enrollment through the Financial Aid Office.

## ON-CAMPUS EMPLOYMENT

DCC offers on-campus employment. However, the number of jobs is limited. In order to be considered for these positions, the student must complete the Free Application for Federal Student Aid (FAFSA), along with a DCC job application. These forms are available through the Financial Aid Office. This application will also accompany the student's Financial Aid Award Notification Letter.

## OFF-CAMPUS EMPLOYMENT

Job opportunities in the area are plentiful for students who desire to work. Assistance in job availability is obtained through the Student Development Office at DCC. A student must be careful to arrange the job to fit with the college schedule; i.e., academic preparation has priority over work.

## FINANCIAL AID POLICIES AND REGULATIONS

The student's family is expected to make a reasonable effort to assist the student with college expenses. Aid should be considered only as a supplement to the family contribution.

Granted financial aid is to be used only for legitimate educational purposes.
Applicants for financial aid must be accepted for admission, be enrolled at least half time in a degree or diploma program, and be making progress on that program. All financial aid applications for institutional assistance and for federal grants, loans, or work study must be completed in a timely manner.

## REFUND POLICIES

A student who withdraws during a semester must notify the Financial Aid Office and the Business Office.

Student eligibility for refund depends on the student recipient's enrollment status, cost of attendance, date of attendance, and the type of aid received.

Changes in any of these factors, such as dropping courses or withdrawing from the college, could result in the reduction of the student's aid package, thereby removing a potential credit balance. A student who withdraws from the College will receive only what balance remains, if any, after costs are calculated and aid is restored to the aid accounts, including the possible return of student loan funds (Stafford or PLUS) to the lender. Also, a student who receives a refund based wholly or partly on financial aid and later changes enrollment status may be required to return all or part of the refund to the College.

All scholarships are awarded for direct costs only (unless otherwise specified by the donor). If scholarship money exceeds direct costs (tuition, fees, books, room and board), the excess funds will be refunded to the scholarship funds as follows:

1. Dallas Christian College institutional scholarships
2. Private institutional scholarships
3. Bivins scholarships
4. Church scholarships
5. Private scholarships

Refunds of accounts with a credit balance because of financial aid will be made within a reasonable amount of time after the financial aid has been applied to the student's account. The student should make a formal written request to receive a check for the credit amount.

First-time recipients of Title IV Funds, the Higher Education Amendments Act of 1992 has established an institutional-refund policy for all institutions participating in Title IV student-aid programs. The pro rata refund is applicable to all students who receive a loan or grant under the Title IV programs.

The Title IV repayment/refund allocation of a student's financial assistance is refunded as follows:

1. Stafford Loans
2. Pell Grant
3. SEOG Grant
4. Other Title IV programs
5. Student

Amounts returned to each source are not to exceed the amount disbursed from that source.

Below are the tuition and board refund policies (fees are not refundable):

## Traditional Program

Before the end of the FIRST week of school 90\%
Before the end of the SECOND week of school 75\%
Before the end of the FOURTH week of school 50\%
Before the end of the SIXTH week of school 25\%
After SIXTH week of the semester NONE

An exception to the above policy would be leave of absence.

## Quest Program

Before SECOND class meeting 50\%
Before THIRD class meeting 25\%
After THIRD class meeting NONE

A drop fee will be assessed for classes not dropped two weeks prior to the class start date.
Distant Learning Program
Before beginning of the SECOND week ..... 75\%
Before beginning of the THIRD week ..... 50\%
Before beginning of the FOURTH week ..... 25\%
After FOURTH week NONE

For evening classes that do not meet during the week of registration, the official first week is the week in which the class meets for the first time.

At the discretion of the College, students who leave the residence hall before the end of any semester may receive a reduction on room and board charges on the basis of time in the room. There is NO REFUND on fees. No adjustments to tuition charges are granted to those who are involved in disciplinary dismissal.

For veterans under subsidy, the College conforms to the Veterans Administration regulations regarding refunds.

Any military personnel called to active duty during a college semester will have his/ her tuition reimbursed for that semester, IF they have not completed enough work for their professors to administer a grade for work completed. In addition, lenders will automatically postpone student loan payments, upon notification in writing, during the period of the borrower's active duty service. Letters of active duty status must be provided to the College Administration Offices (Registrar, Business Office, and the Financial Aid Office).

The college reserves the right to prorate charges incurred for room and board usage before active duty activation. Contact the Business Office for further information, if needed.

Students who simultaneously add and drop classes within the first week of a semester
without resulting in a change in the total credit hours enrolled are not subject to the above refund policies.

One is not officially withdrawn from the college until withdrawal procedures have been completed through the Academic Office, the Business Office, and the Financial Aid Office, if applicable. All refunds are based on this date. The student is solely responsible for initiating and completing the withdrawal process.

## STANDARDS OF ACADEMIC PROGRESS FOR FINANCIAL AID

Students receiving private, institutional, and federal financial aid are required to be making satisfactory progress toward their degree, according to the following standards:

Cumulative GPA of 1.8 at the end of the first academic year
Cumulative GPA of 1.9 at the end of the second academic year
Cumulative GPA of 2.0 at the end of the third and fourth academic years
If a student fails to maintain satisfactory academic progress, the student is notified in writing and placed on financial-aid probation. The student will continue to receive federal aid during the probationary semester. If satisfactory academic progress is met at the end of the probationary semester, the student is removed from probationary status. If the required satisfactory academic progress is not met, financial aid is suspended until the student has brought the cumulative GPA up to the required standard.

At the end of each academic year, a student must have successfully completed a specific number of hours according to the following schedule:

| After | Full-time | Part-time |
| :--- | :--- | :--- |
| Academic | Student Minimum | Student Minimum <br> Year |
| Credit Hours | Credit Hours |  |
| 1 | 24 | 12 |
| 2 | 48 | 24 |
| 3 | 72 | 36 |
| 4 | 96 | 48 |
| 5 | 130 | 60 |
| 6 |  | 72 |
| 7 |  | 84 |
| 8 |  | 96 |
| 9 |  | 111 |
| 10 |  | 130 |

## PAYMENT OF ACCOUNTS

All tuition, room, board, and fees are due and payable in full at the time of registration. Payment may be made in the college Business Office by cash, check, or credit card (Discover, MasterCard, Visa, American Express). Payments are posted to the student's account and regular invoices are provided indicating the status of applicable scholarships, grants, or loans. For students who have a documented commitment of funds from the Financial Aid

Office, the difference between the total cost for the semester and the financial aid commitment (excluding Work Study) is payable at registration.

## PAYMENT PLAN

If the student's account is current, and he or she does not want to pay the full amount due (less financial aid awards that have been appropriately documented), an optional payment plan is available to persons enrolled for six or more hours per semester. A \$50 deferred payment plan fee is assessed to the student's account. The three-payment plan requires $1 / 3$ of the balance due to be paid on the day of registration, $1 / 3$ to be paid the sixth week of the semester, and $1 / 3$ to be paid the twelfth week of the semester.

A student starting the Federal Aid application process at the beginning of the term for which funds are needed must pay in full or sign up for the payment plan and make the first $1 / 3$ payment and subsequent payments until financial aid is confirmed and processed. After applying federal funds, a refund will be issued by check to the student if a credit has been generated on the student's account. This will occur once the student has completed six hours (Quest) or $61 \%$ of the semester (Traditional).

Students who are eligible for education reimbursement from their employer must pay in full at the beginning of the term or sign up for a payment plan and provide appropriate documentation from the employer and a copy of the company policy to the Business Office. Upon receipt of reimbursement funds, a refund will be issued by check to the student, if a credit has been generated on the student's account.

## PAST DUE AND DELINQUENT ACCOUNTS

Students will not be permitted to register for the current semester until all past due balances are paid in full. Transcripts, grades, and diplomas are not issued until the financial obligation is met. In addition, graduating students who do not have their student accounts paid in full will not be permitted to participate in the graduation ceremony. Transcripts will not be issued to individuals who are in default with Student Loans.

Student Account Classifications:

CURRENT: All payments made according to the payment schedule.
ON-HOLD: Financial Aid or methods of payment in process.
PAST DUE: Payment not made within the specified payment dates.
DELINQUENT: Account is past due with no satisfactory arrangements made with Student Accounts Office.

Dallas Christian College reserves the right to deny enrollment, class attendance, or extension of credit to any student who does not meet past-due obligations or fulfill financial obligations to the college. Current students who do not comply with the college's Student Accounts policies may be referred to the Ethical Conduct Committee for appropriate disciplinary action.

On occasion, legitimate financial circumstances may warrant special consideration.

