## INTRODUCTION

Dallas Christian College seeks to educate and mentor students to be people of influence, engaging in their calling to the work of Christ in the Church and in the world. The educational programs seek to produce graduates who are able to influence others in various ministry settings as well as in education, business, and psychology.

Since God is the source of all wisdom, knowledge, and understanding, and since all of creation is His, education logically begins from Him. In light of this, all courses of the College begin from the assumption that all true knowledge, biblical and otherwise, comes from God and should be judged in light of His word.

Moreover, all the degree programs of DCC meet Association for Biblical Higher Education (ABHE) requirements of a balanced curriculum in Bible, general studies, and specialized or professional studies. Additionally, all degree requirements have been approved by the Trustees and the Faculty of the College. This reflects the College's conviction that knowledge of scripture is basic to education.

The College offers a Bachelor of Arts (B.A.) degree, a Bachelor of Science (B.S.) degree, an Associate of Arts (A.A.) degree, and an Associate of Applied Science (A.A.S.) degree. The Bachelor of Arts degree is the same as the Bachelor of Science degree with the exception of the 12-hour Greek language requirement. All students desiring to study in a ministry major are encouraged to seek the B. A. degree, especially those who intend to preach or teach or go on to seminary. The College also offers degree completion programs to transfer students who have 45 hours or more of transferable credit. These programs are designed to help transfer students earn a degree while concentrating primarily on the major and still gain a broad-based general education.

DCC offers the B.A. or B.S. degrees through the Bible and Theology Department with a double major in Practical Ministries and Bible. Within the Practical Ministries major are three concentrations from which to choose: Intercultural Studies, Ministry Leadership, and the Youth and Family Ministry concentrations. The Department offers the B.S. degree with two dual-majors, Practical Ministries and Bible or Worship Arts and Bible. The Bible and Theology Department also offers a degree completion program, the B.S. in Biblical Ministry, and minors in Bible (for non-ministry major degree completion programs), Biblical Languages, Church Education Ministry, Intercultural Studies, Ministry Studies, Preaching Ministry, Urban Studies, Worship Arts, and Youth and Family Ministry.

DCC offers the B.S. or A.A. degrees through the Arts and Sciences Department. It offers the B.S. degree with a double major in Interdisciplinary Studies and Bible. This major serves as a foundational undergraduate degree allowing students to concentrate on two areas of particular interest and prepares students for graduate professional studies. It offers the A.A. degree in Humanities. In addition, it offers a degree completion program, the B.S. in Interdisciplinary Studies, and minors in English or History.

DCC offers the B.S. degree through the Business Department with a double major in Business and Bible. Within the Business major are three concentration options: Business Administration and Ethics, Human Resources Management, Leadership, and Sports Management. It also offers a degree completion plan the B.S. in Business (with the Sports Management concentration option), an A.A.S. degree in Business, as well as the Business and Leadership Minors.

DCC offers the B.S. degree through the Psychology Department with a double major in Psychology and Bible. Within the Psychology major students have the option of taking a specific concentration such as the Brain Sciences concentration, the Christian Life Coaching concentration, the Human Rights concentration, the Organizational Leadership concentration, the Pastoral Care concentration, or the Sports Psychology concentration. The degree serves as a foundational

undergraduate degree preparing students for church and para-church ministries and for seminary or graduate professional studies. In addition, it offers a degree completion program, the B.S. in Psychology (with option of the Christian Life Coaching concentration), and a minor in Psychology.

The College also offers the B.S. degree through the E.L. and Sue Derr Department of Teacher Education with a double major in Education and Bible. There are three different plans to choose from: the B.S. Education and Bible (Early Childhood-6<sup>th</sup> Grade), the B.S. Education and Bible (Grades 7-12) English Language Arts, or the B.S. Education and Bible (Grades 7-12) Social Studies. The B.S. degree in Education and Bible prepares students to attain Texas state certification for teaching in public schools. The degree is approved by the Texas Education Agency to offer Texas State Certification to students who pass state requirements. Additionally, the degree meets the requirements for Association of Christian Schools International (ACSI) certification for teaching in private Christian schools. In addition to the B.S. in Education and Bible, the Department offers a Texas-approved alternative teacher certification program for those who have already completed the Bachelor's degree.

The College offers some degrees through *DCC Online*. *DCC Online* fully asynchronous classes that do not require a student to be available at a specific time each week. Some courses may require a scheduled online event in real time, but that will be arranged with student input for scheduling. Most courses are six weeks in length requiring the average student 15-19 hours of work each week.

