## INTRODUCTION

Dallas Christian College seeks to educate and mentor students to be people of influence, under God's influence, for a life of influence. The educational programs seek to produce graduates who are able to influence others in various ministry settings as well as in education, business, and psychology.

Since God is the source of all wisdom, knowledge, and understanding, and since all of creation is His, education logically begins from Him. In light of this, all courses of the College begin from the assumption that all true knowledge, biblical and otherwise, comes from God and should be judged in light of His word.

Moreover, all the degree programs of DCC meet Association for Biblical Higher Education (ABHE) requirements of a balanced curriculum in Bible, general studies, and specialized or professional studies. This reflects the college's conviction that knowledge of scripture is basic to education.

The College offers a Bachelor of Arts (B.A.) degree, a Bachelor of Science (B.S.) degree, an Associate of Arts (A.A.) degree, and an Associate of Applied Science (A.A.S.) degree. The Bachelor of Arts degree is the same as the Bachelor of Science degree with the exception of the 12-hour Greek language requirement. All students desiring to study in a ministry major are encouraged to seek the B. A. degree, especially those who intend to preach or teach or go on to seminary.

The degree is approved by the Texas Education Agency to offer Texas State Certification to students who pass state requirements. Additionally, the degree meets the requirements for Association of Christian Schools International (ACSI) certification for teaching in private Christian schools. In addition to the B.S. in Education and Bible, the Department offers a Texas-approved alternative teacher certification program for those who have already completed the Bachelor's degree.

The College offers some degrees through DCC *FLEX*Campus®, Online, or Quest. Quest courses normally meet one night per week for four hours for six weeks. The Bible major is a second major available for every bachelor's degree offered. If desired, the student may choose to pursue a third major or a minor in lieu of open electives. The degree completion program, the B.S. in Biblical Ministry, includes 30 hours (or more) of Bible/Theology courses across the Bible Core, General Education, and Major. It also includes 38 hours of General Education (including nine hours of Bible/Theology), 30 hours in the major (including nine hours of Bible/Theology), and 40 hours of open electives. Minors available through the department include Biblical Languages, Church Education Ministry, Intercultural Studies, Ministry Studies, Preaching Ministry, Urban Studies, Worship Arts, or Youth and Family Ministry. In addition to the Bible major, the department also offers the Bachelor of Science in Biblical Ministry and the Bachelor of Science in Practical Ministries (Ministry Leadership Track) through the DCC *FLEX*Campus® program.

The Biblical Ministry and Practical Ministries majors prepare students to minister in a local church, church-related context, urban or cross-cultural mission, or other ministry-related field. The Worship Arts major prepares a student for a worship or music ministry. Each degree provides the necessary foundation for continued studies in graduate school or seminary. The Bible and Theology Department encourages the Bachelor of Arts degree.

A three-hour field mentoring experience (Internship) is required for each of the degrees. The experience is designed to provide application of classroom content and practical experience specific to the major. Internship includes an intensive one-week on campus or three-week online orientation before entering the actual internship.

## BUSINESS DEPARTMENT

The Business Department offers the Bachelor of Science degree in Business and Bible, the Bachelor of Science in Business (degree completion), and the Associate of Applied Science in Business. The curriculum equips the student with business and administration skills, while also providing a solid biblical foundation for Christian influence in the workplace.

The B.S. in Business and Bible offers two tracks from which to choose, Business Administration and Ethics or Sports Management. The major includes 30 credit hours in the Bible major (12 hours are listed under General Education), 51 credit hours of General Education, 30 credit hours in the Business major, and 30 credit hours of open electives. If desired, the student may choose to pursue a third major or a minor in lieu of open electives. Included in the Business major is a three-hour internship designed to apply the classroom content to practical experience specific to the major. The internship includes an intensive one-week on-campus or three-week online orientation before entering the actual internship. The internship is arranged through the Business Department.

The B.S. in Business degree completion program offers students who are 21 or older and who have 45 hours or more of transfer credit the opportunity to concentrate on the Business major while still gaining a broad-based general education. The degree includes 30 hours in the major, 38 hours of General Education, 18 hours in the Bible minor (six hours are listed under General Education), and 40 hours of open electives. There is also an option to add the 12-hour Sports Management track.

A three-hour field mentoring experience (Internship) is required for each of the degrees. The experience is designed to provide application of classroom content and practical experience specific to the major. Internship includes an intensive one-week on campus or three-week online orientation before entering the actual internship.

The Associate of Applied Science in Business prepares students to be people of influence in the workplace. It includes 15 credit hours in the Bible Core, 22 credit hours of General Education, 15 credit hours in the major, and 9 credit hours of open electives.

The A.A.S. and B.S. degrees are available through the Traditional and *FLEX*Campus® programs. In addition to the Business majors, the Business Department also offers a minor in Business.