Should this occur, the student is encouraged to contact the College Business Office immediately to make appropriate arrangements and possibly avoid action by the Ethical Conduct Committee. If satisfactory arrangements are not made with the Business Office concerning the account, the student may also face action from a third-party collection agency.

## RETURNED CHECKS

Checks returned for Non-Sufficient Funds or credit card transactions that are denied will result in a NSF fee assessed to the student's account.

## PROMISSORY NOTES

Any student who leaves the college and has an outstanding balance will be required to sign a promissory note indicating the terms of payment.

ACADEMIC REGULATIONS \& PROCEDURES

ENROLLMENT ACADEMIC POLICIES GRADING
GRADUATION REQUIREMENTS AWARDS AND HONORS LIBRARY

## ENROLLMENT

## REGISTRATION AND ADVISING

The degree programs are listed in the catalog for the students and their advisors and can serve as worksheets to follow a student's progress through a given degree plan. Each student should study carefully the programs and the graduation requirements for each. While there are certain core courses common to all the degrees, there are also some vital differences. Faculty advisors help the student to understand program requirements clearly.

Registration packets and a faculty advisor are provided for the student at the time of registration. Degree plans are arranged so that the student may progress from one year to the next in an orderly sequence. Non-sequential scheduling of courses can cause schedule conflicts, which may make additional semesters necessary in order to meet requirements. Students should check carefully with their advisors on these matters. The Vice-President of Academic Affairs must give final approval to the program of each student.

Although provisional enrollment may be granted for a limited period, no student is officially enrolled in classes until the student's admission is completed, all enrollment forms are approved, and all fees and charges are paid.

## SEMESTERS AND CREDIT HOURS

The college academic calendar is based on two semesters, each composed of 16 weeks of classes, including one week of finals. Courses are offered on a credit-hour basis. One credit hour signifies that a course meets for one 50 -minute period per week for 15 weeks, along with outside assignments and a final examination. The Quest program, an adult degree-completion program, offers courses in five-week minimum seminar format. See the Quest section for further details.

## COURSE LOAD

Eighteen credit hours are normally considered the maximum load. To complete a bachelor's degree ( 133 hours) in four years, the student should take 16 or 17 hours each semester. A course load of 12 hours or more constitutes a full-time load; fewer than 12 hours constitutes a part-time load, with 7 to 11 hours considered a $3 / 4$ time load for financial-aid purposes. Unless the student's program calls for more than 18 hours, special permission to enroll in additional courses beyond this maximum must be secured through the student's advisor and the Vice-President of Academic Affairs. Certain courses: such as choir and physical education, in which outside assignments are minimal, require additional class time, labs, or practice time for the credit hours awarded.

Those who must work to help meet college expenses should plan to reduce their credit-hour load. It is recommended that students who work more than 12 hours per week reduce their course load one credit hour for each three hours of self-support work done.

## ACADEMIC POLICIES

## CLASS ATTENDANCE

Each student should attend every class session for all courses; in other words, attendance is required and roll is taken. A student may not miss more than two weeks of classes taken in the traditional program Monday-Wednesday-Friday classes (six sessions), Tuesday-Thursday classes (four sessions), and evening classes (two sessions). Students in the Quest program may not miss more than one class session per course. Class sessions missed during the late-registration period are counted as absences.

The professor may outline in the course syllabus at the beginning of the course additional attendance requirements that may affect the grade.

The student is responsible for reporting the reasons for the absences, preferably in advance, to the professor so that make-up work can be arranged. The student is also responsible for acquiring information missed during the absences from other students or preferably by recording the class sessions. A student with excessive absences may be subject to an administrative drop with a failing grade.

## RETAKE POLICY

A student may repeat enrollment in a course because of a low (C, D) or failing (F) grade. The College places no limit on the number of times a student may retake a course. When a course is repeated, the lower grade is recorded on the transcript along with the new grade, but the lower grade points and credits do not count toward the student's cumulative grade-point average. A course taken at another institution may not serve as a retake for the purposes of computing cumulative GPA. A course may not be retaken for credit if the grade is " $B$-" or better.

## TRANSFER OF CREDITS

Credits earned at an institution recognized by an approved accrediting agency are carefully evaluated, and those relevant are applied toward the requirements of a degree program at DCC, provided that the grade earned is C or above. Transferred work will be placed on the student's transcript at the end of one semester of full-time work ( 12 hours or more as designated in the catalog) or after completion of 12 hours, with an earned gradepoint average of at least $2.0(\mathrm{C})$.

## CREDIT-BY-EXAMINATION POLICY

Dallas Christian College welcomes a variety of students of all ages to our campus; many students bring a depth of knowledge of specific subjects. We recognize and honor such knowledge by accepting the following examinations by which a student may earn credit: the College-Level Examination Program (CLEP), the Defense Activity for Traditional Educational Support (DANTES), and the Advanced Placement (AP) Examinations. Assuming that an acceptable grade is attained on an examination, DCC grants full degree credit. Assuming an acceptable score, all CLEP, DANTES, and AP credits will be accepted for transfer students. All credit-by-examinations must be completed prior to pre-registration for the final semester.

The following examinations are accepted ("QE" means Quest Elective hours):

## CHALLENGE EXAMINATIONS

A challenge exam may be requested by any DCC student who wishes to meet a requirement of any general-studies or elective course through a special examination. A challenge exam may not be requested for a course required in the major. The procedure is as follows: the student submits a written request to the Academic Office. If approved, an instructor will be contacted, and an exam will be constructed and administered by the Academic Office. A non-refundable fee is required at the time of application for the challenge exam. All approved challenge examinations must be completed prior to pre-registration for the final semester.

## GRADING

Grades symbolize the student's work accomplished, personal achievement, and knowledge gained and retained in a usable form. Grades are not the only measure of a student's success, but they are one statement concerning student progress and achievement.

Students caught plagiarizing, cheating on a test, or violating the academic-integrity policies in any other fashion may be given a grade of "XF" which will be recorded on the student's permanent record and reflected on the transcript as "XF -Failure due to Academic Dishonesty."

The "XF" grade may be removed from the student's academic record when the student submits a formal written request to the Academic Office. This request must be submitted after the student has completed an additional semester of study at DCC, but before the end of one year after the "XF" grade was earned. A committee appointed by the Vice-President of Academic Affairs will review the request and meet with the student. This committee will make the final decision regarding the changing of the grade from "XF" to "F".

DCC uses the following grading system to indicate the grade points per credit hour, which are used to compute the grade-point average described below:

| Letter | Description | Numerical Value | Grade Points |
| :---: | :---: | :---: | :---: |
| A | Excellent | 96-100 | 4.00 |
| A- |  | 94-95 | 3.67 |
| B+ |  | 92-93 | 3.33 |
| B | Good | 88-91 | 3.00 |
| B- |  | 85-87 | 2.67 |
| C+ |  | 82-84 | 2.33 |
| C | Average | 78-81 | 2.00 |
| C- |  | 75-77 | 1.67 |
| D+ |  | 72-74 | 1.33 |
| D | Passing | 68-71 | 1.00 |
| D- |  | 65-67 | 0.67 |

## GRADE-POINT AVERAGE

The grade points earned in each course are computed by multiplying the number of credit hours for the course by the grade-point value of the letter grade received. The student's grade-point average (GPA) each semester is determined by dividing the total number of grade points earned in all courses by the total number of credit hours taken. For example, if 45 grade points are earned in taking 15 credit hours, the GPA is 3.00 . The cumulative grade-point average, which establishes academic progress, is determined by dividing the total number of grade points in all semesters by the total number of credit hours taken in all semesters. Transferred work is counted in computing the cumulative grade-point average.

DCC uses a two-place number for recording GPAs, e.g., 3.33. This guideline is established to set a policy of fairness and equality in areas such as academic honors and requirements set for athletic participation.

## STUDENT CLASSIFICATIONS

The student's class standing is based upon the number of hours successfully completed at the end of each semester. These classifications are as follows:

Freshman: Fewer than 30 semester hours of credit
Sophomore: At least 30 semester hours of credit
Junior: At least 60 semester hours of credit
Senior: At least 90 semester hours of credit

## COURSE CHANGES AND WITHDRAWALS

During the first week of classes courses may be dropped or added. These changes must be made through the Academic Office and be approved by the faculty advisor. A classchange form must be filled out for any class dropped or added. Changes may not be made until the second day of classes. Withdrawals made in the first two weeks are recorded on transcripts with a W and do not affect the grade-point average.

From the third through the twelfth week of classes, all withdrawals must be made with the permission of the professor, faculty advisor, and the Vice-President of Academic Affairs. A class-change form must be filled out for any class dropped.