### **ONLINE DEGREE PROGRAMS**

Through *DCC Online*, Dallas Christian College offers a B.S. in Interdisciplinary Studies and Bible, a B.S. in Practical Ministries (Ministry Leadership concentration) and Bible, a B.S. in Business (Business Administration and Ethics concentration) and Bible, the B.S. in Psychology and Bible, the B.S. in Business (degree completion), the B.S. in Biblical Ministry (degree completion), the B.S. in Interdisciplinary Studies (degree completion), and the B.S. in Psychology (degree completion). It also offers an A.A. in Humanities and the A.A.S. Business.

### **ADDITIONAL ACADEMIC OPPORTUNITIES**

An extended internship is available for credit by special arrangement with the Vice-President for Academic Affairs and the appropriate Department Chair.

Contact the Academic Office for additional information about this special opportunity.

## ADDITIONAL ACADEMIC INFORMATION

Most Bachelor's Degrees require a minimum of 120 hours and can be completed if a student takes approximately 15 hours each semester. The following chart gives options of the hours needed each semester to complete a degree in four, five, or six years:

	<b>Four Years</b>	<b>Five Years</b>	<b>Six Years</b>

## COMPLETE A DEGREE IN 3 YEARS

The College offers an accelerated program that allows students to graduate in three years by taking 15 hours during the Fall and Spring semesters as well as a full load during two summer plus two wintermester classes. This works most efficiently when a student plans for it by the end of the freshmen year. Those interested should contact their academic advisor or the Registrar.

## REQUIRED STUDIES

Every degree plan at Dallas Christian College requires the General Education core. This curriculum includes courses from the Arts and Sciences.

All full-time, degree-seeking students at DCC are required to take a minimum of one Bible or theology course each semester they are enrolled unless all Bible and Theology course requirements have been fulfilled. Additionally, students who have not yet met the requirements for ENGL-1310 Composition I and ENGL-1320 Composition II are required to take the courses until the requirement has been met.

Degree Completion Students must take a minimum of 12 hours in Bible or Theology while enrolled in the program (the Degree Completion Bible Core). This is in addition to any Bible

credits the student may have earned at DCC or any other institution prior to entering the program. Of the 120 hours needed to complete the degree, 39 must be at the upper-level (3000-4000).

Each major may have specific requirements within the General Education Core or Bible Core.

All students enrolled for six or more hours during the fall or spring semester are required to enroll in CHRS-1000 Developing Christian Influence.

## **GENERAL EDUCATION**

The General Education curriculum emerges from the College's conviction that all students need an understanding of themselves, their world, and their community, combined with the ability to think and communicate effectively. This curriculum is required in all degree plans; this foundation prepares students to apply this knowledge in their major and to become people of godly influence who appreciate God's entire domain. The General Education curriculum, overseen by the Arts and Sciences Department, is built with reference to the Texas Core Curriculum.

### **General Education Learning Objectives**

Students will:

1. Communicate effectively in writing, using coherent content and appropriate organization, style, and grammar for the subject and audience
2. Communicate clearly and persuasively in speaking, constructing and conveying their message
3. Understand themselves in various social contexts as they integrate into their Christian worldview the basic knowledge of these General Education areas: Bible, history, literature, mathematics, science, and social science
4. Employ interpretation, analysis, evaluation, inference, and explanation in order to conclude, solve problems, and interpret events.

## **ARTS AND SCIENCES DEPARTMENT**

The Arts and Sciences Department brings together the breadth and depth of human learning in the arts and sciences at Dallas Christian College. This department includes the humanities, social sciences, mathematics, and the sciences at Dallas Christian College. Building upon the General Education curriculum, the Arts and Sciences Department oversees a major in Humanities (A.A.) and Interdisciplinary Studies (B.S.) and minors in English and history.

