

Application Essay Prompt

*Dallas Christian College educates and mentors students to be People of Influence,
Under God's Influence, for a Life of Influence.*

Write your essay about how you see yourself fitting into a community that is centered on that mission statement. What are your goals for attending DCC in terms of personal and professional growth? Talk about how you hope to see your faith in Christ become stronger as a result of being a student at DCC. When and if appropriate, write about personal challenges you've faced, or are currently facing, in your Christian walk and how God is working in you to address those challenges.

We also want to see a paragraph about your own personal testimony about how you became a Christian, as well as where you're currently at in your walk with Christ.

Some things to remember as you write:

- ✓ We are interested in in both your thoughts and writing ability
- ✓ Your essay should be between 250 – 400 words in length
- ✓ We preferably would like this written in a Word document, but an email would suffice as well