Students withdrawing from Quest courses must do so with the approval of their academic advisor. A withdrawal form must be filled out. Withdrawals made up to the second class meeting are recorded on transcripts with a W and do not affect the grade-point average. After the second class meeting, all withdrawals must be made with the permission of the professor and academic advisor.

The student is solely responsible for initiating and completing the drop process. A student who withdraws while passing will receive a W/P, which is not calculated in the grade-point average. A W/F will be given if a student withdraws from a class with an F , and the grade will be calculated in the GPA as an F.

## INCOMPLETE POLICY

Incompletes must be filed by petition. Forms for incompletes may be picked up in the Academic Office, and a $\$ 20$ incomplete fee will be charged for each course in which a student requests an incomplete. Upon approval by the professor and Vice-President of Academic Affairs (or academic advisor for Quest students), an incomplete may be granted in circumstances of death in the immediate family, sickness, or extenuating circumstances. If the incomplete is not removed within six weeks of the end of the grading period, there will be no extension on the original incomplete, and the student's grade will automatically be recorded as the grade which the student would have received if an incomplete had not been granted. At no time will an incomplete be granted unless the majority of the work has already been completed.

## EXAMINATION POLICY

An announced test may be taken late only with the permission of the professor and the Vice-President of Academic Affairs. The student must first pick up a Late-Test Permission form from the Academic Office. The student must then obtain the signatures of the professor
and the Vice President of Academic Affairs and return the form to the Academic Office before taking the test. This policy does not apply to midterm and final examinations, which must be taken when scheduled. All students, including candidates for graduation, will be expected to take all final tests and attend all classes through the last day of school in each semester. No final examinations may be taken by students before the scheduled time without permission of the professor and the Vice-President of Academic Affairs.

## REPORTS

Semester grades for traditional courses are issued to students after the close of each semester, and grades are recorded on student transcripts. No grades or transcripts are issued to students who owe money to the college office, library, bookstore, or any other college department. Quest grades are mailed monthly and recorded on student transcripts.

## CHANGE-OF-GRADE POLICY

A student may petition to challenge a final grade through the Academic Office. A petition must occur within one calendar year from the end of the semester in which a grade is originally received.

## AUDIT REQUIREMENTS

Any course may be audited (taken without credit), provided the student has the permission of the instructor of the course and the Vice-President of Academic Affairs, and pays the audit tuition for the course.

## TRANSCRIPT OF CREDITS

The Registrar will furnish transcripts of credits upon written request from the student. Transcripts are available without charge. No transcripts are furnished until all financial obligations to the College, including library, bookstore, or any other college department, have been fulfilled. Any student who has defaulted on student loans will not be furnished a transcript.

## ACADEMIC PROBATION

Students who do not attain the necessary cumulative GPA requirement for their respective class level by the end of a semester are placed on academic probation for the next semester of enrollment. The required cumulative GPA for each class level is as follows:

Freshman-fewer than 30 credit hours 1.8
Sophomore-at least 30 credit hours 1.9
Junior-at least 60 credit hours 2.0
Senior-at least 90 credit hours 2.0
(Graduation requires a minimum cumulative GPA of 2.0.)
Transfer students entering the college with a probationary status from another institution are admitted on probationary status regardless of their resulting cumulative GPA from transferred credits.

In addition, students on academic probation will be limited to 12 credit hours. Students on academic probation are not permitted to participate in varsity team sports, leadership roles, ministry teams, or to travel representing the college. Students on academic probation may be required to participate in academic mentoring.

## DEVELOPMENTAL STUDIES

DCC's Developmental Studies program uses entrance test scores (ACT or SAT), high school and college transcripts, and proficiency tests to place a student in Developmental Studies courses. The student may challenge this placement with a challenge exam. A student may not withdraw from these courses and must pass the course with a C-. Failure to pass the course will lead to repeating the course. The credit hours do not apply to graduation and are non-transferable, but are included in the student's GPA. The Developmental Studies courses are all one credit hour and meet up to three hours per week.

- Students who score a 17 or below on ACT English or 415 or below on SAT Verbal must take Developmental English.
- Students who score a 64 or below on the DCC math proficiency test must take Developmental Math.

## DISCIPLINARY PROBATION

A student who seriously violates the college rules may be placed on disciplinary probation by action of the Ethical Conduct Committee. Continual violations while on probation will make the student subject to disciplinary dismissal. Students placed on disciplinary probation are not permitted to participate in varsity team sports, leadership roles, or ministry teams, or to travel for the College.

## STUDENT LEAVE OF ABSENCE POLICY

In accordance with the guidelines set forth by the Department of Education relative to Title IV funds, a student attending Dallas Christian College may request a "leave of absence" from classes should an appropriate situation arise.

The request for a leave of absence must be submitted to the Vice-President for Student Development prior to the leave of absence, unless unforeseen circumstances prevent the student from doing so, in which case the request must be submitted as soon as circumstances permit.

Any request must be written, signed and dated by the student. Upon receipt of the request, the Vice-President for Student Development will submit the request, along with his/ her recommendation, to the President's Cabinet for final approval.

## INCOMPLETE MATRICULATION

Under unusual circumstances a student may be enrolled with an incomplete registration file. This student will be on conditional enrollment, limited to 12 hours, until the
essential items are received. If exceptions are allowed, high-school and college transcripts necessary for the file must be received within two weeks of registration. All other materials must be received by the end of the sixth week. If essential items are not received by this time, the student may be required to withdraw and may not register for additional courses.

## ACADEMIC DISMISSAL

Students who do not complete their registration file within the first three weeks of a semester may be dismissed from the college. Students on academic probation who do not improve their cumulative GPA to the minimum required during the probationary semester may be dismissed from the College. Students have one semester to remove themselves from probationary status.

Freshmen (fewer than 30 credit hours completed) on academic dismissal may appeal to the Academic Office to attend one more semester to retake only those courses they failed in order to remove themselves successfully from probationary status. They may not be qualified for any financial aid in such a case.

A student on academic dismissal is not allowed to attend the College for one academic year (fall and spring semesters). A student may reapply to the College following the full admissions process after one academic year.

## DISCIPLINARY DISMISSAL

A student who is in serious violation of College rules will be dismissed from the College under the conditions set forth in the DCC Student Handbook.

## READMISSION

For readmission to DCC after an absence of one year for any reason, a student must apply for readmission. After an absence of one year, a student must apply for admission under the same guidelines as a new student, and, if accepted, will come in under the current catalog. If dismissed for academic reasons, the student may apply for reinstatement after an absence of two semesters. The student must have a personal interview satisfactory to the Academic Office to be readmitted conditionally and must repeat all courses in which grades of D or F were earned. Should satisfactory progress not be evident, final readmission will not be granted. If dismissed for disciplinary reasons, the student may apply for reinstatement after an absence of two semesters. The student must have a personal interview satisfactory to the Academic Office and Ethical Conduct Committee. If readmitted, the student must maintain an academic standard and a standard of conduct consistent with the College's purposes.

## GRADUATION REQUIREMENTS

In addition to completion of the necessary hours of classroom work, candidates for graduation must complete the following conditions before graduation:

- Two semesters before the anticipated graduation date, the degree candidate must file a Graduation Review form, applying to the Vice-President of Academic Affairs for a degree program review and graduation requirements.
- The candidate must have taken 30 of the last 42 hours of course work at Dallas Christian College. The Chair of the Division of the student's major and the Vice President of Academic Affairs must approve in advance any course work not completed at DCC. The Academic Council may approve other special arrangements.
- The candidate must have attained a cumulative GPA of 2.00 or above in work at Dallas Christian College.
- The candidate must have attained a cumulative GPA of 2.50 or above in each major.
- The candidate must have the approval of the faculty.
- The candidate must have fulfilled all financial obligations to the College, including student account, library, bookstore, and any other College department.
- The candidate must have completed all class work and assignments by the week before commencement.
- The candidate must complete a Graduation Application and pay the graduation fee (non-refundable) the semester he or she plans to graduate.
- The candidate must have received one semester's credit for Christian service for each semester of eight or more hours of enrollment at Dallas Christian College.

## AWARDS AND HONORS

## ACADEMIC

Valedictorian and Salutatorian. The two graduating seniors with the highest cumulative GPA (3.4 or above) will be honored. These honors are based on no more than ten semesters of work toward the first bachelor's degree, with at least half of the 133 hours completed at DCC. (All transferable hours are included in the cumulative GPA.)

Delta Epsilon Chi. This is a national academic and leadership honor society sponsored by the Accrediting Association of Bible Colleges. Membership can be awarded by vote of the faculty to no more than $7 \%$ of the graduating class in any one year.