The Arts and Sciences Department contains two majors: the Humanities and Interdisciplinary Studies majors. Upon completion of the curriculum, the student will have mastered the following program objectives:

### **Humanities Learning Objectives (Associate of Arts)**

Students will:

1. Articulate a biblically-informed Christian worldview drawing from their course work
2. Apply oral and written communications skills to effective presentation of broad-based general study courses
3. Identify problems, analyze, and develop solutions from a broad-based perspective

### **Interdisciplinary Studies Learning Objectives (Bachelor of Science)**

Students will:

1. Integrate the advanced academic knowledge gained in their upper-level courses from their required biblical, theological, and elected coursework in the humanities and social studies into their Christian worldview and calling
2. Apply oral and written communications skills to effective presentation of advanced materials related to the chosen focus of study
3. Demonstrate critical thinking especially in the ability to integrate and critique knowledge across disciplinary boundaries

The Arts and Sciences Department offers a B.S. in Interdisciplinary Studies and Bible. This degree program requires 30 hours in the Bible major, 39 hours from the General Education curriculum, 33 credit hours in the Interdisciplinary Studies major including two areas of concentration, and 18 hours of open electives. The Interdisciplinary Studies major allows a student to pursue courses or an emphasis within the Arts and Sciences Department in either a programmed or individualized degree plan. These courses must fall in the business, humanities, ministry studies, or social science areas. Applicable transfer courses in other fields of study may be considered.

The Department also offers a degree completion program, the B.S. in Interdisciplinary Studies. The B.S. in Interdisciplinary Studies degree completion program offers transfer students who have 45 hours or more of transfer credit the opportunity to concentrate on the Interdisciplinary Studies major while earning a minor in Bible and still gaining a broad-based general education. This degree program requires 33 credit hours in the Interdisciplinary Studies major including two areas of concentration, 32 hours from the General Education curriculum, 18 hours in the Bible minor, and 37 hours of open electives. The Interdisciplinary Studies major allows a student to pursue courses or an emphasis within the Arts and Sciences Department in either a programmed or individualized degree plan. These courses must fall in the business, humanities, ministry studies, or social science areas. Applicable transfer courses in other fields of study may be considered.

A three-hour field mentoring experience (Internship) is required for each of the bachelor degrees. The experience is designed to provide application of classroom content and practical experience specific to the major. The area of internship must have prerequisite study. Internship includes an intensive one-week on campus or an online orientation before entering the actual internship.

The Department also offers an A.A. in Humanities. This degree program requires 12 credit hours specific to the major.

The Arts and Sciences Department also offers minors in English and history. These minors require 18 credit hours with at least nine upper-level hours.

## **BIBLE AND THEOLOGY DEPARTMENT**

The Bible and Theology Department of Dallas Christian College offers two degrees, the Bachelor of Arts and the Bachelor of Science in Biblical Ministry (Degree Completion Program). The department also offers the Bible major as a second major available for most bachelor's degree programs offered at the College including the B.A. in Practical Ministries and Bible. If desired, the student may choose to pursue a minor in lieu of open electives. The B.A. or B.S. in Biblical Ministry degree completion program offers transfer students who have 45 hours or more of transfer credit the opportunity to concentrate on the Biblical Ministry major while still gaining a broad-based general education.

The B.A. in Biblical Ministry degree includes 18 credit hours of the Bible Core, 30 credit hours in the professional major, 32 credit hours from the General Education curriculum, 12 credit hours of biblical language, and 28 credit hours of open electives. (This add up to a total of 120 hours including 39 hours total of Bible and Theology from all areas.) The B.S. in Biblical Ministry degree includes 18 credit hours of the Bible Core 30 hours of the professional major, 32 credit hours from the General Education curriculum, and 40 credit hours of open electives. (This add up to a total of 120 hours including 33 hours total of Bible and Theology from all areas.) The Bible Minor is required for all non-ministry majors in a Degree-Completion Program and the Biblical Languages Minor is also available through the department. In addition to the Bible major, the department also offers the Bachelor of Science in Biblical Ministry through the *DCC Online* program.

The Biblical Ministry major prepares students to minister in a local church, church-related context, urban or cross-cultural mission, or other ministry-related field. The degree provides the necessary foundation for continued studies in graduate school or seminary. The Bible and Theology Department encourages the Bachelor of Arts degree.

A three-hour field mentoring experience (Internship) is required for each degree. The experience is designed to provide application of classroom content and practical experience specific to the major. Internship includes an intensive one-week on campus or online orientation before entering the actual internship as approved by the professor.

Upon completion of the major curriculum in Bible or Biblical Ministry, the student will have achieved the following program objectives:

### **Bible Core Learning Objectives**

Students will:

1. Demonstrate knowledge of the general content of the Bible.
2. Demonstrate understanding of core theological concepts
3. Competently exegete selected biblical passages.
4. Articulate a coherent biblical view of call and work.

### **Biblical Ministry Learning Objectives (Bachelor of Arts)**

Students will:

1. Demonstrate contextually relevant ministries methodologies
2. Express biblical and theological concepts accurately in ministry contexts
3. Model spiritual preparedness and equipping as a servant-leader for one's calling in the church and in the world
4. Demonstrate the ability to exegete New Testament Greek, using appropriate scholarly aids

### **Biblical Ministry Learning Objectives (Bachelor of Science)**

Students will:

1. Demonstrate contextually relevant ministries methodologies
2. Express biblical and theological concepts accurately in ministry contexts
3. Model spiritual preparedness and equipping as a servant-leader for one's calling in the church and in the world

## **BUSINESS DEPARTMENT**

The Business Department offers the Bachelor of Science degree in Business and Bible, the Bachelor of Science in Business (degree completion), and the Associate of Applied Science in Business. The curriculum equips the student with business and administration skills, while also providing a solid biblical foundation for Christian influence in the workplace.

The B.S. in Business and Bible offers four concentrations from which to choose, Business Administration and Ethics, Human Resources Management, Leadership, or Sports Management. The major includes 30 credit hours in the Bible major, 39 credit hours from the General Education curriculum, 30 credit hours in the Business major, and 30 credit hours of open electives. If desired, the student may choose to pursue a minor in lieu of open electives.

The B.S. in Business degree completion program offers transfer students who have 45 hours or more of transfer credit the opportunity to concentrate on the Business major while earning a minor in Bible and still gaining a broad-based general education. The degree includes 30 hours in the major, 32 hours of General Education, 18 hours in the Bible minor, and 40 hours of open electives. There is also an option to take the 12-hour Sports Management concentration.

Included in the Business major is a three-hour internship designed to apply the classroom content to practical experience specific to the major. The internship includes an intensive one-week on-campus or an online orientation before entering the actual approved internship. The internship is arranged through the Business Department.

The Associate of Applied Science in Business prepares students to be people of influence in the workplace. It includes 12 credit hours in the Bible Core, 25 credit hours from the General Education curriculum, 18 credit hours in the major, and 6 credit hours of open electives.

The A.A.S. and B.S. degrees are available through the Traditional and *DCC Online* programs. In addition to the Business majors, the Business Department also offers minors in Business and Leadership.

Upon completion of the curriculum, students will have met the following program objectives:

### **Business Learning Objectives (Associates of Applied Science)**

Students will:

1. Know the core content of Management
2. Demonstrate the ability to communicate effectively in a business context, using business technology
3. Be able to write a report that indicates a complete understanding of the special topic, reflects the impact on the responsibilities of the Human Resources department, and indicating the importance of Christian ethics with its impact of the topic

### **Business Learning Objectives (Bachelor of Science)**

Students will:

1. Know the core content in each of the following functional areas of Accounting, Marketing, and Management
2. Demonstrate the ability to communicate effectively in a business context, using business technology
3. Be able to analyze organizational viability and potential actions, while expressing an understanding of the importance Christian principles play in the environment of the organization
4. Develop both personally and in self-awareness

## PRACTICAL MINISTRIES DEPARTMENT

The Practical Ministries Department of Dallas Christian College prepares students for leadership ministry in a church or ministry setting. The department offers two degrees, the Bachelor of Arts and the Bachelor of Science. Students may choose from the following majors: Bible, Biblical Ministry (degree completion program listed in the Bible and Theology section), Practical Ministries, and Worship Arts. Within the Practical Ministries degree are three concentrations from which to choose: Intercultural Studies, Ministry Leadership, and the Youth and Family Ministry. The B.A. degree includes 33 credit hours of the Bible Major, 30 credit hours in the Practical Ministries Major, 39 credit hours from the General Education curriculum, 12 credit hours of biblical language, and 6 credit hours of open electives. (This add up to a total of 120 hours including 39 hours total of Bible and Theology from all areas.) The B.S. degree includes 33 credit hours of the Bible Major, 30 credit hours in the Practical Ministries Major, 39 credit hours from the General Education curriculum, and 18 credit hours of open electives. (This add up to a total of 120 hours including 36 hours total of Bible and Theology from all areas.) The Bible major is a second major available for most bachelor's degree programs offered at the College. If desired, the student may choose to pursue a minor in lieu of open electives.