Who's Who Among Students in American Colleges and Universities. Students demonstrating scholastic achievement; participation and leadership in extracurricular activities; service to school, church, and community; and potential for future leadership are elected to Who's Who each year by the faculty.

Highest GPA. The student with the highest cumulative GPA for the class will be honored with an academic award presented in the spring. The freshman award is based on one semester of work, 12 hours or more; the sophomore award, on three semesters of work, 31 hours or more; the junior award, on five semesters of work, 61 hours or more.

President's List. At the end of each semester, the President will announce those students taking twelve hours or more who achieved a 3.8-4.0 GPA for that grading period.

Dean's List. At the end of each semester, the Vice President for Academic Affairs will announce those students taking twelve hours or more who achieved a 3.5-3.79 GPA for that grading period.

## Traditional Graduation Honors.

Summa cum laude 3.8-4.00 cumulative GPA
Magna cum laude 3.6-3.79 cumulative GPA
Cum laude 3.4-3.59 cumulative GPA
C.C. Crawford Merit Award. This award may be conferred upon a graduating senior who has achieved a 3.7 or better cumulative GPA, who has contributed positively to campus life, who has demonstrated a willingness to serve and a cooperative attitude, and who aims to give first consideration to the pulpit ministry. Recipients of this award are chosen by unanimous approval of the faculty.

Lucille L. Perkins Memorial Quest Spirit Award. This award is given to the Management and Ethics graduating student who demonstrates outstanding
an administrative context.

Omicron-Psi Honor Society. This is a national academic honor society for non-traditional students. Membership is open to non-traditional Ministry and Leadership, Management and Ethics, or Education and Ethics students graduating with a cumulative GPA of 3.4 or better.

## OTHER AWARDS AND HONORS

Athletic Awards. Presented to the most valuable players in each sport and to players demonstrating outstanding Christian sportsmanship; selected by the physical-education faculty and coaches.

Biblical Studies Award. Presented to a graduating senior who has demonstrated superior exegetical skills and who has developed an outstanding portfolio in Bible and theology classes; sponsored by the American Bible Society and selected by the Bible faculty.

Church Musician Award. Presented to the most outstanding student in music classes, one demonstrating not only musical talent and ability but also Christian character and goals; selected by the music faculty.

Education Award. Presented to the most outstanding student in the Bible and Education program, one demonstrating outstanding Christian character and teaching ability; selected by the Education Committee.

Homiletics Award. Presented to a graduating senior who has demonstrated outstanding preaching ability and shows promise for preaching ministry; selected by the homiletics faculty.

Residence Awards. Presented to one male and one female student who live in the residence halls and who make the greatest positive contribution through the year to campus living; selected by residents of the respective residence halls.

Servant Award. Presented to the student demonstrating exemplary Christian service, one demonstrating a servant's heart and attitude, expressing a willingness and desire to serve, and showing growth in ministry skills on a consistent basis.

Zondervan/Dallas Christian College Greek Award. Presented to the student who has completed four semesters of Greek at DCC and demonstrates a superior application of exegetical skills; sponsored by the Zondervan Publishing House and selected by the Bible faculty.

## LIBRARY

## C. C. CRAWFORD MEMORIAL LIBRARY

The C. C. Crawford Memorial Library honors the memory of Dr. Cecil Clement Crawford, who, with Mrs. Helen Crawford, came to Dallas Christian College in August, 1967. Dr. Crawford was a scholar, educator, preacher, writer, and popular professor during his years at DCC. Before his death in January 1976, Dr. Crawford donated his personal library to the College.

Located on the first floor of the administration building, the Crawford Memorial Library contains more than 32,000 printed volumes and over 250 periodicals. The library also serves the DCC community with 65 electronic databases available through Internet resources. Additionally, the library has 3,500 electronic full-text periodicals and 9,000 electronic books. The card catalog can be accessed online at http://library.dallas.edu. The computer labs, with Internet access, are located on the first and third floors. Memberships are with the American Library Association, AMIGOS, OCLC, and Christian Library Consortium. These memberships allow DCC students to borrow books, journals, and materials from thousands of libraries throughout the world.

A copy of the complete statement of mission, goals, and objectives is available from the office of the director of the library.

## STUDENT LIFE

LIFESTYLE

## LIFESTYLE

Dallas Christian College by its very nature provides a two-fold environment. First, it is a Bible college where men and women prepare themselves to serve God as ambassadors. Second, it is a family composed of students, staff, faculty, and administration. Since Christianity demands development of the whole person, DCC provides opportunities in both academic and social development.

The central building on campus is the three-story administration building which houses the chapel, classrooms, library, computer labs, bookstore, and administration and faculty offices. These academic facilities provide outstanding opportunities in study and research vital for developing Christian leaders.

The remaining four buildings on DCC's 22-acre campus provide a nucleus for social development. Single men and women have separate residence halls: Newland Hall and Winslow Hall, respectively. The Redman Gymnasium includes a basketball court, volleyball courts, and dressing rooms. There are also a softball field, soccer fields, and other open fields for general athletic activities. The cafeteria provides some of the best meals served in any cafeteria; both food and atmosphere promote fellowship among students and faculty.

All the facilities, activities, and educational opportunities at DCC focus on the assumption that people preparing for service should "grow in wisdom and in stature and in favor with God and men" (Luke 2:52). Therefore, in training the whole person, DCC emphasizes social, spiritual, and academic development.

A basic goal of education at DCC is the development and growth of the higher qualities of life in every student. As a foundation of this goal, DCC encourages students to exemplify Christ in all aspects of life-in attitudes, principles, and behavior.

The College aims to keep DCC as free as possible from any destructive elements that might hinder the best possible growth in Christian maturity and service. Students assume responsibility for abiding by the regulations of the college and for using discretion in relation to any activities which may be spiritually or morally destructive. Use of illicit drugs, alcohol, and tobacco is not permitted.

## HOUSING

All single students under the age of 25 not staying with parents or guardian must live in one of the residence halls, sharing together in this phase of the DCC community. Students desiring to live off campus must apply to the Vice President for Student Development. Each air-conditioned room is designed for two students, with two-room suites sharing private bath and toilet facilities. The student furnishes linens, is responsible for the appearance and care of the room, and shares in the general housekeeping of the residence hall. Televisions, microwaves, and refrigerators are allowed. If available, private rooms require permission of the Resident Director and are provided at added expense.

A residence hall reservation and damage fee is required to reserve a room. This fee is used to defray the cost of extraordinary damage caused by improper care of the residence hall. Room reservations should be in by July 1.

## FOOD SERVICE

The College cafeteria serves three meals per day Monday through Friday and two meals per day on Saturday and Sunday for residents, off-campus students, faculty, and guests. A hot breakfast is served Monday through Friday, 7:45-8:15 a.m. A continental breakfast is served 8:15-8:45 a.m. Lunch is served Monday through Friday, 12:00 noon.-12:45 p.m. Dinner is served daily, Monday through Friday, 5:30-6:00 p.m., Saturday and Sunday, 5:00-5:30 p.m. Brunch is served on Saturday, 11:00-11:45 a.m. and on Sunday 12:30 p.m.-1:15 p.m. No meals are scheduled when classes have been dismissed for announced holidays. A student living in the residence hall is required to be on the meal plan unless he or she has received exemption permission from the Business Office.

## CHAPEL AND CHRISTIAN SERVICE

DCC is a place for growing in relationship with God. Believing that campus life outside the classroom plays just as important a role in the spiritual growth of the students as what happens in the classroom, DCC strives to provide an environment to enhance such growth. Weekly devotions are provided for campus residents. Chapels for the traditional students are conducted two days a week, including Student Leadership Groups and Professional Development Seminars. Chapel for non-traditional students is conducted the second week of each month.

Christian service is the goal toward which Bible college education moves. Dallas Christian College thus requires Christian service of all students on a regular basis as required by the Association for Biblical Higher Education and as described in the DCC Student Handbook, which students receive at the beginning of each school year. A record of each student's Christian service is kept. Such Christian service involvement is required for graduation as stated in the requirements for graduation. Students are required to receive a passing grade in Christian service for every semester in which they take eight or more hours of classes.

The Christian service program is divided into five parts. First, students are required to attend chapel. Students are required to enroll and receive a passing grade for chapel during each semester in which they are classified as full-time students. Any student residing in the residence halls must enroll in and attend chapel, regardless of the hours taken. Nontraditional students are required to attend evening chapel, which is offered the second week of each month.

Second, students are required to complete at least two service projects each month they are enrolled at DCC. Opportunities abound for involvement in community service (e.g., hospital visitation, working with underprivileged youth, rest homes, special programs) or church service (e.g., Bible study classes, surveys, visitations, youth groups, and student preaching).

Third, church attendance is expected, in keeping with the philosophy and mission of Dallas Christian College.

Fourth, students are required to complete an internship satisfactorily as specified in their degree programs. This internship is described in the course description section of this catalog. It is to be approved by the Vice-President for Student Development.

Fifth, students may participate in special service projects. The Vice-President for Student Development and/or the Chair of the Practical Ministries Division organize these experiences for those interested in supplementing their normal Christian service activities. The opportunities for this experience include mission trips, inner-city work, local church work, and work in children's homes.

The Christian-service program is described more fully in the DCC Student Handbook. While these requirements appear at first to be above and beyond the necessary academic work in preparing for ministry, they are at the heart of preparing for service. There is no better way to apply material learned in the classroom than to serve regularly while at DCC.

## ACTIVITIES AND ORGANIZATIONS

## GUIDANCE

Students receive a DCC Student Handbook outlining the expectations of the college and are counseled individually and in small groups by qualified personnel. This guidance staff provides direction for students in personal difficulties, spiritual problems, vocational choice, academic weakness, and interpersonal relationships. Students must adhere to the regulations described in the student handbook.

Students are encouraged to become involved in a wide range of activities through the DCC community. Through service to others, academic enrichment, and social relationships, students progress toward the goal of developing their maximum potential.

## STUDENT COUNCIL

Students sponsor many activities and projects during the school year. Socials, intramural competitions, assemblies, and other events are planned and carried out by the student body under the student council. The student council provides valuable assistance in the operation of campus-hosted social and ministry events. The student council also serves as a sounding board and advisory panel for the college. Officers and representatives elected by the students help make DCC a community of involved, committed, and joyful Christians.

## MUSIC

Because music is invaluable in life, worship, evangelism, and growth, the development of musical ability is encouraged at DCC. The music program is designed to teach students to worship God and to communicate the Gospel effectively.

The concert choir, open to all students, presents a message in song while increasing musical skills. The choir takes a tour each school year.

Each summer, SALTeens, a group for students completing their ninth through 12th grades, gather on campus to rehearse, study, and minister together. This week of intense work is followed by a week-long tour. The purpose of these programs is to glorify God through the gift of music.

#### Abstract

ATHLETICS

Development of the whole person involves the body as well as the mind. Therefore, DCC offers both indoor and outdoor physical activities. Athletic facilities on campus include soccer fields, a softball field, and a gymnasium which includes weight-lifting equipment. Through intramurals, campus tournaments, and social activities, DCC students have many opportunities to stay physically active.

Dallas Christian College is a member of the National Christian College Athletic Association (NCCAA). DCC competes in intercollegiate men's basketball, women's basketball, men's soccer, and women's volleyball. Non-varsity sports include women's soccer, men's volleyball, and men's baseball. Through such avenues, students have the opportunity to use their athletic skills to minister to each other and to their opponents.

Students participating in varsity sports must enroll for PHED 1111.

## OUTREACH

Dallas Christian College is committed to serving the church. Many opportunities for practical experience are available to give the student the opportunity to preach, teach, lead in worship, and gain valuable leadership experience. Summer outreach teams travel throughout the summer. Many students also participate in summer internships and ministry experiences.

## ALUMNI ASSOCIATION

Dallas Christian College is proud of her graduates and former students and their support of their alma mater. Although the highest concentration of DCC alumni is found in the Southwestern United States, many alumni also serve in other states and throughout the world. DCC alumni continue support of their alma mater each year by recruiting new students, providing internships for students, and supporting the many outreach activities of the college.

## BOOKSTORE

The Dallas Christian College Bookstore serves the needs of the students. Students should plan to spend between $\$ 250-300$ per semester for books and supplies which may be purchased in the DCC Bookstore. While at DCC, students are encouraged to take every opportunity to develop a personal library for use in future Christian service. Therefore, in addition to course-related books and supplies, the bookstore sells books recommended by professors for additional study. The bookstore also carries a selection of DCC insignia items such as pens, shirts, coffee mugs, and hats.

## INTRODUCTION

Dallas Christian College seeks to educate students for leadership in the church, community, and world. The educational programs seek to produce graduates who are able to lead in various ministry settings as well as in education and business.

Since God is the source of all wisdom, knowledge, and understanding, and since all of creation is His, education logically begins from Him. In light of this, all traditional degree programs of the College include a major in Bible, plus a second major, and all courses of the College begin from the assumption that all true knowledge, biblical and otherwise, comes from God and should be judged in light of His word.

Moreover, all the degree programs of DCC meet ABHE requirements of a balanced curriculum in Bible, general education, practical ministries, and specialized or professional studies.

The College requires a double major in all of the degrees offered with the exception of the adult degree-completion programs, Ministry and Leadership, Management and Ethics, and Education and Ethics. Each student graduates with a major in Bible, except Quest Management and Ethics students. This reflects the college's conviction that knowledge of Scripture is basic to education. A second major is selected from one of five specific areas of ministry or from one of the four areas of professional studies. In the ministry areas, the College offers a Bachelor of Arts (B. A.) and Bachelor of Science (B. S.) degree with majors in Bible and Preaching, Bible and Youth and Family Ministry, Bible and Christian Education, Bible and Cross-Cultural Missions, Bible and Worship and Youth Ministry, Bible and Worship Arts, and a Bachelor of Science in Bible and Music Ministry. The Bachelor of Arts degree is the same as the Bachelor of Science degree with the exception of the two-year Greek language requirement. All students desiring to study in one of the five ministry degrees listed above are encouraged to seek the B. A. degree, especially those who intend to preach or teach or go on to seminary.

In professional studies, the College offers a B. A. or B. S. degree with majors in Bible and Business Administration, Bible and Psychology, and Bible and General Studies. The Bible and Psychology and Bible and General Studies degrees serve as foundational undergraduate degrees preparing students for church and para-church ministries and for seminary or graduate professional studies.

The College also offers the Bachelor of Science degree in Bible and Education, with teaching specialization in English or history for elementary education, a combined specialization of English and history for secondary education, and a B. S. in Bible and Music Education for all levels. A Bachelor of Science degree in Bible and Education prepares students to attain Association of Christian Schools International (ACSI) certification for teaching in private Christian schools.

The adult degree-completion program, Quest, offers a Bachelor of Science in either Ministry and Leadership, Management and Ethics, or Education and Ethics. For detailed information, see the Quest section.

## ADDITIONAL ACADEMIC OPPORTUNITIES

Each of the degree programs offered by the College is built upon a core general studies curriculum. This core curriculum manifests the college's conviction that the study of the world and the human condition not only prepare the student for practical application of knowledge in Christian leadership, but also for personal enrichment and appreciation for all of God's domain.

- An extended internship is available for credit by special arrangement with the Vice-President for Student Development.
- A semester of study at the Focus on the Family Institute is available for credit. (DCC is a member of the Focus on the Family Institute.)

Contact the Academic Office for additional information about these special programs and opportunities.

## ARTS AND SCIENCES DIVISION

Each of the degree programs offered by the college is built upon a core of general studies. This core curriculum manifests the College's conviction that the study of the world and of the human condition not only prepares the student for practical application of knowledge in Christian leadership but also for personal enrichment and appreciation for all of God's domain.

The Arts and Sciences Division seeks to help students master the following objectives:

1. Know the core content of each discipline
2. Integrate learning with related disciplines
3. Apply this knowledge and understanding creatively, constructively, and compassionately
4. Communicate effectively
5. Develop a moral appreciation of self, others, cultures, and the natural world

The Arts and Sciences Division offers a B. A. or B. S. in Bible and Psychology or in Bible and General Studies. The double major in Bible and Psychology equips a student with the foundational tools in psychology and counseling from a Biblical perspective. The degree prepares students to continue studies in graduate school. Students should note that any undergraduate degree in psychology is preparatory for graduate studies. All licensing for psychology and counseling requires the minimum of a master's degree.

The degree in Bible and General Studies allows a student to pursue individual interests with at least 15 hours of emphasis selected from one of the following disciplines: history, English, psychology, or foreign language. Both degree programs require a threehour internship designed to provide application of classroom content and practical experience specific to the major. It includes an intensive one-week orientation before entering the actual internship. The internship is arranged through the Office of Student Development in cooperation with the Arts and Sciences Division.