The degree completion program, the B.A. in Biblical Ministry, includes 18 credit hours of the Bible Core, 30 credit hours in the professional major, 32 credit hours from the General Education curriculum, 12 credit hours of biblical language, and 28 credit hours of open electives. (This add up to a total of 120 hours including 39 hours total of Bible and Theology from all areas.) The B.S. in Biblical Ministry degree includes 18 credit hours of the Bible Core 30 hours of the professional major, 32 credit hours from the General Education curriculum, and 40 credit hours of open electives. (This add up to a total of 120 hours including 33 hours total of Bible and Theology from all areas.) The Biblical Languages Minor is also available through the department. In addition to the Bible major, the department also offers the Bachelor of Science in Biblical Ministry through the *DCC Online* program. Minors available through the department include Intercultural Studies, Ministry Studies, Preaching Ministry, Urban Studies, Worship Arts, or Youth and Family Ministry. In addition, the Bible and Practical Ministries Departments also offer the Bachelor of Science in Biblical Ministry and the Bachelor of Science in Practical Ministries (Ministry Leadership concentration) through the *DCC Online* program.

The Biblical Ministry and Practical Ministries majors prepare students to pastor and serve in a local church, church-related context, urban or cross-cultural mission, or other ministry-related field. The Worship Arts major prepares a student for a worship or music ministry. Each degree provides the necessary foundation for continued studies in graduate school or seminary. The Practical Ministries Department encourages the Bachelor of Arts degree.

A three-hour field mentoring experience (Internship) is required for each of the degrees. The experience is designed to provide application of classroom content and practical experience specific to the major. Internship includes an intensive one-week on campus or online orientation before entering the actual professor-approved internship.

Upon completion of the major curriculum in Practical Ministries, or Worship Arts, the student will have achieved the following program objectives:

### **Practical Ministries Learning Objectives (Bachelor of Arts and Bachelor of Science)**

Students will:

1. Demonstrate contextually relevant ministries methodologies
2. Express biblical and theological concepts accurately in ministry contexts
3. Model spiritual preparedness and equipping as a servant-leader for one's calling in the church and in the world
4. Demonstrate the ability to exegete New Testament Greek, using appropriate scholarly aids. (Bachelor of Arts only)

### **Worship Arts Learning Objectives (Bachelor of Science)**

Students will:

1. Demonstrate proficiency in their concentration areas of vocal performance, piano, and guitar

2. Evaluate artistic and liturgical performances pertaining to private and corporate Christian worship using biblical, theological and aesthetic principles
3. Be able to create and implement a liturgical, musical, and artistic vision within their calling

Worship Arts students are required to take an ensemble elective each semester the student is enrolled full-time even if all the ensemble requirements have been met.

For more information, please contact the Practical Ministries Department at DCC.

The Psychology Department at Dallas Christian College offers instruction in the social science field of psychology. The department offers the Bachelor of Science degree in Psychology and Bible, the Bachelor of Science in Psychology and Bible (with a specialized concentration), and the Bachelor of Science in Psychology (degree completion with the optional specialized concentration). Upon completion of the curriculum, the student will have mastered the following program objectives:

### Psychology Learning Objectives

Students will:

1. Know the history and fundamental history, development, and contemporary concepts and theories of psychology (Knowledge base in psychology)
2. Understand the scientific method and demonstrate relevant analytical skills (Scientific inquiry and critical thinking)
3. Evidence advanced understanding of self (self-awareness and personal development)
4. Articulate ethical and social responsibility (self in society)
5. Be able to appropriately synthesize psychological knowledge and biblical perspectives (Integrate psychological and biblical perspectives)
6. Demonstrate communication and helping skills suitable for service in both secular and faith communities (Application)
7. Be adequately prepared for graduate and professional training (Professional development)

The B.S. in Psychology and Bible requires 30 hours in the Bible major, 39 hours from the General Education curriculum, 30 credit hours in the Psychology major, and 21 hours of open electives. The Psychology major includes a three-hour field mentored experience (Internship) designed to apply classroom content to practical experience specific to the major. The area of the internship must have prerequisite study. The psychology major equips a student with the foundational tools in psychology and counseling from a biblical perspective. The degree prepares students to continue studies in graduate school. Students should note that any undergraduate degree in psychology is preparatory for graduate studies. NOTE: All licensing for psychology and counseling requires the minimum of a master's degree.