## BIBLE DIVISION

The Bible Division of Dallas Christian College prepares students for leadership ministry in a church or church-related setting. The division offers four double majors: the Bachelor of Arts and the Bachelor of Science in Bible and Preaching, Bible and Youth and Family Ministry, Bible and Christian Education, and Bible and Cross-Cultural Missions. The double majors in Bible and various ministry programs include 40 credit hours of general studies, 44 credit hours of Bible, 18 hours of core practical-ministry courses, 24 credit hours in the ministry major, including a three-hour internship, and six credit hours of open electives. The division also offers one degree through the Quest degree-completion program: the Bachelor of Arts or Bachelor of Science in Ministry and Leadership.

The Bible and Preaching degree prepares a student for a teaching and preaching ministry. The Bible and Youth and Family Ministry degree prepares a student to minister to youth and family in a local church or church-related organizations. The Bible and Christian Education degree prepares a student for the educational ministry in the local church. The Bible and Cross-Cultural Missions degree includes two tracks: Foreign Missions or Urban Missions. The degree prepares a student to enter into a foreign mission field and/or to minister in the urban context. Each degree provides the necessary foundation for continued studies in graduate school or seminary. The Bible Division encourages the Bachelor of Arts degree for each of these ministry programs.

A three-hour internship designed to provide application of classroom content and practical experience specific to the major is required for each of the degrees, with the exception of the Quest degree. It includes an intensive one-week orientation before entering the actual internship. The internship is arranged through the Office of Student Development.

The Bible Division contains two departments: the Department of Bible and the Department of Practical Ministries. Upon completion of the curriculum in Bible and Practical Ministries, the student should fulfill the following objectives.

The Bible Division has three objectives:

1. Know the general content of the Bible
2. Understand basic theological concepts
3. Apply exegesis to selected Biblical passages

The Department of Practical Ministries has three objectives:

1. Understand ministry methodologies
2. Communicate effectively in various ministry contexts
3. Apply theology through varied practicums

For more information, please contact the Bible Division at DCC.

## WORSHIP ARTS DEPARTMENT

The Worship Arts Department of Dallas Christian College prepares students for music ministry, ministry in the worship arts, or music education. The department offers four degrees: Bachelor of Science Bible and Music Ministry, Bachelor of Arts or Science Bible and Worship and Youth Ministry, Bachelor of Arts or Science Bible and Worship Arts, and the Bachelor of Science Bible and Music Education.

Upon completing the worship arts curriculum, students will demonstrate understanding, appreciation, and application of worship arts skills in church music, worship arts, or music education contexts.

The Worship Arts Department has three objectives for students focusing on a music emphasis. Students will be able to do the following:

1. Demonstrate proficiency in their areas of concentration
2. Evaluate musical selections and their performances using theological and aesthetic principles
3. Apply musical and organizational skills in a comprehensive music program for the church or classroom

The Worship Arts Department has three objectives for students focusing on a worship arts emphasis. Students will be able to do the following:

1. Demonstrate proficiency in their areas of concentration
2. Evaluate artistic expressions and their performances using theological and aesthetic principles
3. Apply artistic and organizational skills in a comprehensive worship arts program for the church

Music students have specific academic requirements, including passing proficiency exams in piano, voice, and guitar. Music Ministry or Music Education students are required to enroll and recieve a passing grade in choir for each semester in which they are classified as a full-time student, regardless of previous choir credit. Students in the Bible, Worship and Youth Ministry or Bible and Worship Arts degree plans are required to take choir in the consecutive order as outlined in the degree plan. Students in the Bachelor of Science Bible and Music Education must also meet the Education Division academic requirements.

For more information, please contact the Worship Arts Department at DCC.

## BUSINESS ADMINISTRATION DIVISION

The Business Administration Division offers the Bachelor of Arts or the Bachelor of Science degree in Bible and Business Administration. The program equips the student with business and administration skills, while also providing a solid Biblical foundation for Christian leadership in the workplace.

The degree includes a three-hour internship designed to apply the classroom content to practical experience specific to the major. The internship includes an intensive one-week orientation before entering the actual internship. The internship is arranged through the Office of Student Development in cooperation with the Business Administration Division.

The Quest program offers a Bachelor of Science degree in Management and Ethics. The degree prepares the student in managerial skills and the application of Christian ethical practices in a business setting.

Graduates of this program should demonstrate competency in each division, as follows:

The Bible Division:

1. Understand basic Biblical ethical concepts

The Business Administration Division:

1. Know basic business theory and principles
2. Be able to use current business technologies
3. Integrate business knowledge with Biblical ethics

For more information, please contact the Business Administration Division at DCC.

## TEACHER EDUCATION DIVISION

The Teacher Education Division of Dallas Christian College prepares students for teaching in elementary or secondary schools. DCC offers a Bachelor of Science in Bible and Education. Education students may choose elementary or secondary education with a concentration in English, history or music. In addition, the division, in cooperation with the Quest program, offers a Bachelor of Science in Education and Ethics.

Graduates of this program, with Christian sensitivity for a culturally diverse world should "teach effectively in various education environments." The Education Division seeks to help the student in mastery of the following objectives:

1. Know basic content in area(s) of specialization
2. Understand basic developmental, philosophical, and psychological concepts of education
3. Communicate effectively in various educational contexts
4. Perform leadership skills professionally in educational settings

The course of study includes a specific teacher-education plan, Association of Christian School International and state-approved observations, education-oriented experiences, professional seminar attendance, portfolio development, and student teaching (in the bachelor degrees). Education students have specific academic requirements, as follows:

- Must take and pass the THEA test with the minimum state requirements before being accepted into the education program in the fall of the junior year.
- Must achieve a 3.0 or above in ENGL 1310 Composition I, ENGL 1320 Composition II, and SPCH 2310 Speech, and all Core Education courses.
- All level music students must achieve a 3.0 or above in each of the following courses: MUSC 2302 History and Literature II, MUSC 3311 Children's Choral Methods, MUSC 3312 Choral Methods, and MUSC 3315 Choral Conducting.
- Must maintain a cumulative and semester GPA of 2.75 or above.
- Must maintain a 3.0 GPA average or better in the area of specialization; i.e., English, History, or Music
- Must participate in observations, seminars, and portfolio development.
- Must take a Bible or theology course each semester, except student teaching semester.

The Education Division provides each education student with an Education Division Handbook to explain the criteria and provide forms necessary for completing successful teacher-education training. For transfer, degree-completion, and post-baccalaureate students, the teacher-education certification officer will create a specific deficiency plan.

Admittance application to the DCC education program, including a portfolio, is to be completed by October 1 of the junior year for committee approval. Senior-year acceptance only upon completion of all coursework with the required GPA through junior year and the recommendation of the DCC Education Division.

For more information, please contact the Education Division at DCC.

## PROGRAM OVERVIEW

The Alternative Certification Curriculum to Ensure Student Success (ACCESS)

AProgram at Dallas Christian College will provide highly qualified individuals with a bachelor degree the opportunity to launch a successful career in education with Texas public school certification. The need for effective teachers in Texas is critical and widely acknowledged. The need for teachers who experience confidence and joy in teaching because of successful, research-based practices is even more critical to retaining those teachers in Texas schools. The ACCESS Program will provide opportunities for teacher candidates to pursue a career in education while making a positive contribution to a local school. The ACCESS Program is based on the new standards for Texas educators. The Education Division of DCC provides the ACCESS Program. For more information, please contact the Education Division at DCC.

## PROGRAM BENEFITS

Students in the program will be able to do the following:

- Complete the program in 18 months
- Attend classes in an eight-week block format
- Teach as an intern in a SACS accredited/TEA approved public or private school
- Learn from faculty members who are professional practitioners in the teaching field
- Receive individualized support from a Mentor Teacher
- Complete program for consideration as a public school teacher in Texas
- Gain satisfaction from fulfilling an educational goal

## ADMISSIONS REQUIREMENTS

Application to DCC's ACCESS Program entails two phases of admissions. First, the applicant must apply to DCC as a student fulfilling all the admissions requirements of the college. Second, the applicant must fulfill all the admissions requirements of the Education Division of DCC, including completing a screening process, and meeting the academic criteria necessary to enter the ACCESS Program.

## SCREENING PROCESS

Applicants to the ACCESS Program must meet the following policies and procedures to be admitted:

1. Submit the following:

- completed application form with non-refundable application fee
- current resume showing full- and part-time work
- completed form for a criminal background check
- transcripts from all colleges/universities attended

Foreign transcripts must be translated and evaluated at the applicant's expense.

- THEA (formerly TASP) scores

TOEFL scores if applicable

- two letters of recommendation, one personal, one professional/academic
- signed statement indicating support for the Christian mission of DCC to integrate faith and learning

2. Participate in an oral screening interview designed to assess oral language and social interaction and communication skills
3. Participate in a written screening interview by responding appropriately to one written question

All admissions criteria apply to all applicants. The DCC Education Division will evaluate each applicant in a fair and consistent manner.

## ACADEMIC CRITERIA

All applicants to the ACCESS Program must meet the following academic criteria for admission:

- Official transcript from an accredited college/university documenting a bachelor's degree
- 24 or more hours of content coursework
- Minimum cumulative GPA of 2.75 on a 4.0 scale

Successful and/or exceptional work experience documented by the applicant may be accepted as an alternative if the applicant attended college more than five years ago.

- Minimum THEA (or TASP) scores of 260 in reading, 230 in math, and 220 in writing
Minimum TOEFL score of 500 if applicable
- Critical Thinking Test scores in the top $25 \%$ on test selected
- Documentation of a minimum of 20 clock hours of hands-on experience and observation or work experience with students at the same level for which certification is sought
- Strong communication skills demonstrated in admission interviews
- Passing scores on the TExES content test before final program acceptance/admission

## CONTENT AREAS FOR CERTIFICATION

DCC's ACCESS Program focuses on assisting teacher candidates with the required content proficiency in any one of the following areas to meet the requirements of the Pedagogy and Professional Responsibilities Test:

1. Early Childhood to Grade 4

- Generalist

2. Grades 4 through 8

DCC ONLINE

## PROGRAM OVERVIEW

Dallas Christian College developed the online degree completion program to meet the needs of individuals who need the flexibility and convenience of online learning. Students complete their weekly work on their schedule rather than at set meeting times.

We currently offer online a 130-hour Bachelor of Arts or Bachelor of Science in Ministry and Leadership. These degrees are designed to equip people with leadership and ministry skills in the church and in the community, as well as to build a solid Scriptural foundation. These degree completion programs can be entered with as little as 33 hours of previous college credit from any regionally accredited institution. Each course is seven weeks long and earns three semester hours of credit.

## Successful Online Learners Are Those Who:

- Have successfully completed at least 33 semester hours (primarily in general studies)
- Are highly motivated to finish their degree
- Can schedule their time carefully and discipline themselves to meet the rigorous demands of this program
- Are comfortable with working on their computer and on the Internet
- Are at ease with the higher volume of writing needed for online coursework

## Those Who Choose The Ministry And Leadership Online Degree Program Are Those

 Who:- Are presently working full time, have a busy home life, and are actively involved in their church
- Want to enhance their current ministry
- Want to prepare themselves for Christian service through formal study
- Have always wanted to finish a college degree, but the demands of daily life have always hindered that dream
- Want to develop or enhance leadership skills
- Want to complete their degree in a Christian college setting where the faculty and staff members are sincerely interested in their lives and future
- Have physical limitations that make traditional classroom education difficult
- Want a second degree for personal and spiritual fulfillment

## PROGRAM BENEFITS

Students in this program will be able to do the following:

- Complete their bachelor's degree in as little as 24 months (depending on previous college work)
- Convert significant work experiences into college credits by documenting past training, work-related projects, and past learning
- Attend online class at their convenience during the week, minimizing interference with work schedules, family life, and other activities
- Improve both writing and speaking skills
- Meet in a virtual environment and benefit from the varied experiences and ideas of their classmates
- Interact with other adults who care deeply about the work of the Church
- Learn from faculty members who are professional practitioners in ministry
- Receive individualized instruction and specific attention in problem areas

D

- Graduate with an accredited degree and be considered for admission to graduate schools
- Gain satisfaction from fulfilling an educational goal
- Equip Christians to be better church leaders and be more effective Bible teachers

## PROGRAM PROCESS

- Each course meets online for seven weeks.
- Students progress through the program, taking one course at a time.
- The curriculum is accessed on the Internet with detailed assignments for each week, helping students adjust their schedules accordingly.
- Two courses require a weekend visit to the DCC campus (two trips total). These are the residency requirement for all students completing the Bachelor of Arts or the Bachelor of Science in Ministry and Leadership.
- The online faculty includes members of DCC's full-time faculty and adjunct faculty.

## EARNING CREDIT

Students entering the online degree-completion program must have a minimum of
ester hours for admission ( 24 hours must be in general studies). Students can earn

## CHALLENGE EXAMINATIONS

Any DCC student who wishes to meet a requirement of any general-studies or elective course through a special examination may request a challenge exam. A challenge exam may not be requested for a course required in the major. The procedure is as follows:

- The student submits a written request to the Distance Education Office.
- If approved, an instructor will be contacted and will construct an exam to be administered by a proctor approved by the DCC office.
- A non-refundable fee is required at the time of application for the challenge exam.

CLEP tests are offered at local institutions. DCC is a DANTES test site. For additional information concerning DCC's Credit by Examination Policy, see Page No. 29.

## OTHER ACADEMIC REQUIREMENTS

All Dallas Christian College Academic Policies listed under "Academic Regulations

D\& Procedures" apply to all Online Students.

## CHRISTIAN SERVICE REQUIREMENTS

As part of graduation requirements and in keeping with the ministry emphasis of this degree, DCC requires the student to be regularly involved in Christian service throughout the course of his or her studies. See the Student Life/Christian Service section of this catalog for complete information on Christian Service requirements.

## BOOKS AND MATERIALS

Online students are responsible for the cost of their textbooks. They are sent a book list for each class and are responsible for ordering their textbooks from any source they find appropriate. The syllabus and supplemental instructional materials for online courses are included on the course website.

## FINANCIAL INFORMATION

## APPLICATION FEE

Applicants must pay the non-refundable application fee at the time of application.

## TUITION

Unless financial aid covers the balance due or optional payment plans are in place, tuition is due at enrollment.

## COURSE FEE

A $\$ 45$ non-refundable course fee is assessed for each course. Payment should be made at registration for each course. This fee covers the cost of the Internet course platform and 24/7 technical support.

## PAYMENT OF ACCOUNTS

Refer to the Payment of Accounts Section on Page No. 24.

## FINANCIAL AID

Refer to the Financial Aid Section on Page No. 15.

## TUITION REFUND POLICY

The refund policy is as follows:

- Withdrawal from the program-The student will receive a full refund for any classes that have not started at the time the student withdraws.
- Refunds are based upon the policy beginning on Page No. 22.
- All refunds are subject to a $\$ 50$ withdrawal fee when the withdrawal is less than two weeks before class start date or after the start date.

Tuition refund for first-time recipients of Title IV Funds--The Higher Education Amendments Act of 1992 established an institutional refund policy for all institutions participating in Title IV student-aid programs. The pro rata refund is applicable to all students who receive a loan or grant under the Title IV programs.

The Title IV repayment/refund allocation of a student's financial assistance is refunded as follows:
Stafford Loans
Pell Grant
SEOG Grant
Other Title IV programs

## PROGRAM OVERVIEW

Dallas Christian College developed the Quest degree-completion program to meet the needs of adult individuals (age 25 and over) who:

- Have successfully completed at least 33 semester hours ( 24 hours must be in general education)
- Are highly motivated to finish their degree
- Have a busy schedule
- Can discipline themselves to meet the rigorous demands of this program
- Want to enhance their current ministry or prepare themselves for new fields of Christian service through formal study
- Want to prepare for the ministry
- Want to develop or enhance business management skills
- Want to complete their degree in a Christian college setting where the faculty andstaff members are sincerely interested in the student and his or her future
- Want a second degree for personal and spiritual fulfillment
- Are presently working full time or have a busy home life and are actively involved in church
- Seek knowledge and skill in various business fields
- Want to prepare themselves to teach in a Christian school

## PROGRAM BENEFITS

Students in this program will be able to do the following:

- Complete their bachelor's degree in as little as 20 months
- Convert significant work experiences into college credits by documenting past training, work-related projects, and past learning
- Attend most classes only one evening each week, minimizing interference with work schedules, family life, and other activities
- Improve both writing and speaking skills
- Meet in a seminar format and benefit from the varied experiences and ideas of other classmates
- Learn from faculty members who are professional practitioners in business and ministry fields
- Attend small classes to develop group cohesiveness and an active network of associates
- Receive individualized and application-based instruction
- Graduate with a Bachelor's degree and be considered for admission to graduate schools
- Gain satisfaction from fulfilling an educational goal

The Quest program delivers curriculum in an accelerated format. The courses are taught in a short time, usually five weeks for classes in the major and six weeks for general electives or general education courses. Occasionally, special electives are taught in a longer format. The courses for the major are scheduled sequentially in order to:

1. maximize the student's ability to complete the program in a short time
2. build upon skills and learning objectives throughout the program one class to the next
3. provide for a clear degree plan from beginning to end

- Each course in the major meets from 6 to 10 p.m. one night per week for five or six weeks.
- The schedule provides the students seven weeks of breaks throughout the year corresponding to the major holidays. General education courses and electives may be offered in varying forms.
- Courses start throughout the year when students begin as a group and progress through the program together, taking one course at a time.
- The courses for the major are scheduled over a period of less than 20 months, equaling 42 semester hours.
- The curriculum is distributed in a series of syllabuses with detailed assignments for each week, helping the student adjust his or her study schedule accordingly.

The Quest faculty includes members of DCC's full-time faculty and adjunct faculty who serve as visiting professors. These professors share appropriate illustrations from their everyday experiences. All faculty members participate in a special orientation and regular workshops which prepare them for working with adult students, making each course an exciting and valuable learning experience.

## ARTS AND SCIENCES

All graduates from DCC must successfully complete a core of courses from the Arts and Sciences Division. Students in the Quest degree-completion program must complete required general-education hours. Objectives for the Arts and Sciences Division are the following:

1. Know the core content of each discipline
2. Integrate learning with related disciplines
3. Apply this knowledge and understanding creatively, constructively, and compassionately
4. Communicate effectively
5. Develop a moral appreciation of self, others, cultures, and the natural world

Adult learners interested in Quest may also enroll for general courses to fulfill prerequisite courses, elective requirements, or requirements to complete a minor. Graduates of other colleges should consult their Quest advisor about transferring of credit.

Quest cooperates with area Christian schools to provide summer classes for courses required for the Association of Christian Schools International (ACSI) Teacher Certification. These courses are occasionally offered in a block format.

## EARNING ALTERNATIVE CREDIT

A student can earn additional semester hours through the Credit for Demonstrated Competency process or credit by examination. A maximum of 30 hours may be earned through these alternative methods. All alternative credit must be completed prior to preregistration of the final semester.

## CREDIT FOR DEMONSTRATED COMPETENCY (CDC)

In the Credit for Demonstrated Competency process, the student prepares a portfolio documenting work experiences and the learning that has resulted from these experiences. These credits can be earned from many different sources, including workshops, seminars, independent study, non-credit classes, training programs, and work experiences. It is the learning, and not merely experience from these sources, that is evaluated and warrants the awarding of credit. In the admission process, the Quest staff will provide the student with an estimate of the number of CDC credits he or she might receive through this process. A nonrefundable fee is required at the time of application for Credit for Demonstrated Competency.

Dallas Christian College will offer a Credit by Demonstrated Competency (CDC) Workshop in conjunction with the regularly scheduled Quest Group Starts (typically three times each year). The CDC Workshop will cover all the alternative credit options offered by Dallas Christian College, including Learning Application Essays, Sponsored Professional Training, and the various test-out options as described in the current Dallas Christian College Catalog. The workshop is required for anyone interested in securing alternative college credit from Dallas Christian College.

## CREDIT BY EXAMINATION

DCC accepts four examinations by which a student may earn credit in addition to the courses and the CDC process. These are:

- College Level Examination Program (CLEP) - a national set of exams on selected topics offered on a regular schedule (testing available off campus only)
- Defense Activity for Traditional Educational Support (DANTES) - a national set of exams developed by the military and covering college introductory courses in 50 different subject areas (testing available on campus)
- Advanced Placement (AP) Examinations - a national set of exams to substitute for specified courses at DCC
- A challenge exam may be requested by any DCC student in the Quest program who wishes to meet a requirement of any general-studies or elective course through a special examination. A challenge exam may not be requested for a course required in the major. The procedure is as follows: the student submits a written request to the Quest Office. If approved, an instructor will be contacted,
and an exam will be constructed and administered by the Quest Office. A nonrefundable fee is required at the time of application for the challenge exam.

CLEP tests are offered at local institutions; the Quest Office has a list of locations and fees. DCC is a DANTES test site. For additional information concerning DCC's Credit by Examination Policy, see Page No. 29.

## OTHER ACADEMIC REQUIREMENTS

All Dallas Christian College Academic Policies listed under "Academic Regulations \& Procedures" apply to all Quest Students.

## CHRISTIAN SERVICE REQUIREMENTS

As part of graduation requirements and in keeping with the ministry emphasis of this degree, DCC requires the student to be regularly involved in Christian service throughout the course of his or her studies. See the Student Life/Christian Service section of this catalog for complete information on Christian Service requirements.

## FINANCIAL INFORMATION

## APPLICATION FEE

Applicants must pay the non-refundable application fee at the time of application.

## TUITION

Unless financial aid covers the balance due or optional payment plans are in place, tuition is due at registration before the first class session.

## COURSE FEE

A $\$ 25$ non-refundable course fee is assessed for each course. Payment should be made at registration each semester. This fee covers the cost of student instructional manuals, materials used in class, and all handbooks.

## PAYMENT OF ACCOUNTS

Refer to the Payment of Accounts Section on Page No. 24.

## FINANCIAL AID

Refer to the Financial Aid Section on Page No. 15.

The refund policy is as follows:

- Withdrawal from the program-The student will receive a full refund for any classes that have not started at the time the student withdraws.
- Refunds are based upon the policy beginning on on Page No. 22 .
- All refunds are subject to a $\$ 50$ withdrawal fee when the withdrawal is less than two weeks before class start date or after the start date.

Tuition refund for first-time recipients of Title IV Funds--The Higher Education Amendments Act of 1992 established an institutional refund policy for all institutions participating in Title IV student-aid programs. The pro rata refund is applicable to all students who receive a loan or grant under the Title IV programs.

The Title IV repayment/refund allocation of a student's financial assistance is refunded as follows:

Stafford Loans<br>Pell Grant<br>SEOG Grant<br>Other Title IV programs<br>student

Amounts returned to each source are not to exceed the amount disbursed from that source.

## MINISTRY AND LEADERSHIP PROGRAM

The Bible Division of Dallas Christian College prepares students for leadership ministry in a church or church-related setting. The division offers two degrees through the Quest Degree-Completion Program: the Bachelor of Arts in Ministry and Leadership and the Bachelor of Science in Ministry and Leadership. Students may also choose a minor in international management.

The Bachelor of Arts degree is similar to the Bachelor of Science degree, except for a 12-hour Greek language requirement. Students who intend to serve in a ministry involving preaching or teaching would be best served by the B. A. degree. Students who intend to seek employment apart from the local church might be best served by the B. S. degree.

The Bible Division contains two departments: the Department of Bible and the Department of Practical Ministries. Upon completion of the curriculum in Bible and Practical Ministries, the student should have fulfilled the following objectives.

The Bible Division has three objectives:

1. Know the general content of the Bible
2. Understand basic theological concepts
3. Apply exegesis to selected Biblical passages

The Department of Practical Ministries has two objectives:

1. Understand ministry methodologies
2. Communicate effectively in various ministry contexts

For more information, please contact the Bible Division at DCC.

## EDUCATION AND ETHICS PROGRAM

The Teacher Education Division of Dallas Christian College prepares students for teaching in elementary or secondary schools. DCC offers a Bachelor of Science in Education and Ethics. Education students may choose elementary or secondary education with a concentration in Bible and English or history.

Graduates of this program, with Christian sensitivity for a culturally diverse world should "teach effectively in various education environments." The Education Division seeks to help the student in mastery of the following objectives:

1. Know basic content in area(s) of specialization
2. Understand basic developmental, philosophical, and psychological concepts of education
3. Communicate effectively in various educational contexts
4. Perform leadership skills professionally in educational settings

The course of study includes a specific teacher-education plan, Association of Christian School International and state-approved observations, education-oriented experiences, professional seminar attendance, portfolio development, and student teaching. Education students have specific academic requirements, as follows:

- Must take and pass the THEA test with the minimum state requirements before being accepted into the education program.
- Must achieve a 3.0 or above in ENGL 1310 Composition I, ENGL 1320 Composition II, and SPCH 2310 Speech, and all Core Education courses.
- Must maintain a cumulative and semester GPA of 2.75 or above.
- Must maintain a 3.0 GPA average or better in the area of specialization; i.e., English and History.
- Must participate in observations, seminars, and portfolio development.
- Must take a Bible or theology course each semester, except student teaching semester.

The Education Division provides each education student with an Education Division Handbook to explain the criteria and provide forms necessary for completing successful teacher-education training. For transfer, degree-completion, and post-baccalaureate students, the teacher-education certification officer will create a specific deficiency plan.

Admittance application to the DCC education program is to be completed in addition to acceptance to DCC. (See Page No. 77 for details.)

Quest cooperates with area Christian schools to provide summer classes for courses required for the Association of Christian Schools International (ACSI) Teacher Certification. These courses are occasionally offered in a block format.

For more information, please contact the Education Division at DCC.