The Psychology Department also offers several concentration options within the B.S. in Psychology and Bible including the Brain Sciences concentration, the Christian Life Coaching concentration, the Human Rights concentration, the Organizational Leadership concentration, the Pastoral Care concentration, and the Sports Psychology concentration. For the B.S. in Psychology and Bible with a concentration, the degree requires 30 hours in the Bible major, 39 hours from the General Education curriculum, 30-36 credit hours in the Psychology major (including 12 hours in the concentration), and 15-21 hours of open electives. The Psychology major includes a three-hour field mentored experience (Internship) designed to apply classroom content to practical experience specific to the major. In addition to the Internship is a Practicum that is required in the concentration. The areas of the internship and the practicum must have prerequisite studies. The psychology major equips a student with the foundational tools in psychology and counseling from a biblical perspective. The degree prepares students to continue studies in graduate school. Students should note that any undergraduate degree in psychology is preparatory for graduate studies. NOTE: All licensing for psychology and counseling requires the minimum of a master's degree. Upon completion of the Christian Life Coaching concentration, students are eligible to receive certification in Christian Life Coaching from His-Story Coaching Academy.

The B.S. in Psychology degree completion program offers transfer students who have 45 hours or more of transfer credit the opportunity to concentrate on the Psychology major while earning a minor in Bible and still gaining a broad-based general education. The degree includes 30 hours including an internship in the major, 18 hours in the Bible minor, 32 hours from the General Education curriculum, and 40 hours of open electives. The Christian Life Coaching concentration may be added as an option. NOTE: All licensing for psychology and counseling requires the minimum of a master's degree.

The Psychology Department also offers a minor in Psychology. This minor requires 18 credit hours with at least nine upper-level hours. Additionally, the 12-hour Christian Life Coaching concentration is available as a post-baccalaureate program.

For more information, please contact the Psychology Department.

## THE E.L. AND SUE DERR DEPARTMENT OF TEACHER EDUCATION

Dallas Christian College's Teacher Education program helps future teachers model Christian ethics through positive relationships and effective pedagogy in today's classrooms. The program prepares students for teaching in elementary, middle, or high schools, public or parochial. DCC offers a Bachelor of Science in Education and Bible with three concentrations from which to choose: Elementary (Early Childhood-6 Grade), English Language Arts (7-12 Grades), or Social Studies (7-12 Grades).

Students must apply to be admitted into the Teacher Education program, typically the second semester of the applicant's sophomore year. Applications are to be completed and submitted by October 1 to begin the admission process. All students, once accepted into the program, must make an appointment with the Department Chair for coursework advising.

Admission criteria into the Teacher Education program is:

- 2.75 cumulative GPA
- 3.00 content GPA
- Minimum of 12 credit hours in the content area (English Language Arts, Music, or Social Studies)

### Teacher Education Learning Outcomes

Students will:

1. Demonstrate their understanding of instructional planning and delivery by providing standards-based, data-driven, differentiated instruction that engages students, makes appropriate use of technology, and makes learning relevant for today's learners
2. Work to ensure high levels of learning, social-emotional development, and achievement outcomes for all students, taking into consideration each student's educational and developmental backgrounds and focusing on each student's needs
3. Exhibit a comprehensive understanding of their content, discipline, and related pedagogy as demonstrated through the quality of the design and execution of lesson plans and their ability to match objectives and activities to relevant state standards
4. Interact with students in respectful ways at all times, maintaining a physically and emotionally safe, supportive learning environment that is characterized by efficient and effective routines, clear expectations for student behavior, and organization that maximizes student learning
5. Use formal and informal methods to assess student growth aligned to instructional goals and course objectives and regularly review and analyze multiple sources of data to measure student progress and adjust instructional strategies and content delivery as needed
6. Consistently hold themselves to a high standard for individual development, pursue leadership opportunities, collaborate with other educational professionals, communicate

- regularly with stakeholders, maintain professional relationships, comply with all campus and school district policies, and conduct themselves ethically and with integrity
7. Evidence knowledge of both public and private educational philosophy and systems

The course of study includes a specifically developed teacher preparation curriculum for each program concentration, Association of Christian School International (ACSI) and state-approved field observations in accredited schools (total of 60 hours), pre-student teaching and student teaching experiences (total 760 classroom hours), and participation in professional development opportunities. As a part of the program, candidates have specific academic requirements in order to complete the program and to be issued a Texas Teacher Certificate and/or ACSI certification. In order to complete the program, the candidate must:
